Some Man

In This Town

This Liberal Of-fer is Made by a Big Established Chicago Concern. Read Every Word -You May be the Man They Want.

One man in this town is going to thank good fortune that he saw this ad. He is to have a fine store — a steady business based on merit — customers who are satisfied and stay with him year after year — an income of \$50 a week — maybe more. Then too, he is going to be independent — his own boss.

We want a man in this town to manage an agency. We will help him start—supply him with all materials—give him the benefit of our nation-wide reputation and the sell-ing power of our name. We will back him up in every way and start him on the need to a big success.

We are the largest popular priced Tailor To The Trade house in America. Our clothes sell everywhere. They are the big bit season after season. Our agencies are making money hand over fat. There is a big future before a store in this town — big money for the man who mus it. We want to pay him \$3,009 a year. Many of our agents make that much and more.

Write and have us personally explain our proposition at once. Experience is not es-sential. Our effective new selling plan makes sales easy. We show you how. Write today and get the details. Remember only one man in this town can have the agency. You be that man. It's the chance of a litetime. Write today, address
