County Board Orders Several Properties to Be Reinspected.

RAISE NEWLY PLATTED TRACTS

Board Decides to Have an Attorney Present at the Hearings to Adwise on the Questions Which Arise.

On motion of John Lynch, the County Board of Equalization has secured Charles Harkey, deputy county attorney, to represent the board at the daily inguiries into the application for reduction of taxes by various taxpayers. Lynch said he did not believe the board should attempt to handle the work without some legal advice on the details. "Usually when the corporations come up here to make a complaint," he said, "no matter if it is a corporation with a capital not over \$5,000, they have an attorney to represent them, and I do not believe the board should all here and try to cope with the situation." Hafkey was brought into the room and took charge of the exam-

ination of applicants. Ne big corporations appeared with complaints. Several complaints were heard from persons on real estate, either on their homes or on vacant lots held. These were referred to the county assessor for reinspection. Florence A. Moore complained that her assessment on her Dundee home was excessive compared with surrounding property. The property had been assessed at \$3,150.

Ordered Beinspected. Mrs. Helen Kroenert, 620 South Six-

It was excessive, saying that as the busi- to do the same work in Minneapolis. ness was poor this year she had not stocked up as heavily as formerly. The gase was ordered reinspected.

James Foley, 2204 California street, who wacant lot and other property assessed at down early enough in the morning. \$23,500, made a complaint and his case

Assessments were raised on three new additions of the city recently platted. That of Giendale addition was raised from has cost the city over \$12,000 to date. \$1,375 to \$11,000. It is the property of Hastings & Heyden. That of Laurelton addition, belonging to Charles W. Martin, was raised from \$11,800 to \$17,790. That of Parkwood addition, belonging to E. E. Cook et al., was raised from \$13,100 to \$62,700.

Railroads Hustle

all through the central west, agents of nearly 200 members. railroads operating into Omaha, have received notice to hurry all of their freight cars back to headquarters that they may given. A chorus of fifty voices, under be put through the shops for needed the direction of Mrs. R. C. Hills, will repairs, that they may be out on the furnish the music. A special train will spective lines and ready for use by the time the new grain begins to start to market.

In the Omaha shops of the Union Pa-Burlington, large forces of mechanics are at work on freight cars, getting

STREET CAR EXTENSION READY FOR OPERATION

The street railway extension on Cuming. from Portieth to Forty-sixth streets, will he in operation next week, the date of the starting of train service not having the rails and outside, but the debris has not all been removed.

The street railway company has not yet sent, it is more than likely that it will Fortieth, and from there run west. The into the air. new line extends about three blocks west of the belt line tracks and to the foot of the hill in Briggs' Place.

The city paving on Cuming street has now been practically completed several blocks beyond the end of the street car

UNION PACIFIC COMPLETES **AUTOMATIC BLOCK SIGNALS**

At a cost of more than \$3,000,000, the automatic block signal system has been ompleted on the Union Pacific, the Oregon-Washington railway and the Oregon Short line, covering 2,450 miles of road, all of the Harriman purchase Bouthern Pacific, another of the Harriman roads, has been equipped with the automatic, it having 1,488 miles in op-

The only road having a mileage of automatic block signal that anywhere near approaches those of the Harriman nystem is the Boston & Maine, with

EDITORS ENROUTE TO THEIR CONVENTION TO STOP HERE

Delegates to the convention of the National Editorial association, will be enter tained in Omaha Monday, when they pass through the city, enroute to Colorado Springs. Delegates from Missouri, Wisconsin. Illinois, Indiana, Ohio and North and South Dakota will come through Omahs. The national convention will be held at Colorado Springs, June 17, 18 and 19. The Commercial club publicity bureau is planning a program for their enter talnment. They were invited to spend the evening at the Ak-Enr-Ben, but had to decline because of their train schedule which takes them out of the city in the

KEARNEY DECIDES TO HAVE A WELCOME ARCH

Roger W. Wilson of Kearney, here on business in connection with the publicity committee of the Kearney Commercial club, stated that the Commercial club of that town is contemplating the erection of a "welcome" arch similar to the one foruted at Eighteenth and Parnam. This arch is to be built on Main street, in such a position as to be seen from all passing trains and will exemplify the spirit of true western hospitality as exnded by this hustling little city.

