

CONFLICT IN EXCISE LAWS

Lincoln Board May Have Granted Licenses Without Authority.

COMMISSION BODY TO ACT

Discovery Made that Senate and House Bills Bearing on Same Subject Carry Apparent Contradictions.

From a Staff Correspondent. LINCOLN, May 20.—(Special.)—A condition of things has been found to exist by reason of the passage of two bills covering the commission form of government which may result in trouble for the city of Lincoln.

It has been discovered that S. F. 46, creating an excise board for the city of Lincoln and defining its duties, conflicts with H. R. 14, which also passed and was approved by the governor three weeks later, providing that any city with a population of 1,500 and over might adopt the commission form of government as its special object.

Each of the bills passed with the emergency clause, but the house bill, which passed last and was signed last, wipes out the provision for an excise board, giving the duties to the regular commission.

What effect this may have on Lincoln everybody here is fighting shy of passing an opinion, though Mr. Broady of the code commission, after looking the matter up hurriedly is of the opinion that the house bill is the bill which will govern in the case. If so, there may be another dry spell in the capital city for the present saloon licenses would not have been issued by a board having authority.

Section Men Injured. CLARK, Neb., May 20.—(Special Telegram.)—Joseph Pechota, section hand, had his leg broken by accident on a hand-car two miles west of Clark.

For sale in Omaha by Sherman & McConnell, Druggists, 16th and Dodge, 14th and Hayes, 24th and Farnam and Leva Hotel Block.

Ayer's Hair Vigor Just a little care and small expense, that's all. Isn't a head of rich, heavy hair worth it? Ask Your Doctor.

Central Board Holds Meeting and Organizes

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—The board of control, or rather the "advisory board of control," as it will be known until the time comes for the board of control to come into its own, was in session this morning but had nothing to give the public in the way of organization. Under the law, the member appointed to the shortest term will be the chairman for the next two years, and thus Judge Sias A. Holcomb will be chairman for that period. At the end of that time the mantle will fall upon Judge Howard Kennedy, who holds the four-year appointment and will then take on the chairmanship. It will be four long years before Henry Geddes, the six-year holder leads the board.

All members of the board were in session early this morning and took up the matter of improvements at public institutions and more particularly the Lincoln Orthopedic hospital where a new laundry and building is being built. State Architect Burd F. Miller of Omaha met with the board and they went over the proposition which confronts putting in a foundation for the building, it being discovered that an old cesspool, about thirty feet deep, on the corner of the building will stand in the way. Mr. Miller thinks that he will have little trouble in solving the problem by putting in a steel girder across the pool and using sufficient means to prevent future caving in of the place.

Pardon Board Grants Request for Discharge

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—Applications for discharge before the pardon board at its last session have been granted in the following cases, coming under the intermediate sentence law: Carl Sorensen sent up from Adams county for larceny, was received at the penitentiary January 22, 1912, and after serving ten months, was paroled November 22, 1912. Everett Dye, Adams county, burglary, was received August 8, 1911. Served fourteen months, was paroled October 2, 1912. Ray E. Griffith, Richardson county, embezzlement, was received October 19, 1912. After serving ten months he was paroled August 19, 1912. Frank Griffin, Douglas county, manslaughter, received April 11, 1911. Served sixteen months and was paroled August 2, 1912. A. B. Carter, Douglas county, shooting to kill, received May 20, 1911. Served fifteen months and was paroled August 20, 1912. Thomas Sheldon, Richardson county, burglary, received October 20, 1911. Served one year and on October 19, 1912, was paroled. Carl Staasheim, Gage county, forgery, received December 30, 1911, was paroled August 19, 1912, after serving seventeen months. Charles Morgan, Washington county, burglary, received July 18, 1911. After serving fourteen months and over, he was paroled. These men have been recommended for final discharge on account of exemplary conduct while at the prison and during the time they have been on parole and under the indeterminate law are entitled to a discharge.

