

WANT COMMUTATION BOOKS

Plan to Put Them in Use on the Papillion Line.

ENGLISH SEES RAIL BOARD

Lieutenant Governor McKelvie Said to Have Intention of Resigning in Order to Make Race Unhindered for Governor.

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 29.—(Special.)—Arthur English, formerly receiver of the Interurban Street Railway company between Omaha, Papillion and Ralston, bought some time ago by the McKinley interests of Illinois, called on the railway commission this morning for the purpose of getting information as to the mode of procedure to be used in putting into effect commutation books on the lines between Omaha and South Omaha and Papillion and Ralston.

McKelvie May Resign.
The effort by certain Lincoln politicians to convince Lieutenant Governor McKelvie that he ought to run for congress in the First district, instead of being governor, has not had any perceptible effect on making him change his mind and he still has his eye on the governorship.

It was announced this morning that McKelvie would resign as lieutenant governor in order that he might get around the constitutional stumbling block which in the minds of many stands in his way, and then make a straight shoot for the governorship as a private citizen.

CRAWFORD AND EDGAR TEAM GIVEN BANQUET BY CLUB

EDGAR, Neb., Nov. 29.—(Special.)—Coach Crawford and his foot ball team were given a banquet last night at the opera house. On Thanksgiving day Edgar High school played its last game of the season, playing with Giltner High school, and winning by a score of 33 to 0. Although the Giltner team was outclassed, they showed themselves a good team.

Edgar has played eight games this season and has won five of these, playing such high schools as: Superior, Harvard, Fairbury, Hastings and Giltner. This being the first season of foot ball in Edgar High school, the records considered a good one. In appreciation of this record the Commercial club of Edgar gave Coach Crawford and his team a banquet.

At the closing of the banquet, Coach Crawford and official Mr. Ogden were presented with elegant gifts by the club in appreciation of their splendid work with the boys.

SUIT AGAINST WOMAN FOR ASSAULT AT CENTRAL CITY

CENTRAL CITY, Neb., Nov. 29.—(Special.)—Samuel M. Kaplan has brought suit in the district court against Lydia E. Pope, claiming damages for the sum of \$10,000. This is a Silver Creek case and grew out of the arrest and trial of plaintiff on the charge of assaulting Edwin P. Hill some time last September.

ONE-HALF BOTTLE OF THE GREAT KIDNEY REMEDY ACCOMPLISHES RESULTS

When I sent for a sample bottle of Swamp-Root, I was in great distress day and night. Before I received the sample by mail, I went to our best doctor (and he is second to none in this vicinity) and told him how I felt. He put me up a bottle of medicine. I was about a week taking the medicine, but was no better than when I began. I then began your sample bottle, and before I got through with it, I felt a change. The scalding sensation did not bother only a few times in the middle of the day, I would not have believed such a small quantity would have done so much, but before it was gone I learned that our druggist kept Dr. Kilmer's Swamp-Root and so got a large bottle for one dollar, but actually worth one hundred dollars. I only took one large tablespoonful three times a day and before I had taken one-half bottle I was all right and have been since. Gratefully yours,
GEORGE S. CHAMPLIN,
Ashaway, R. I.
State of Rhode Island, ss.
County of Washington, ss.
Personally appeared Geo. S. Champlin, to me well known, and made oath that the foregoing statement by him subscribed is true.
E. R. ALLEN, Notary Public.

Send What Swamp-Root Will Do For You
Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention The Omaha Sunday Bee. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Kearney Students Present Gold Watch to Dr. A. O. Thomas

KEARNEY, Neb., Nov. 29.—(Special.)—The first home coming ever held at the State Normal school in this city since its opening nearly nine years ago was held by that institution on Thanksgiving day. Hundreds of alumni and former students of the school were in attendance, having come from all over the state. The honor of the school was held up in the foot ball game in the afternoon and the evening was given over to a farewell reception for Dr. A. O. Thomas, former president of the school. Over 2,000 students and friends of Dr. Thomas were present at this affair and the festivities which were in charge of the student body, assisted by the faculty, were enjoyed by the many present until a late hour.

