MADISON, Wis., Dec. 5.—Whether an act of the Canadian Parliament will enable the Independent Order of Foresters of Toronto to do what otherwise is admitted to be a violation of the obligation of its contract with the majority of its 14,000 members in the United States is a question of importance raised in the report made today on the society by the insurance departments of Illinois, Nebraska and Wisconsin.

The question raised is said to affect every person holding a policy of any kind by an insurance company of an organization of a foreign country.
