BENJAMIN'S PORTION FIVE-POLD students, until recently, that two classes of saintly Christians are being developed lowers, the apostles and others. during this Gospel age-a superior class, represented by Joseph, and an inferior class, represented by Benjamin. The word Benjamin means "son of my right hand," was given him by his mother, who died are working out for them a far more

in giving him birth. The Messiah class, of which Jesus is the vation for those who love Him. head, and will also give birth to another | The tribulation saints are vari great tribulation" to the blessing which to be heroes in the fight against the they shall inherit.

In order to present this view clearly, we must refer to Revelation, 7th chapter. There we are given the picture of 144,000, sealed in their foreheads. These are the same that are elsewhere represented as standing with the lamb. See Revelation 14:1-3; 15:2. This little group seems to represent the very elect, the little flock, to whom it will be the Father's good pleasjoint heirs with their Lord and Redeemer.

The sealing of the elect has been in progress for nearly nineteen centuries, Altogether, from Jews and Gentiles, there will be 144,000-kings and priests unto God, followers of the lamb, and His joint heirs in the kingdom. These constitute the spiritual seed of Abraham, to bless all the families of the earth. Natural Israel, however, still are heirs to the sec-

ondary promises. very elect, in the same chapter we have an account of the great company. All the circumstances attest that this great company before the throne, with palm branches in their hands, are a wholly difshare Messiah's throne and glory. This great company is elsewhere referred to symbolically as the "virgins," the bride's companions, who will follow her .- Psalm

As Women and Girls the Scriptures say, "Through fear of death they are all their lifetime subject to bondage"-bondage to the flesh, to the customs of society-fearful of the sacrifleing experiences which they covenanted should be theirs.-Hebrews 1:18.

For this reason they cannot be accepted mately prove faithful, loyal He purposes shall be granted everlasting life, even though they fall of joint heirship in the kingdom-the very thing to which they were invited. As it is written, "Ye are all called in the one hope of your calling."-

Benjamin's Pive Portions. abundantly to all his brethren. But to the young woman admitted she sat down Benjamin, his full brother, he gave five on the drag occasionally. Her brother portions. To Bible students it appears that since Joseph clearly typifies the Messiah, the blessings distributed to his brethren represent the favors that the Messiah will bestow upon natural Israel, His brethren according to the flesh, in addition to the general blessings which His messianic reign will give all mankind, represented by the Egyptians.

According to this picture, Benjamin would represent the great company class of the Lord's people, who will come up out of great tribulation to a higher plane The elect church, of which Jesus is the than the remainder of mankind. Begotten head, will indeed pass through tribula- of the Holy Spirit, like the church, they So it is written, "Through much will also be spirit beings, if found worthy tribulation shall ye enter the kingdom." of life. Committee of Club Inspects City Jail; Glad When It's Over

every style, from the pretty stripes to the members of the municipal affairs the dainty Dresden figures, in all the committee of the Commercial club thought of the city jail after an inspec tion tour through it yesterday afternoon They went into the cells, the kitchen, the matron's quarters and through the court Stylish, new printed Crepe de rooms, picking out the many flaws of ventilation, arrangement and general condition, and were convinced that Omaha has not an ideal prison for city lawbreakers. The odors and the closeness will make gowns the picture of dainty and inconvenience of the entire building. most of them said, were worse than they coolness for the coming Summer days, expected.

What will be the result of their jnspection trip none of them could say. Each declared he realised how badly Omaha needs a new jail or better facilities for keeping prisoners, but at the moment had no suggestion to make regarding Improvements. The Inspection probably will prove a stimulus for the committee.

The members have been discussing for some time the need of a new jall and have heard Commissioner Ryder on various occasions decry the conditions at the present place, and, now that they have seen for themselves, it is probable they will get together soon in endeavors to secure better quarters for the law-

After the visit to the jail the committeemen went over the switching facilities for the wholesale and factory houses on lower Harney and Howard streets and were told by those who had made a study of such conditions there that these houses and others being contemplated were badly in need of better facilities for freighting their goods.

At the next meeting of the committee work of improvement along lines suggested by the trip will be started.
