ADJUTANT GENERAL TO MOVE

Military Department Goes on Fourth Floor of State House.

GOVERNOR GIVES THE ORDER

Tells Military Department that it is Necessary to Go Higher in View of Crowded Condition of the State House.

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special.)—The war between the state Board of Public Lands and Funds and the war department of Nebraska has finally been settled without referring the matter to the National Peace congress and the janitors of the state house will not have to step over the dead body of Major Haysel in moving out the furniture.

When the edict of the board first went out that the adjutant general should move to the fourth floor there was much ado. General Hall did the weeping. Major Birkenner the wailing and Major Haysel the gnashing of teeth, but Governor Morehead is the real power behind the "thrown," and when he said that the National Guard believed in obeying orders and should therefore set a good example by obeying the orders of the board, the war was over and the dove of peace fluttered back through the window.

As soon as the Board of Control, which is responsible for the change, can purchase carpets and other equipment for the new quarters of the adjutant general the "tramp, tramp, tramp" will be heard along the corridors of the state house. The new quarters of the guard will be in the northwest rooms of the newly finished fourth floor.

Law Revision Committee. The State School Law Revision commission, appointed some time ago by Governor Morehead, met today in the office of Superintendent Delsell for the purpose of organization and to talk over the work which will be expected of them. A short meeting was held in Omaha during the session of the State Teachers' association and Superintendent Delsell was elected chairman and Miss Lathrop secretary.

This forenoon A. E. Sheldon of the legislative reference bureau addressed the committee and this afternoon Governor Morehead talked on some of the things which he thought ought to be done in connection with changes in the school laws.

The members of the committee are: State Superintendent J. E. Delsell, Charles Arnott, Schuyler, N. M. Graham, South Omaha; Edwin Lathrop, Clay Center; P. M. Whitstead, Gothenburg; Earl Cline, Geneva, and William Ritchie, Lincoln.

Pool Sells Residence. Labor Commissioner Charles Pool has sold his residence property in Tecumseh and this morning the papers were forwarded him to sign. In looking over the abstract he discovered that in 1850 ex-Vice President Adlai Stevenson purchased the same and in 1877 sold it again for \$200, taking a mortgage on the property of \$75 for the unpaid balance of the purchase money. He also discovered that in the transfer of one of the deeds that J. H. Presson of Omaha, now retired clerk in the governor's office, had acknowledged one of the instruments as county clerk C. Johnson county.

Teague Given Liberty. Private Lloyd Teague, who was found guilty by a court-martial of officers of the Nebraska National Guard of appropriating property of the Lincoln company of which he was a member to his own use, and who has been kept in the Lancaster county jail since the trial two weeks ago, was this morning given his liberty on parole.

Polak and Burke Mum. Ed Polak and James Burke, arrested in Wymore under suspicion of being the Lincoln street car bandits who held up a car and killed Fred Weis, one of the passengers, were brought to Lincoln last night by Deputy Sheriff Antles and lodged in the Lancaster county jail. Both men refuse to tell where they were on the night of the holdup, but both maintain that they can prove their whereabouts on that night if they have to. Polak says that the reason they put up such a desperate battle at the time of their arrest was because they did not like the officer who was trying to arrest them.

At 10 o'clock a. m., December 1, 1913, I will sell goods and fixtures of Riggs Pharmacy company of Lincoln, inventories about \$35,000. For particulars see or write John Klinker, trustee, care Lincoln Drug company, Lincoln, Neb.

Barton Says Expects to Make Race Again

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special.)—Congressman Silas R. Barton of the Fifth Nebraska district spent Thanksgiving with relatives in the city. Mr. Barton denies that he is a candidate for governor, as shown by press dispatches this morning, but on the other hand expects to succeed himself as representative in congress.

He is of the opinion that the currency bill will be badly butchered by the time it passes congress and will not be anything like its original self.

He is bitterly opposed to any bill which will in any way be a foot ball for politics and will oppose it in every form tending to make it so.

He thinks that there is a great deal of inconsistency among the people of the United States. "What they cursed Joe Cannon for doing, they are applauding President Wilson for," said the congressman. "Cannon bossed the house of representatives and was fiercely censured for it. President Wilson is preparing bills and ordering congress to pass them and the people applaud his action."

Mr. Barton will leave tonight for Omaha, and from there will go tomorrow to Washington.

