IS NOW FIGHTING LOAN SHARK

J. F. Anderson Files Suit for \$10,000 Against Jules Althaus.

LOSES JOB AND HIS WIFE

Althaus that He Paid Two Hundred Dollars on Eighty-Dollar Debt and Company Claims He Still Owes \$175.

Having paid more than \$200 on an original debt of \$80, lost several jobs as a result of persecution and been divorced by his wife on the ground of non-support, James F. Anderson, a laborer, has turned to fight the loan sharks and has brought suit in district court for \$10,000 against Jules Althaus, proprietor of the Duff Green Loan company.

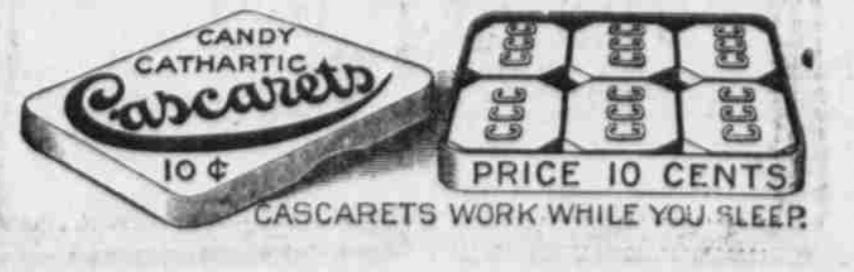

Anderson relates in his petition a story of persecution lasting for more than five years. In 1907, while employed by the city as a fireman, he purchased a piano from the loan company at a price of \$60 and borrowed \$25. He agreed to pay \$5 a month and gave the defendant an assignment of his salary.

During more than three years, Anderson says, he drew only one pay check himself. The loan company each month collected his pay, amounting to \$60, kept \$20 and gave him \$40.

Anderson relates that he lost his job as fireman as a result of Althaus' oppression.

Garbage collection will be continued during December, although with not as great regularity as during the last three months, according to Garbage Master McDonald. Arrangements have been made to have the garbage removed by a private company.

Blood

is the fluid life of man, and for the maintenance of good health it should be sufficient in quantity and not be allowed to deteriorate in quality.

Bad Blood

Means rapid decline in health and the appearance of scrofula, eczema, boils, sores, rheumatism and a long train of foul and painful diseases.

Good Blood

Is produced by taking the proper medicine, the one originated and especially prepared to act upon the blood and through that upon all the organs and tissues of the system. That MOOD'S SASSAPARILLA does this most successfully is shown by its record of more than one-third of a century in relieving all forms of blood diseases. Prepared only by C. I. DON'TS FOR BUSY SHOPPERS

List of Things Not to Do While Down Town or at Home.

WILL BAFFLE HOLIDAY CROOKS

Observation of Advice Here Given Will Secure Safety for Purses and Packages and Prevent Thefts and Swindles.

The New York police department has sent out a list of "Don'ts" for the guidance of Christmas shoppers. The advice given is good, not only for the Christmas season, but for all seasons, and is just as applicable to shoppers in Omaha as in New York. The list is here reprinted, with the suggestion that all follow the advice given, as it means safety against pickpockets and sneak thieves, and security at all times:

"Don't receive and pay for C. O. D. packages until you have examined the contents.

"Don't display money.

"Don't leave your handbag in the baby carriages under the pillow.

"Beware of persons who call after the delivery of a package, representing that the package has been delivered by mistake.

"Don't purchase jewelry on the street.

"Don't carry your purse in your hip pocket.

"Don't be hoodwinked by any person who claims you have dropped your handbag and shows you a pocketbook containing money. Be sure that you have your pocketbook for this is a swindling game.

"Don't leave the room of your apartment in which a messenger delivers a package to show its contents to another member of the family and permit the delivery messenger to await your return.

"Don't enter into coin matching on the street."

Douglas Street to Widened and to Be Extended to West

Commissioner McGovern will introduce an ordinance before the city commission which will increase the width of Douglas street from Twenty-fifth to Twenty-fourth streets by ten feet. It is McGovern's idea to extend the width of Douglas street five feet on each side because of the increase of traffic on that thoroughfare.

This ordinance will follow right in line with the proposition to open Douglas street from Twenty-fourth to Twenty-fifth avenue, which would make Douglas street an open thoroughfare from the bridge to Curtis-Turner park.

PETITION THAT DODGE STREET BE CLEANED UP

Residents of Dodge street, west of Fortieth, have petitioned the city cleaning department to get busy and cart off some of the gumbo that is making that thoroughfare a perfect terror for motorists and teams. West of Forty-eighth the citizens of Dundee are active and have some ten men at work hauling away a lot of the muck.

Some of the lower places along the street are a fright.

The Man Who Neglects Himself
When his condition points to kidney troubles takes an unwise risk. Backache, pain and soreness over the kidneys, nervous or dizzy spells, poor sleep, are all symptoms that will disappear with the regular use of Foley Kidney Pills. They put the kidneys and bladder in a clean, strong and healthy condition, and rheumatic pains, stiff joints, lumbago and irregular bladder action are all relieved promptly when Foley Kidney Pills are taken. Chicken Ranchers from State Offer to Supply Eggs

Many women are joining the egg boycott started Thursday by the Woman's club, according to Mrs. F. J. Burnett, who was a leader in organizing the movement.

Club and church women, housewives who do their own cooking, mothers' clubs, domestic science teachers and other women are falling into line to force down the price of eggs.

Encouragement of the proposed housewives' league, whereby Omaha women plan to eventually cut out the middleman in the egg business and get fresh produce direct from the country, has been received by Mrs. Burnett. N. M. Johnson, incubator manufacturer and chicken rancher at Clay Center, Neb., has written to offer a large supply of fresh eggs to the Omaha boycotters, as soon as they arrange to handle the distribution of the hen fruit here.

As other egg producers out in the state are also willing to make regular shipments of fresh eggs to the women, it is thought that the local boycott of all eggs will soon be called off and that they can use the product without being bothered with high prices or cold storage goods.

IF YOU ARE NERVOUS

or worried or vexed at trifles, your vital forces are slowly but surely deteriorating.

Scott's Emulsion overcomes nervousness better than anything else because its nourishing force enriches the blood and stimulates its flow to all the tissues and bathes the tiny nerve cells in the rich plasma by which they are nourished.

Shun alcoholic substitutes that stimulate and stupefy. Take Scott's Emulsion for your nerves. Its nutritive power is the greatest help that nature affords.