NEMAHA COUNTY PIONEERS DIE AFTER LONG ILLNESS

AUBURN, Neb., May 20.—(Special.)—Joseph W. Huntington, an old settler and retired farmer, died at his home here yesterday evening. He was 80 years of age and had been in failing health for some time, being afflicted with Bright's disease complicated with ear trouble. He was a veteran of the civil war, and is survived by his aged widow. They had no children, but adopted and reared a boy and girl. Mrs. Henry W. Dryer died at her home yesterday, after long illness with cancer. She was about 50 years of age. She is survived by a husband, two sons and a daughter. Word has just been received here of the sudden death of Albert J. Burnham at Clinton, Okl. Mr. Burnham dropped dead in his law office. He lived here several years and left in 1900. He was county attorney for two terms, and was one of the republican candidates for electors for this state in the presidential campaign of 1896. He was also a member of the legislature from one of the western counties before locating here. He was about 70 years of age and was one of the youngest soldiers during the war of the rebellion, belonging to one of the Iowa regiments.

JOHNSON COUNTY BANKS RAISE RELIEF FUNDS

TECUMSEH, Neb., May 20.—(Special.)—Through an effort put in motion by Hon. William Ernst of Tecumseh sums amounting in all to \$212.11 have been raised at the several banks in Johnson county for the Omaha tornado victims. The amounts have been forwarded to the treasurer of the relief committee in Omaha. In addition to this the church societies of the county have forwarded relief funds to their different denominations and individuals have given direct and through the newspapers. At least \$400 has gone from this county. The collections through the banks of the county are reported as follows: Merchants, Sterling, \$12.25; First State bank, Sterling, \$1.25; Bank of Crab Orchard, \$1.50; First State bank, Council Bluffs, \$1.00; Farmers bank, Cook, \$4.00; Vesta State bank, Vesta, \$7.00; State Bank of Elk Creek, \$12.50; Citizens State Bank of St. Mary, \$4.50; Tecumseh National bank, \$30.40; First State bank, Tecumseh, \$19.70; Total, \$212.11.

GENEVA HIGH SCHOOL STUDENTS HONOR WARING

GENEVA, Neb., May 20.—(Special.)—On Saturday night Geneva turned out en masse and met the state visitor of debate, Robert Waring, at the station, led by the band. His fellow students placed him in a buggy and drew him to the hall, where a reception was given. The program of the field meet was stopped last Friday by a heavy rain. News was received Sunday afternoon of the death of little Marie, daughter of Mr. and Mrs. Charles W. Taylor of Lincoln, but formerly of Geneva. Mr. Taylor was superintendent of the Geneva schools for three years. A reception was tendered Rev. George St. G. Tyrer of Toronto at the residence of Mr. and Mrs. Page last Saturday evening by the members of the Trinity Episcopal church, which Mr. Tyrer has been serving for the last seven months. He is now to return to his home in Canada. Key to the Striplin-Dee Advertising.

STORM HITS VALPARAISO

Small-Sized Twister Unroofs Few Buildings in Town.

HEAVY RAIN OVER STATE

Eastern Nebraska and Southern Counties Receive Torrent, Accompanied by Severe Electrical Display.

VALPARAISO, Neb., May 19.—(Special Telegram.)—A small twister, or rather the small twister, fell upon Valparaiso tonight shortly after 8 o'clock and did considerable damage to business and residence property, but caused no loss of life.

A garage was wrecked, an elevator unroofed and lumber yard sheds and a livery barn were unroofed. Several houses were damaged. Trees were uprooted and wires blown down. The lighting plant was inoperative after the storm because of the tangled wreckage of wires and poles.

The following buildings were damaged: Valparaiso Auto company, front blown in and roof damaged, considerable damage to stock; owners, A. C. Abbott of Adams and C. L. Lynch.

Valparaiso Grain and Lumber company, elevator unroofed and lumber sheds wrecked. Livery barn of John Oeschger, unroofed. Will Haberlan, residence unroofed. W. C. Stock, A. Gessler and Jamieson Implement company store fronts wrecked. The lumber from the local yard was blown through the Richardson home causing considerable damage, but no one was injured here or anywhere else in the city.

The storm appeared to have three distinct points of attack, in the west, east and north parts of the town. Considerable damage was probably done north-east of town, though fallen wires prevented the receipt of accurate reports of loss tonight. The storm was accompanied by a tremendous electrical display and rain fell in torrents afterward.