Fierce Fight for Cedar Rapids Plum

CEDAR RAPIDS, Neb., Nov. 28.—(Special.)—The democrats held their caucus to nominate candidates for postmaster. Ten applications for the position were received. They were H. H. Compton, Dennis Tracy, A. E. Dufee, Robert Reprecht, W. G. Green, A. J. Pitchford, H. M. Ward, J. H. McDonald, Charles King and Will Treadway. A committee was appointed by the chair, namely, Erasmus Williams, Howard Wilson, W. J. Green and Jerome Pfium, who, in conjunction with Will Cox, proceeded to weed out those who did not bear the earmarks of a good democrat. After the process of elimination had gone on for some time the following were found to be well known and consistent democrats and permitted to have their names on the ballot: H. H. Compton, Charles King, Will Treadway and A. J. Pitchford. The outcome of the meeting has stirred up a hornet's nest in the local democratic rank and file at which the celebrated Bryan-Hitchcock controversy pales into insignificance.

W. H. Hogrefe, Stella Pioneer, is Dead

STELLA, Neb., Nov. 28.—(Special Telegram.)—W. H. Hogrefe, pioneer merchant of Stella, died at his home here yesterday at 4 o'clock, aged 62 years. He recently returned from Germany, where he visited his boyhood home and a daughter, who lives in Berlin. He also consulted famous specialists in regard to his health. When the town of Stella was founded in 1882, Mr. Hogrefe, who was in business at Corning, Mo., crossed the river and opened up the first store in Stella, where he conducted a most successful business until his death. His fortune is estimated at \$150,000. He was a deeply religious man, a member of the Lutheran church and was for more than thirty years superintendent of the Sunday school. Besides his widow, three children survive, Mrs. Ed. Luikhart of Omaha, Harvey Hogrefe of Stella and Mrs. William Baum of Berlin, Germany.

WIGGLE CREEK COMMUNITY HOLDS MODEL INSTITUTE

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special.)—One of the most interesting farmers' institutes of the season, and one which might serve as a model for other communities, was held at Wiggle Creek church in Sherman county recently. In a report to Prof. H. J. Gramlich, Secretary Clarence Burt says:

Our institute was a decided success this year. The weather was good, the roads excellent and the attendance and interest gratifying. We had a nice exhibit of grain and products and a superb exhibit of canned fruit and pastry by the ladies. Artistically printed ribbons were awarded to the winners. This church has long been a center of social life in the Wiggle Creek section and many clever entertainments have been given there. The rural life investigators found that this community had practically solved the problem of rural entertainments.

SERIOUS STABBING AFFRAY AT A DANCE

BROKEN BOW, Neb., Nov. 28.—(Special.)—Joe and Fred Nekuka, residents of Valley county, have been brought to Broken Bow for a hearing, charged with cutting and stabbing with intent to wound or maim William Hefferman, also a resident of Valley county. All of the principals in the affair are farmers and were attending a dance last Saturday night in the neighborhood of Comstock in Custer county. According to the complaint, a quarrel started between the Nekuka brothers and Hefferman, which resulted in the latter receiving twenty cuts and stabs about the head. When taken before County Judge Holcomb at this place, the accused parties, through their lawyers, asked for a continuance of the preliminary hearing, which was granted, the date being set for December 2. Bonds were furnished in the sum of \$500.

FAIRBURY, Neb., Nov. 28.—(Special.)—While preparing to board a southbound freight train on the St. Joseph & Grand Island railroad at the little town of Encidott, six miles southeast of here, late last night, two tramps robbed Earl O'Day of \$19.80. He returned to Fairbury and filed a complaint against the men and Sheriff E. Hughes has them arrested. They are held in Fairbury awaiting trial for robbery.

CRIME STALKS IN LINCOLN

Thanksgiving Day Ends with Fatalities and Attacks.

WOMAN PLEADS FOR BROTHER

Miss Eunice Murphy Asks Governor Morehead to Pardon Young Man Who Helped Hang Charles Sellers.

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special Telegram.)—A carnival of crime marked the close of Thanksgiving day in Lincoln, and as a result one man lies at the point of death in a hospital, another is dead, while two more are in the city jail for assault upon an actress.

Labored under the delusion that he was wanted for the death of another man, Stephen Kerley cut his throat early this morning and wandered from his house and was found an hour later bleeding to death from the cut on a mattress in an alley.