The reception was held in the large library of the school and the entire building was lighted up for inspection. The orchestra of the school furnished the music for the occasion during the entire evening. Punch was served by the young ladies of the school. Ernest Danly, president of the alumni association, presented the school with a large picture of Dr. Thomas, which will be placed upon the walls of the institution. Dean M. R. Snodgrass responded to the alumni address in a few fitting remarks. He was followed by Mr. B. Olson, representing the student body of the school, who presented Dr. Thomas with a beautiful gold watch as a token of esteem from his former students.

Dr. Thomas made a very touching response to the presentation speech and the advice he gave to the students in regard to holding up the standard of the school will long be remembered by them. The doctor stated that the meeting with and having the friendship of the large number of students assembled was far more valuable to him than the holding of any position in the institution. He stated that he had not left the institution except as its head, his thoughts and prayers being with the work of the students and the future growth and development of the school.

Governor to Name Veterinary Board

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 29.—(Special.)—Governor Morehead will call a session of the state board of veterinarians some time next week for the purpose of appointing a new board to take the place of Dr. J. S. Anderson of Seward, Dr. J. D. Sprague of David City and Dr. W. H. Tuck of Weeping Water. Rumor has it that Dr. Anderson will be the only old member who will receive an appointment, the other two having in some way incurred the will of Dr. Davis, the Lincoln veterinarian, who was denied a permit to practice and was last week granted a permit by Governor Morehead and Secretary of State Watt over the report of the examining physicians, who reported that Davis failed to pass.

It is said that Davis has told the board that Anderson is all right and as the board has seen fit to favor Davis against the examiners it is probable that the recommendation of Davis will have weight with the board.

This is another instance of a duplication of commissions and board in this state and instead of decreasing the number it seems to be the policy of the present political conditions to increase even to the point of duplication. Just why there should be a state veterinarian board composed of state officers who know nothing whatever about the veterinary business and then another board of examiners under them to examine applicants whose recommendation need not have weight is hard to tell.

INSURGENT WOODMEN FIGHTING IN LINCOLN

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 29.—(Special.)—If insurgent Woodmen in Lincoln have their way, Head Consul A. R. Talbot will not head the Modern Woodmen of America after the next election.

Representative of local camps met in the city last night and listened to speeches by James V. Beghtol, president of the national committee and A. L. Corey of Clay Center, who are opposed to the proposed change in rates as advocated by the head officers.

Mr. Beghtol denounced the proceedings of the last head camp as "machine control," and that master politicians put up the bill of fare and forced it through against the best judgment of the delegates. Delegations were forced to vote against their instructions. As an instance of how the unfairness was shown one delegation representing salaries of \$2,500 voted against for the raise in rates while another delegation of twenty-three representing salaries of only \$750 voted against the raise.

Mr. Corey said in his remarks that he was not looking for any office, but was fighting for the grey haired men of the order and would work for the removal of every head officer from consul down.

"The store with a conscience"
Don't be misled by too much cheap talk on clothes

Remember it's the *quality* in the garment, not the *price* on the garment that gives the service. This store never has sacrificed quality in order to gain a point in price.

To duplicate our Suits and Overcoats **\$15-\$20-\$25** would cost from \$5 to \$10 more elsewhere

The extra quality that we insist must go into the several parts of every KING-PECK garment during its construction, the severe examinations and tests that every Suit and Overcoat must undergo during the various stages of its making, positively eliminate all chances for skimping in either quality of fabric or workmanship. All clothes sold here must come up to the rigid standard of excellence adopted by this store; that's why we claim to offer the best **\$15-\$20-\$25** clothes values in Omaha at.....

SHARP ENJOINS COMPANY

Traction Company of Lincoln in Legal Controversy.

WOULD ENFORCE AGREEMENTS
Physical Valuation Experts of State House Will Leave at Once to Take Up Engineering Business of Their Own.

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 29.—(Special.)—President W. E. Sharp of the Lincoln Traction company secured in district court today an injunction restraining the new board of directors, selected last week by the stockholders, from taking office and electing officers at an election called for this afternoon.