Clay County Crops in Fine Condition

(From a Staff Correspondent.) LINCOLN, Neb., May 20.—(Special.)—Judge Palmer, who represented Clay county in the lower branch of the legislature last winter, serving as a democrat, was a caller at the office of the governor this morning and told the newspaper men that the prospects for a small grain crop were never better in his section of the country. "We ought to get nothing less than forty bushels an acre from our wheat fields" said the judge, "and the prospect for corn is fine. One of my neighbors went out into his field yesterday planted to corn the latter part of last week, and dug down to see how the corn was coming. He found the kernels sprouting with roots three and four inches long, while the sprouts were climbing toward the surface astonishingly well. This rain will not hurt the corn, unless it gets cold, which at this time of the year is not to be expected."

Commencement Days

BRADSHAW, Neb., May 20.—(Special.)—The Bradshaw high school alumni banquet was held in the parlors of the Whitfield cafe Saturday night. Thirty-eight of the alumni were present. The principal address was delivered by Judge Wray of York, on "The New Patriotism." Miss Gaynelle Fay was toastmaster. The address of welcome to the class of 1913 was given by Miss Mattie Steinberg and was responded to by Miss Erma Lincoln. The new officers elected were Dr. Gwynne Yoder, friend, president; Otis DeVal, vice president, and Miss Mary Vandenberg, secretary and treasurer. STELLA, Neb., May 20.—(Special.)—Elder J. W. Sapp of Nemaha, preached the baccalaureate address to the high school graduates at the Baptist church, Sunday evening. His theme was "Full Equipment," which he explained means "nothing lacking."

The graduates are Lester Vandevanter, Carlton Knight, Misses Elsie James, Wauwata Williams and Laura Chaney. The graduating exercises will be held in the opera house Friday evening. Dr. Schenell of York college will deliver the class address.

NEBRASKA FAIR MANAGERS HOLD MEETING AT LINCOLN

(From a Staff Correspondent.) LINCOLN, Neb., May 20.—(Special.)—The board of managers of the Nebraska State Board of Agriculture met this afternoon shortly after 2 o'clock in the office of Secretary Mellor. Among those present were: Joseph Roberts of Fremont, first vice president; J. A. Oils of Ord, second vice president; C. H. Kuds, of Lincoln, chairman of the board of managers; Peter Youngers of Geneva and John F. McArdle of Washington. Owing to his recent illness, President I. W. Haws of Minden was unable to be present. A number of bills were allowed. Late in the afternoon the appointment of several judges was considered and improvements at the state fair grounds discussed.

Health a Factor in Success. The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels, but improve the appetite and strengthen the digestion. They are sold by all druggists. Advertisement.

PUTS AN END TO BACKACHE MAKES WEAK KIDNEYS STRONG

A Few Doses Give Relief, Helps Lethargic Organs Regain Health, Strength and Activity. It is useless, dangerous and unnecessary to be tortured with the signing, but slight symptoms or the most chronic, aggravated case of kidney, bladder trouble, or rheumatism that it is possible to imagine, for the very principle of Croxone is such that it is practically impossible to take it into the human system without results. It does not matter whether you have but slight symptoms or the most chronic, aggravated case of kidney, bladder trouble, or rheumatism that it is possible to imagine, for the very principle of Croxone is such that it is practically impossible to take it into the human system without results. An original package of Croxone costs but a trifle, and all druggists are authorized to furnish the same price if it fails to give the desired results the very first time you use it.

Falls City Woman Attacked by Negro; Assailant Caught

FALLS CITY, Neb., May 19.—(Special Telegram.)—Walter Hallow, a negro suspected of a criminal assault last night upon Mrs. Anna Kelley of this city, was arrested at Hiawatha, Kan., tonight after a fight with officers, in which he was shot three times, but not dangerously wounded.

A negro followed Mrs. Kelley, who is a highly esteemed woman, housekeeper for Samuel Wahl, and dragged her into a small building in the residence part of town. Her outcries were heard, but not heeded, and when she escaped the assailant so terrified the householders that no alarm was given until this morning. Mrs. Kelley was choked and gazed at and seriously, though not dangerously, injured.

Hounds from Beatrice, put upon the track of the assailant, took a trail to the Missouri Pacific railroad track, and this, coupled with information that Hallow has been in Falls City yesterday, caused an order for his arrest to be telegraphed to Hiawatha, his home. He was taken from a Grand Island train on his arrival there. Hallow broke away from the marshal and was later discovered by a farmer hiding in a creek. Though wounded in the fight that resulted in his capture, he was hurried to Atchison for safe keeping, as threats of lynching were freely made. Sheriff Aldrich has gone to Atchison after him and he will be brought here for identification.

