PARKWOOD

Omaha's Latest Subdivision

An addition of rare beauty commanding more natural attractions and advantages for perfect residential sites than any other tract in all Omaha. PARKWOOD is situated on a high tableland, extends north along 24th street from Miller Park to Read street, overlooking the Missouri river, Florence and Carter Lakes.

Florence Boulevard winds through PARKWOOD to the heart of the city.

ALL IMPROVEMENTS ARE BEING PUT IN.

BUILDING RESTRICTIONS to make this addition ideal.

MONEY INVESTED IN PARKWOOD WILL BE A VERY PROFITABLE INVESTMENT.

IT SPEAKS VOLUMES FOR PARKWOOD when we can announce unsolicited advance sales to the following prominent Omaha people, who intend building fine homes in this addition.

- Watson Townsend, City Engineer. Jas. T. Dunlap, Gen. Mgr. Neb. Farmers Journal. J. P. Bacon, Calif. Fruit Growers Ass'n. J. M. Bromwell, Sales Mgr. Cartercar Co. Chas. T. Johnson, Capitalist. Jas. A. Blaha, Woodman Circle. Jas. Corr, Corr Electric Co. Charles Neff, Neff's Laundry. Forrest W. Clark, Guarantee Fund Life Association. H. B. Jones, Street Ry. Co. Chas. O. Larson, Decorator.

Don't Be Shortsighted

Look at the records of other high class additions in Omaha. Look at NORWOOD (our addition adjoining PARKWOOD on the south) where lots have nearly doubled in two years. It has been the history of all our cities, that after the city is established, then those who want an ideal site for a home go to the outskirts.
