You will enjoy genuine comfort if you wear the right kind of clothes.

Our Kensington suits are that sort of clothes and they give you comfort in two ways:

First, physical comfort which results largely from their fitting-quality. Kensingtons are known throughout the state as the clothes which "fit and stay fit." They are designed, cut and tailored with masterful precision and therefore adapt themselves to your body with satisfaction giving ease.

Second, mental comfort which arises from the fact that Kensingtons always reflect the popular fashion tendencies of the season without being freakish; furthermore, they are made-up in handsome fabrics, shown only by us, and they are tailored with a finesse and finish which stamps them with distinctive individuality.

Thus, if you wear a Kensington, you will always be comfortable—always be satisfied to appear anywhere in any well-groomed company.

If you need new clothes before the holidays, why not let us show you!

WANT MASON-DIXON LINE

Valley Athletic Men Keep Color Action Deep Secret.

MEMBERS MEETING AT AMES

Seasons Will Continue Over Today. When Training Table Will Be Discussed and Other Agreements Entered Into.

AMES, Ia., Dec. 5.—(Special Telegram.)—The faculty board of the Missouri valley conference meeting here today did not take any action on the color question as it bears on the case of a negro playing on a conference team. Prof. W. G. Manley of Missouri university, secretary of the faculty representatives, declared that not a word was mentioned about the matter and said it was hoped that nothing more than has been said would be said.

It was intimated this morning that if any action was taken it would not be given to the press. Again it was said that after the Kansas-Nebraska squabble in foot ball action could not be avoided gracefully. It is suspected that a "sentiment" will be expressed before adjournment compelling a "Mason and Dixon" understanding. The training table will be discussed tomorrow.

No action was taken on a proposal to prevent coaches and trainers from coaching from the side lines. The "A. B." rule, which has existed to prohibit men who hold college degrees from playing in conference athletics, was abolished on the ground that it was useless. The foot ball training season cannot be begun before September 25.

The annual meeting of coaches and managers in May at the time of the conference field and track meet was abolished, since each institution has a coach and trainer there.

Dr. R. G. Clapp of Nebraska, president of the conference, who is confined in a Lincoln hospital, was represented by Prof. G. E. Barber, who is acting president. The other faculty representatives are: J. O. Hamilton, Kansas State Agricultural college; E. W. Murray, Kansas; D. W. Morehouse, Drake; W. G. Manley, Missouri, secretary-treasurer; W. E. Court, Washington; S. W. Beyer, Ames.

Coaches and Managers—Guy Reed, Nebraska; Clyde William, Ames; C. L. Brewer, Missouri; W. O. Hamilton, Kansas; Guy Lowman, Kansas Athletic club; W. P. Edmunds, Washington; John I. Griffith, Drake, and Arthur Mosse, Kansas.

SUCCESSFUL BASE BALL SEASON AT SUPERIOR

SUPERIOR, Neb., Dec. 5.—(Special Telegram.)—Roy King was today elected president of the State league club here. The last season closed with cash on hand in amount ahead of any year. There close to 1800 paid admissions, a record for this city.

President Felt has invited the St. Paul American association team to take its spring training season here.

Bellevue Sophs and Freshies Indulge in "Some" Basket Ball

Three more games have been played in the inter-class tournament at Bellevue. The first contest ended by the sophomores putting it over the prep to the tune of 28 to 12. The game was rather slow on account of the inexperience of the younger class and after the sophs took the lead in the second half the academy boys had no show. Stookey and Cummings tallied for the sophs while R. Quackenbush blocked the attack of the opposition. Fowler of the prep proved invincible the first half, but failed to "connect" in the second. The second game between the prep and freshies showed decided improvement in team work on both sides. Kenner, freshman, was sure of his points whenever he could evade Gustafson, the big prep guard, who stuck to him like a leech. Finally the freshmen forwards got loose and the game was a runaway. The final score was 25 to 7.

The third game, which was by far the most interesting of any yet played, went to the seniors, who in the last half minute of play won from the sophs by a difficult goal shot by P. Quackenbush. This game afforded some of the best guarding seen around the local field. Time and again the seniors rushed the ball to their goal, only to be blocked by R. Quackenbush or Stookey before a goal could be shot. The contest was not decided until the last minute of play.

TO DISCUSS ATHLETICS WITH HIGH SCHOOL BOYS

Conferences of high school boys out in the state under the auspices of the state committee of the Young Men's Christian association, begin today, and will be held at various towns during the early winter. Clean athletics, along with other questions in high school affairs, will be discussed by the boys, in whose hands the entire program and work of each conference is placed.

