

Monday, May 19, 1913.

HE concert given by Max Landow at the Brandels theater for the benefit of the Sacred Heart academy is already an assured financial success. The theater has been donated by a prominent business man and all of the boxes and seats on the lower floor were sold several days in advance. Miss Stella Hamilton, Mrs. W. G. Colling trial in this term of district court that and Mrs. MacMillan Harding, alumnae of Sacred Heart, bave had charge be was prejudiced against damage suits of the tickets and have been unusually successful.

Mr. Landow has arranged an unusually interesting program, assisted agreement in the case of John H. Frisch by Martin W. Bush.

Bankers Realty Investment Company

Stock Advances Soon

You owe it to yourself to investigate this investment because it affords the greatest earning capacity, consistent with absolute safety, that the Omaha Investment Field has to afford.

This Company's business-that of transforming Omaha's vacant lots into high grade home places is large today and is increasing rapidly; so that in buying our stock today you are making an investment in an enterprise which is already doing a satisfactory business-and on an established dividend-paying basis.

The work we are doing in Omaha should merit your active support for three reasons:

1st. Because this Company is a home institution whose primary purpose is that of creating greater Real Estate values in our home city.

2d. Because this business of improving Omaha Real Estate and thereby creating greater values will net large profits, and you will share proportionately the protits of this great development work if you are a stockholder in this Company.

3d. Because the security we offer our stockholders is based on the ownership of valuable Real Estate and Mortgages on Real Estate—which is universally considered the best se-