Notes From Upland and Franklin County

UPLAND, Neb., May 20.—(Special.)—The eighth grade pupils in the north half of Franklin county held their graduation exercises at Upland yesterday. Nearly 100 students took part. In addition to the regular exercises in the Modern Woodmen of America hall, basket ball games, base ball games and a picnic were held.

Upland is experiencing a building boom just now. The Larson-Nelson Hardware company has just gone into its new brick building. The Upland Drug company will occupy a fine new brick in about two weeks, and Jergen Jensen is building another fine brick for a meat market. The Cole Creamery company is now getting plans ready for a new brick to accommodate their local business.

Small grain and pasture is in the best condition that it has been in for about eight years and a bumper crop is looked for. Three of Upland's pioneer farmers died within three days last week. August Liske and Mads Mustoft died of apoplexy and Thomas Jensen of erysipelas. All of these men have lived here over twenty years, and their funerals, held on three successive days, were among the largest ever held in the county.

LINCOLN PHONE COMPANY WOULD INCREASE STOCK

(From a Staff Correspondent.) LINCOLN, Neb., May 20.—(Special.)—The Lincoln Telephone and Telegraph company is having a hearing before the railway commission on an application for permission to issue an additional \$1,000,000 in stock, made necessary, it is claimed, by consolidation of the Bell and Independent interests and further to increase the business of the company.

Clyde M. Barnard, secretary of the senate, was in his office today, having been at his home in Table Rock looking after his apple trees. Mr. Barnard says that the fruit outlook is very bright, and while the exceedingly wet weather has not permitted spraying of trees to any great extent, he does not think it will in any way interfere with the harvesting of a good quality of apples. There is yet time to spray the trees if the rains cease.

The work of getting out copy for the senate journal is progressing nicely and proofs have been coming back from the printer for several days. Mr. Barnard believes that the journal will be printed and ready for distribution by August 1.

RAIN CAUSES HIGH WATER; LIGHTNING BRINGS LOSS

BEATRICE, Neb., May 20.—(Special Telegram.)—As a result of the deluge last night the Blue river is almost out of its banks, having risen three feet today. The government rain gauge registers a rainfall of 3.66 inches. Loss of live stock in age county was quite heavy because of the lightning. One of the barns of Martin Witaki, near Cortland, was destroyed by fire and thirteen head of horses perished. Six head of horses and cattle were killed near Plymouth and the German Lutheran church when that place was struck by lightning and destroyed by fire. The loss is placed at \$300.

The Burlington yards were submerged but the road managed to get trains through. All trains are running about on time.

In some localities a large amount of corn was washed out by the rain.

BECKMANN APPOINTS HENSEL CHIEF CLERK

(From a Staff Correspondent.) LINCOLN, Neb., May 20.—(Special Telegram.)—Claude H. Hensel, deputy United States marshal, has tendered his resignation to accept the chief clerkship in the office of Land Commissioner Beckmann.

United States Tires are good tires Name the features that induced you to select the tires you are now using and we will more than match them in a United States Tire Was it a reputation for high mileage? United States Tires to-day yield an average mileage from 25 to 50 per cent. above the highest point ever reached by any tire maker previous to the organization of the United States Tire Company. Was it protection against rim cutting? United States Dunlop tires bear the first and only guarantee against rim cutting ever issued by any tire maker. Was it extra size? Compare cross section for yourself. Make a few caliper measurements, or ask any dealer or tire manufacturer who has investigated the matter, and you will find that no tire made has a larger average air capacity or larger diameter measurements than the United States Dunlop. USE YOUR OWN EYES! Was it ease of manipulation? The round toe, an exclusive feature of our Dunlop tire, makes this the most easily manipulated tire on the market. Most important of All—We have perfected and control a process that has practically doubled the fabric strength of United States Tires and reduced blow-outs to a minimum. Four-factory co-operative methods of manufacture (used exclusively in the manufacture of United States Tires) have enabled us to take every feature of superiority it is possible to put into a tire and combine them all in one tire. Mr. H. Anthony Dyer has just written us: "I have motored in Europe for six years, but never before have I had such satisfactory results from ANY tires as I have had from yours." Cost no more than you are asked to pay for other kinds. Omaha Rubber Co. DISTRIBUTERS 1608 HARNEY STREET United States Tire Company New York