General Secretary E. F. Denison of the Omaha association has gone to Hastings to attend the conference there today and Sunday. At Fremont another conference will be held the same days. Ross L. Hammond, collector of internal revenue for Nebraska; Rev. Titus Lowe of Omaha and J. Dean Ringler of South Omaha will speak at Fremont. The latter is chairman of the association boys' work in the state. Fairbury, Holdrege, Wayne, Neligh and other towns will hold conferences later.

X-UNIS TRIM BLUFFS FIVE

Defeat East Y. M. C. A. Team by Score of 21 to 25.

CLOSE UNTIL LAST MOMENT

First Half Closes Six to Twelve in Favor of Council Bluffs, but Collegians Edge Up and Finally Win Out.

In a game without features but marked with the hardest playing witnessed on the Young Men's Christian association floor this season, the X-Uni basket ball quintet defeated the Council Bluffs Young Men's Christian association team by the score of 21 to 25 Thursday evening.

The game was remarkably fast. Excellent team work on both sides held the score to the low point.

The Council Bluffs team started out by making a number of points in the first few minutes of play, but as the game progressed they were unable to continue their work. Each basket was fought for as if the entire game depended on the outcome. For the visitors Montgomery at center did remarkably good work in the first half, showing up rather conspicuously among his team mates. The first half ended with the score 6 to 12 in favor of the Council Bluffs team.

In the second half the collegians gradually overcame the lead of their opponents until the score became even.

From now on neither side seemed to gain much of an advantage over the other. As fast as one side made a basket it seemed as if the other side would also make one, so that it was any side's game up to the last few minutes of play.

The brilliant work of Noland, who succeeded Haskell at right forward in the last half of the game, saved the collegians from defeat, as it was his playing that was responsible for twelve of his side's points. Lineup:

X-UNIS: NAGAL, L.F. (L.F.), RICHARDS, HASKELL, R.E. (R.F.), THOMAS, PAULSON, C.C. (C.), MONTGOMERY, JONES, R.G. (R.G.), SUTHERS, AMBERSON, L.G. (L.G.), SMITH, REFEREE, WARD. Time of halves, fifteen minutes. Field goals: X-Uni, 2; Nagal, 2; Noland, 3; Anthes, 1; Haskell, 1. Free throws, Anthes, 1. Field goals, Council Bluffs, Richards, 1; Thomas, 1; Montgomery, 4; Smith, 2. Free throws, Richards, 2; Thomas, 1. Substitutes: Noland for Haskell; Anthes for Paulson.

ALL-WESTERN TACKLE FOR LAST YEAR DEAD

IOWA CITY, Ia., Dec. 5.—James Trickey, the University of Iowa and all-western tackle for 1912, and the choice of some critics for the all-American team, died this afternoon of peritonitis, following an operation, according to a message for Iowa Falls, where he was living.

Pittsburgh Team Wants Joe Tinker

CHI. AGO, Dec. 5.—Fred Clarke, manager of the Pittsburgh team, and Joe Tinker, former manager of the Cincinnati Reds, conferred here today.

"We want Tinker and we will bid for him at the National league meeting at New York next Tuesday," said Clarke. "How about Wagner?" he was asked. "Well, we haven't got Tinker yet," was the reply. Tinker said he would be glad to play with the Pirates.

FULTZ DECRIES THE REPORT MEN GOING TO FEDERAL

NEW YORK, Dec. 5.—President David J. Fultz of the Base Ball Players' fraternity issued a statement tonight in which he decried a report that a number of major league ball players, members of the fraternity, had signed contracts to play with various clubs in the Federal league in 1914.

Stovall Active. Rumor has it that Baumgardner, Agnew, Williams, Wellman and Lovengren will jump the majors and join the Federal league. It is reported that Baumgardner, Agnew and Williams have already signed to play with George Stovall's Kansas City Federal league team.

Huskers and Notre Dame Will Seek Way Into the Conference

CHI. AGO, Dec. 4. Three universities, Notre Dame, Nebraska and Marquette, will seek to become members of the "Big Nine" conference at the meeting of the latter here Saturday.

Of the three Nebraska is thought to have the best prospects. Marquette has not shown strength enough in recent games to push its claims very strongly. Both Notre Dame and Nebraska abide by the conference athletic regulations. This year is the first, however, that Notre Dame has adopted the "Big Nine" rules. By insisting on scholastic standing of participants in athletics and barring freshmen, Jesse Harper, coach of Notre Dame, it is conceded, has done much to commend the South Bend institution to conference approval.

The Nebraska team went through the foot ball season without a defeat and numbered among its victims Minnesota and Iowa. Nebraska is the strongest member of the Missouri Valley conference and annually is forced to go outside its organization to find worthy opponents. Its geographical location is such as to ensure inter-sectional games that will decide the championship of the middle-west.