Charles Johnson was found dead in his room at 159 R street, having, it is supposed, failed to turn off the gas entirely when he retired last night.

Early this morning Mrs. Violet Jacobs, an actress, whose stage name is Zola St. Coran, while being escorted home from a dance by Carl H. George, were met on Ninth street, near the Burlington yards, by two men who offered them a drink. It is claimed that both had been drinking beer at the dance and readily accepted the invitation of the men to go to the railroad yards to do the drinking.

On arriving there one of the men assaulted George with a club and drove him off. Hoppe, one of the men, then attempted to assault Mrs. Jacobs, but Christenson, the other man, rescued her from the assault and escorted her to the street, from which place she was escorted home by an acquaintance whom she met a little later. Hoppe and Christenson were found in a switch shanty by George and a policeman and put under arrest. Both were drunk and were taken to the station house, where Christenson admitted that he had taken the woman away from Hoppe.

Seeks Murphy's Pardon. Miss Eunice Murphy, the young woman who was indirectly connected with the hanging of Charles Sellers near Cody two years ago, called at the office of Governor Morehead today for the purpose of trying to get the executive to pardon her brother Kenneth, who, with three other men, took Sellers from his bed and hanged him to a tree. Miss Murphy told the governor that the men did not intend to kill him, but were trying to scare him. Miss Murphy knew of the incident and did not attempt to deny that she had knowledge of the crime. Young Murphy was but 17 years old at the time the crime was committed. Governor Morehead referred her to Judge Westover, who presided at the trial, saying that he would do nothing in the matter until the judge had taken some action.

CONFUCIUS TO COME BACK

Mandate Issued by President Yuan Shi Kai of Chinese Republic.

MISSIONARIES DISAPPOINTED

Mohammedans, Buddhists, Protestants and Catholics Meet at Peking to Form Opposition League.

PEKING, Nov. 28.—A league to oppose the adoption of the Confucianism as the state religion of China was organized here today at a meeting held at the Young Men's Christian association. Those present included representatives of Mohammedanism, Taoism, Buddhism, Roman Catholicism and Protestantism. The constitution adopted by the parliament made no provision for any state religion, but a mandate issued today by President Yuan Shi Kai evidently anticipates the selection of Confucianism, the adherents of which have been laboring for some time with the president.

President Yuan Shi Kai, whose mandates are now regarded as equivalent to the imperial edicts of the former era, describes the sayings of Confucius as a "doctrine of unequal wisdom which is recognized as such by many foreigners as well as Chinese, deep as the ocean, sufficient, although the ages change, permanent as the sun and the moon that cross the heavens and as the rivers that flow on the earth."

The presidential mandate is regarded with great disappointment by the Christian missionaries in China.

PAXTON & VIERLING APPEAL FROM VERDICT

LINCOLN, Nov. 28.—(Special.)—The Paxton & Vierling Iron works of Omaha have appealed from a judgment secured by John Soroka in the district court of Douglas county in the sum of \$4,500 for injuries received while working for the company resulting in the loss of an eye. Soroka sued for \$9,500.

Notes from Scott's Bluff. SCOTT'S BLUFF, Neb., Nov. 28.—(Special.)—Joe Shuk, an employee of the sugar factory, was taken to the county jail and Wednesday adjudged insane. His ailment is of a very violent nature, and the cause is not assigned. District court convenes this week at Gering, with a very long docket to dispose of. Equity cases are before the judge at present, and next week the jury cases begin. An attempt at house breaking at the home of J. C. McCreary Wednesday night was unsuccessful, owing to the facts that Mr. McCreary was aroused by the noise, and the quick response of the police to the alarm. The mercant was not apprehended.

Talk Municipal Ownership

DENISON, Ia., Nov. 28.—(Special.)—The city council and the Denison Electric Light company are unable to agree on the terms of a new franchise to be submitted to the people. The present franchise expires in February. The council has decided to call a public meeting for Friday evening, when the municipal ownership will be discussed by citizens. Mayor Sheldon and Councilman H. B. Corlette of Ames will be present and address the meeting. The call is made by the mayor, W. H. Laub. The council is asking an expenditure of some \$25,000 on the present plant, to be provided for in the new franchise, and this the present company does not want immediately to do.
