Zimmerman of Chicago Strenuously Questions One of Umpire Byron's Decisions and is Sent to Club House.

CHICAGO, June 5.-Boston bunched hits behind errors by the locals and made it two straight from Chicago today, 5 to 4. The visitors scored their first two runs with a pass, a sacrifice hit, an error and a long fly and added the other three on three hits and two errors. The locals bunched three singles and a double for their first three and made another on a single and a triple. Zimmerman of Chicago strenuously questioned one of Umpire Byron's decisions at third and was banished to the club house. Dickson was hit freely by the home team, but the support behind him was sensational, the visitors making three lightning double

Lively Matches for Saturday Evening

At the rooms of the Omaha Chass and Thecker club Saturday evening will be Lone visitors' night. The rooms are 400-403 Barker block and a crowd is expected. All chess players in Omaha are invited, particularly nonclub members. At this meeting one of the members, W. R. Fearon, a rate clerk with the Union Pacific, will give an exhibition of real chess

During the evening, simultaneously, Pearon will play all comers from one to twenty. To do this he will have the boards placed in front of the players around a large table. Each player will study his own game and make his moves. Fearon will walk from board to board, making his moves, thus playing as many games as there are players. Any player who wins against Fearon will be permitted to join the clab without

paying initiation fees. At Union Pacific headquarters chess has become a popular game, and in the plays and Seymour making a magnificent passenger department, instead of going out at the noon hour, the majority of the clerks devote their time to chess. An interesting game is on between Jim Fort and J. W. Talbott. Fort is some player and upon several occasions has been able to put a game over on Fearon. Fort expects to beat Talbott ten games straight, and there is considerable money that he will be able to do this. One game is played each day.

> PAWNEE CITY, Neb., June 6.—(Special.)—Arrangements were recently made with the light and power plant of this city by the town board of Steinauer, whereby that city will receive electric light from the local municipal station. Steinauer agreed to stand all construction costs and pay for the light on the board at the plant here at a rate of 12 cents per killowatt hour. All the poles are now in and a portion of the line has been strung. According to Electrician Lawris of the plant here, the system will be in use in a little over a month. Burns Gets a Berth.

The sensational work that George Burnt has been doing the Glants has practically won him that outfield berth. It does not mean, however, that little Josh Devore will be traded.

Another Collegian. The Detroit club has signed "Hoops"
Kelly, a young outfielder, now a student
at St. Anselm college, Manchester, N. H.
He will join the team at the close of
the term next month.
