DEMS PLAY BASE BALL, TOO

Dr. Baxter Sends Bill for Expenses that Causes Shock.

SHOE ON THE OTHER FOOT

Ben Hur Insurance Rate Hearing Continues Before State Department—Grafton and Strang Phone Rates.

(From a Staff Correspondent.) LINCOLN, Neb., June 10.—(Special.)—The executive offices this morning were so quiet and there was such a feeling of "don't-give-a-darn" prevailing around there, that even Tom Benton slipped in and occupied the chair of Private Secretary Morrissey for an hour and Judge England discoursed for many minutes on "How disappointed I feel when my telephone works right."

This was all caused by a report sent in by Dr. Baxter, of the Hastings insane asylum, which bore the startling intelligence that he had paid out \$25 for base ball expenses. The present administration had just about made up its mind that it would call on Dr. Kern, the former superintendent, to put back money he had paid out for base ball expenses, notwithstanding he had a club which cleaned up everything it came in contact with, but how it is different.

Though everybody in the executive offices is a base ball fan of the thirty-second degree, from the governor on the east to Colonel Preston on the west, and from the private secretary on the north to the stenographer and chief clerk on the south, they could not appreciate a winning club engineered by Dr. Kern, a republican, and now they are up against a proposition of a little club league club with a \$20 salary limit representing the democratic administration at the insane asylum.

Ben Hur Hearing Continues. The hearing before the insurance department on a protest of the insurgents in the order of Ben Hur against an attempt to raise rates by the supreme officer, which took up all day yesterday, is still on.

U. G. Powell, representing the insurgents, and Mr. Snyder, representing the supreme tribunal, were on the stand most of the day.

Ask to Raise Rates.

An application was made to the railway commission some time ago and made public this morning for a raise in rates on telephones, owned by the Grafton Telephone and Telegraph company. The application sets out that the company desires to raise the rate on business phones from \$2 to \$2.50 and on residence phones from \$1 to \$1.25 and that such raise has been agreed to by the patrons of the lines.

Taking Law "Exams."

Twenty applicants for admission to practice before the supreme and other courts of the land are taking their examinations before the board of examiners of the bar association. Among the number is William Newton Johnson, who will be more quickly recognized under the name he went by when he was the colored star end of the university football club and was called simply "Bill Johnson."

COMPANY INCORPORATED TO DEVELOP CLAY DEPOSIT

WYMORE, Neb., June 10.—(Special.)—A \$50,000 company has been formed at Montrose, Colo., to develop clay deposits at Wymore. The incorporators of the company are Savannah B. Wonder, James A. Wonder and Charles Wonder, and the company will be known as the Wonder Mercantile and Manufacturing company. The principal purpose of the company will be to develop deposits of pottery clay near Wymore, on land owned by the incorporators. The property consists of sixty-five acres located on the east edge of town along the Blue river. During the past few years the United States Geological surveys have located a stratum of clay sixty feet wide that carries cream, blue and red clay, said to be as good as any in the United States for pottery. A fourteen-foot layer of good building rock, and a deposit of cement rock were also found. S. B. Wonder of Montrose has been in Wymore for several weeks past, looking over the property and having clay tests made.

TWO CARS ARE SMASHED AND TWO BOYS INJURED

BRAINARD, Neb., June 10.—(Special.)—Brainard was the scene of two automobile accidents yesterday. While rounding a sharp curve at high speed, Anton Sobota and Joseph Sypal met in a head-on collision. Sypal's heavy car escaped with a smashed lamp and a bent fender, while Sobota's lighter car was badly damaged. Neither driver was injured. About the same time the two sons of H. Kosse were returning from town. While crossing the Chicago & Northwestern tracks they were overtaken by a large touring car, which frightened their team, causing it to run away, throwing out the two boys and demolishing the buggy and harness. The boys escaped with minor scratches and bruises.

Interurban Values Changed by Board

(From a Staff Correspondent.) LINCOLN, June 10.—(Special.)—The State Board of Equalization and Assessment held a session this morning and took up the matter of equalizing the values on interurban roads. The reduction asked for by the Nebraska Traction and Power company on their road running out of Omaha to Papillion was decided as follows:

The Omaha & Southern road, with a mileage of 6.04 miles, was assessed at \$45,000 per mile, making a valuation of \$272,700. The former valuation was \$27,500.

The Nebraska Traction and Power company was assessed at \$15,000 per mile, which, with a mileage of 6.53 miles, makes the valuation \$97,950. This road was formerly assessed at \$138,900.

The Omaha, Lincoln & Beatrice road, with a mileage of 6.12 miles, was assessed at \$2,000 per mile, making a valuation in total of \$12,336. This road was formerly assessed at \$90,000.

The board adjourned to meet tomorrow afternoon.

Notes from Gage County.