In the election recently held the Sharp interests secured five of the board of directors, the Scudder interests five and the Moore syndicate one. This placed the balance of power in the hands of the Moore people, through their representative on the board, Sanford B. Ladd, who lined up with the Scudder people, putting Sharp and his directors in the minority.

Under this agreement Sharp transferred his interest in the Loup river project which he had received from Arnold C. Koenig, with an option on all lands secured along the project held by C. T. Boggs and himself, to the Commonwealth Power company.

Still another agreement is claimed which provides that whenever any company is organized covering the interests named, Sharp and his associates should have places on the board of directors.

Experts to Leave.
The state is to lose the services of three of its experts in the physical valuation department of the railway commission.

Shellenberger Case Given to the Jury

AUBURN, Neb., Nov. 29.—(Special Telegram.)—The case of the state against Fuller Shellenberger was presented to the jury this evening. The morning session was taken up by testimony of members of the insanity commission and examination of Mr. Lech, baker, of Omaha. The court read his instructions to the jury.

Dr. I. H. Dillon of Auburn and S. J. Crudup of Julian testified in regard to mental conditions of the defendant. Dr. Dillon stated in substance that Shellenberger's mind was normal and unaffected by any disease, but that his intellect was of a low order and undeveloped. Dr. Crudup's testimony was practically the same. Argument of counsel to the jury occupied the entire afternoon, each side taking about two hours and a quarter for their presentation of argument. The case was placed in the hands of the jury at 6 o'clock. It is not thought a verdict will be reached before Sunday.

The court room was packed to its capacity and many stood outside in the corridors. One boy fainted as a result of the crowded condition of the room.

Notes from Tecumseh.
TECUMSEH, Neb., Nov. 29.—(Special.)—Rev. H. W. Bohbert, who has been pastor of the Tecumseh German Lutheran church for the last few years, has resigned the charge. He has accepted a call to the church at Campbell. His congregation tendered him a farewell reception at the parsonage last evening.

Miss Josephine Mommens, daughter of Mr. and Mrs. August Mommens of near town, began the erection of a large frame building thereon. The gentlemen are going to establish an ice making plant, cold storage and wholesale ice cream factory. The plant will cost \$12,000.

The "Tecumseh Ticklers," a minstrel organization made up of members of the Tecumseh military band, gave their annual minstrel performance at the South theater on Wednesday and Thursday evenings. The house was crowded both nights, the boys netting a sum of over \$200.

Auto Upset Near Anselmo.
ANSELMO, Neb., Nov. 29.—(Special.)—While returning from a dance at New Helena Thursday morning, George Moore lost control of his car and ran into a telephone pole, breaking the pole off close to the ground and badly wrecking the machine. He had four passengers with him and these were spilled out on the prairie. Fortunately none were seriously hurt, Moore being considerably scratched up and bruised, while the others escaped with a shaking up.

Allegation is Made Padrone System Used

MASON CITY, Neb., Nov. 29.—(Special Telegram.)—Sensational charges that the padrone system was being operated here and that foreman of crews of foreign laborers were securing from \$10 to \$25 per month per man was revealed today by the victims. Foremen on the Minneapolis & St. Louis railroad are among accused.

SMALLPOX AND SCARLET FEVER NEAR SCOTT'S BLUFF

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 29.—(Special.)—Dr. Wilson of the State Health Board received a message this morning from Mayor McCaffrey of Scott's Bluff asking him to come at once to that city to look into several cases of smallpox and scarlet fever there. Dr. Wilson left this evening. He has also received notice that there are several cases of smallpox at Minatore in the same county.

Diamonds

A Diamond is the one article of adornment which does not deteriorate with "Time." In buying them it behooves one to be sure that they are getting what is paid for. "Perfect cut" or "perfect color" is misleading as it does not mean a perfect or flawless stone. 23 years as dealer in diamonds has caused us to have "Diamond Prestige" which we guard zealously. Our Diamonds are so priced that we give a written guarantee with each sale agreeing to buy back at any time within one year at price paid, less ten per cent—full price allowed in exchange at any time. We solicit your patronage on the basis of **quality and value.**
