OMAHA WINS RUBBER GAME

Take Last Game from Des Moines in Pitchers' Battle, Three to One.

APPLIGATE HURLS FINE GAME

Rourke's Recruit Twister Defeats "Red" Faber, Allowing but Five Hits—Thomson Makes Three Hits.

DES MOINES, Ia., June 2.—(Special Telegram.)—Omaha took the long end of the series by defeating Des Moines, 3 to 1, in a pitchers' battle between "Red" Faber and Appligate, in which the latter had all the edge of the argument, including better support at the bat. The win makes two out of three for the visitors. The Rourkes started mixing things at the start. Justice began the melee in the opening frame with a triple, but he was caught between the bases on Coyle's single just back of third. Coyle went to third while they were putting Justice out and scored on Thomson's single.

Des Moines did not register until the third, although it looked like a tie-up in the second when a pair of singles put men on first and third with one down. Leonard fanned in the pinch and Fox was caught at the plate on an attempted steal. In the third round Appligate whiffed both Slight and Faber. Hahn nabbed a single and Fox brought him in with a triple.

Take Second Lead. The visitors promptly took the lead again in the fourth when Thomson doubled, was sacrificed by Kane and came in on Johnson's double along the first base line. Kane's double, a wild throw to second by Faber, and Congraton's sacrifice fly added a tally in the ninth.

It looked like a clean-up in the second when Congraton opened with a double and took third on a passed ball. But Johnson grounded, Grubb was retired in the same manner and Schipke fanned. Score:

Chance is After More Ball Players

NEW YORK, June 2.—Still further changes in the lineup of the New York Americans are being planned by Manager Frank Chance. The deal announced yesterday, whereby Borton and Zelder, the Chicago infielders, join the Yankees today in exchange for the veteran, Hal Chase, and the recent engagement of Peckinpah of Cleveland for shortstop are believed by Chance to have gone far toward strengthening the infield.

Another deal will be pulled off in a few days that will further help us," said Chance. "Caldwell will not be able to pitch any more, I fear, and I intend to make an outfielder out of him. He is a natural hitter and is very fast on the bases. His arm will permit him to make long throws, but will not stand the strain in the box. Gossett looks like a great young catcher and he will get plenty of work in the future? If our pitchers round into form, I feel sure that the team will do some climbing during our coming series at home with the western teams."

UMPIRE FITZSIMMONS MAY LEAVE THE LEAGUE

LINCOLN, Neb., June 2.—Umpire Fitzsimmons of the Western league is to leave the circuit unless he comes to terms with President O'Neill before he is relieved by Umpire Colliflower. Colliflower was to have been here Sunday, but failed to show up and Fitzsimmons stayed over a day to umpire the Lincoln-Topeka game.