BEATRICE, June 10.—(Special.)—George Buss, a pioneer resident of De Witt, died suddenly at that place yesterday of cancer, aged 87 years. He is survived by a widow and seven children. The funeral was held today from the family home and interment was in the De Witt cemetery.

Mrs. C. A. Danhauser of this city sustained a broken arm while visiting a friend at Lincoln by falling down stairs. She returned home last evening, and it will be some time before she recovers from the accident.

The following members of the high school football team left yesterday for Imperial, Neb., near which place they will assist in putting up the hay crop on the Kilpatrick ranch. Don Yale, William and Harry Maxwell, Jess Day, John Kilpatrick, Roy Bohman, Wilton Hoag, Gilbert Pemberton and Emil Powell.

STRICT DISCIPLINE AT CAMP

High School Cadets Will Be Obligated to Toe the Mark.

FACILITIES ARE EXCELLENT

Grounds Are Well Shaded with Large Trees and Plenty of Good Water and Electric Lights Right at Hand.

HIGH SCHOOL ENCAMPMENT, MISSOURI VALLEY, Neb., June 10.—Special orders pertaining to the duties and discipline of the high school cadets were issued at Monday's regimental parade. In past years the regiment received a bad name for rowdiness and practical jokes, a reputation which must be discarded this year if the yearly cadet encampment is to continue, so Captain Strittinger will hold the captains individually responsible for the discipline, drill and general behavior of his company.

The commissioned officer may even expect demotion if disorder prevails in his company. Cadets who misbehave themselves or otherwise come up for infractions of discipline may be sent home on the next train. Serious infractions of discipline will be awarded special punishment in each case, to the extent of expulsion from school, suspension or non-graduation.

The first day of camp life for these young soldiers passed without any casualties or mishaps. The cadets are well pleased with their surroundings. Prof. Bernstein, who is attending the camp, stated that the location of the camp is the best and that the facilities in the way of lights and water in camp have never before been surpassed. The camp is situated in grove of trees in the county fair grounds, under large trees, which have been planted in long rows. Each company is located in one of these long arched rows.

The officers must furnish electric lights and board floors for their tents at their own personal expense. In former years these were furnished gratis. A general order was published giving the various drills and movements for each day. The routine has been reduced to morning drills only, this giving the cadets free afternoons and evenings. They will be awakened at 5:30 in the mornings by reveille. Their first drill will be company drill, from 9 to 10 o'clock. At 10:30 and 11, two more drills will be given, finishing up the day's work except for the changing of guards and the 5 o'clock ceremony, "regimental parade."

South Dakota Sees Hope in Rate Ruling

ABERDEEN, S. D., June 10.—Royal C. Johnson, attorney general of South Dakota, declares that the United States supreme court decision in the Minnesota rate case will have a decided effect upon South Dakota railroads and will mean a reduction in passenger rates from 3 cents to 2 1/2 cents per mile, as well as a material decrease in freight rates in those portions of the state governed by local rates, especially west of the Missouri river.

1 Full Quart Whiskey FREE

Try It At Our Expense

There are all sorts of claims for superiority among distillers and Mail Order Whiskey Houses, and while we feel sure that our Fels 5 Star Whiskey can't be beat, or even equalled in quality, or price, still we are not going to ask anyone to risk their money on our judgment. Therefore, we are going to give absolutely free, one full quart bottle to test. We want you to add half water to it if you like all the real whiskey there, wholesome, fully aged, mellow as can be and above Order Houses self advertisement. Anyone can easily understand that should we just send out bottles of whiskey free that we would be flooded with requests by some who cannot do, but nevertheless, the bottle is free to honest people.

Now here is our proposition: We will send you one full quart bottle of Fels 5 Star Whiskey, absolutely free, along with your first order for a full quart bottle of Fels 5 Star Whiskey for \$2.49 and we pay the express charges. After you receive the full quart bottle, open one of them, test it anyway you like and if not entirely satisfactory, you have the privilege of returning to us the remaining 3 bottles and the one star's bottle you may keep free and we will immediately return your check. Or send us \$2.49 for a full quart bottle of Fels 5 Star Whiskey, express prepaid, and we will include one test bottle free. Test the free bottle and if not absolutely satisfactory and the best whiskey you ever tasted at any price, just return to us the question or argument. With each order we give a free gold tipped glass and Patent Corkscrew. Remember, we say we pay the express charges; look close before you permit some of the low priced Mail Order houses to get your order and make you pay the express charges.

We mean to prove superiority in the whiskey business; we mean to prove at our expense, by giving a free test bottle, that Fels 5 Star Whiskey has no equal. Our quart bottles are full 21-ounce quarts and not short quarts and we guarantee every bottle and we make and back them with our paid up capital of \$400,000. If you want real whiskey and not weak, watery concoctions, send us your remittance on our free test proposition. The taste in the test, that will prove more than we can write. Address orders and letters and make remittance payable to A. Fels, Mgr., or Fels Distilling Co., 155 Fels Bldg., Kansas City, Mo.
