democrats in their consideration of the administration currency bill in conference threatened to extend the meeting over into next week. Practically no material amendments were made in the draft as presented by Chairman Owen and the five administration democrats on the

banking and currency committee. Several senators ventured the opinion that the conference would be unable to conclude its consideration of the bill before next Tuesday or Wednesday. The leaders still hope, however, to present the bill to the senate on Monday.

Arrangements were made today for opening of the regular session of congress on Monday, Acting Majority Leader Johnson of the house, at the request of the president, conferred with Senate Leader Kern, and it was arranged to have the president read his regular messuge to congress at a session Tuesday afternoon at 1 o'clock.

Woman Killed Self Theory of Defense in the Craig Trial

SHELBYVILLE, Ind., Nov. 29.-Imposing legal forces lined up today and engaged in the preliminary skirmish of is trial of Dr. William B. Craig of THIRTY AN INTERESTING AGP Indianapolis for the murder of Dr. Helene Knabe. Thirty-one veniremen were exam-ined today and the questioning of venire-Period of Woman's Life Invested men will be resumed tomorrow morning. Six veniremen were excused through preemptory challenges by the defense and Who is 30? Where is 30? What is the five on demand of the prosecution.

Stress was laid by the prosecution examiners on circumstantial evidence and no talesman who acknowledged that he would not convict as readily on evidence of this character as he would on direct evidence was accepted by them. Equally insistent were the defendant's lawyers that no man should hold a seat in the jury box who had formed an unalterable opinion that Dr. Knabe was murdered. There was every indication that the sccused veterinarian and his lawyers would support strongly the police theory of

Significance was attached by some to this question, asked by Henry Spaan, of counsel for the defense: "Would you have any faifth in evi-dence obtained through spirtualism?"

The invariable snawer was "Ne."
It seemed certain tonight that Harry C. Webster, the private detective who worked up the case on behalf of the Indianapolis Council of Women, would be the principal witness for the presecu-tion. Dr. Craig remained at liberty tonight under \$15,000 bond he furnished when he was arrested. He returned to Indianapolis on an

evening train. Outlook Favorable For Settlement of Schenectady Strike

20 as the jumping-off place. But 30 ts SCHNECTADY, N. Y., Nov. 20.-Prospects for an amicable settlement of the strike at the General Electric company's plant are brighter tonight than at any time since the 14,000 employes walked out Tuesday. After a five hours' conference company officials and strikers' ignated in the want ads, the age beyond representatives failed to reach a definite which a woman may safely go if she agreement, but announcement was made takes her youthful looks with her-that that "the outlook is favorable." Another conference will be held tomo

row morning. more attractive at 30 than they ever It is currently reported that the company officials have agreed tentatively to reinstate all the strikers, conditional, full when a woman is 18 or 20, and is and to resume operations Monday on faded almost past recognition by the part time.

If this is true, Frank L. Dujay and time she is 30. But most women are Miss Mabel Leslie, whose discharge caused the strike, will go back to their places.

It is understood, however, that the strikers will consent to the removal of Dujay and Miss Lesile and any others if the company can demonstrate that their work was unsatisfactory. The officiels have asserted the laying off of the two leaders was due to a policy of re-trenchment. Labor leaders have declared it resulted from their activities in union circles.