Getting Ready for

Fourth Celebration At a recent meeting of the Prairie Park inb the various committees appointed to take charge of the Fourth of July cele bration made their respective reports and the coming celebration promises to be

the finest ever held in Omaha. A band of twenty-two pieces has been engaged to play from 10 o'clock in the orning until 8 o'clock in the evening and after 8 o'clock in the evening an orchestra will be secured for the evening

fance at the club house. Two parades will be held, one in the forning in the nature of a parade of all

nations, and another at 6 o'clock in the vening, preceding the fireworks. There has been subscribed \$146 for fireworks alone. Major A. A. Wedemeyer is to be marshal of the day. The general pulble will be invited to attend all of the exercises

The afternoon will be taken up with tennis championship games, singles and doubles for ladies and gentlemen, running matches, wheelbarrow races and other pastimes.

The committees will all meet again with the entire club membership on the evening of June 27 to make final and detailed plans for the day's celebration.

Prof. Marks Fires Two Omaha Girls at Minneapolis

Prof. W. D. Marks, the gas expert who kovits, Norman Jesse Nathanson, Esther frenth street, appeared in response to a appraised the gas plant in Omaha for the Pauline Newman, Millie Priesman, Sydnote from the assessor stating that her city and reported in favor of cheaper has, nascesment, as returned by the assessor, is breaking into the columns of the Min- Snyder, Leo Ungar and Minnie Helen had been raised from \$350 to \$1,300 on her neapolts papers over the discharge of two personal property, consisting of a stock Omaha young women who worked for of millinery goods. She complained that him in Omaha and whom he then induced

The young women assert that Marks discharged them because they refused to accept his offers to take them to dinners and theaters. Marks replies that his only was assessed at \$8,000 for real estate, interest was to furnish them amusements complained and the matter was ordered He said that his reason for discharging reinspected. NINETEEN ARE CONFIRMED

Exercises Held Wednesday Morning at Temple Israel.

RABBI-FREDERICK COHN SPEAKS

Tells Class Graduating in Religious Studies that None Will Go Wrong if Teachings Are

The Shebuoth and confirmations service was celebrated at Temple Israel yesterday morning at 10 o'clock, when nineteer young boys and girls received certificates completing their religious studies.

Observed.

Rabbi Frederick Cohn awarded the certificates to the confirmants. In speak ing to them he said that it was his plea and his prayer that the young people continue through life their religious study and by so doing they would never go "The young human life is like a young

twig-if it is bent in the right direction when it is young it will grow right,' said Dr. Cohn, "This is a day when science and invention are of keenest in terest to the human race and we are too apt not to think enough about our re-Every seat in the church was taken

and the ceremonies were most impressive. Each member of the class had some part in the order of the service. The class included:

Sidney Chernias, Blanche R. Frank, Rose E. Gross, Harry Harris, Moses Edwin Kahn, Meredith Kenyon, Esther Pauline Kirschbraun, Frances L. Kopald, Helen Levy, Gertrude Marks, Julius Mosney R. Robinson, Arthur Snyder, Rina

Fred Bailey's Hands Injured by Dynamite Cap Taken from Boy

Fred Bailey, Fifth and Nicholas streets, kept a lively little boy out of harm's way Tuesday night, when he selzed a dynamite cap which the little fellow had found near the railroad tracks. Several minutes later, Balley's hands were mangled when the cap exploded, as he sought to destroy it by cutting it to pieces with a jack knife.

The thumb and first three fingers of is left hand were badly torn and the hand will probably have to be amputated. He may also lose the index finger of his right hand. The knife he was using was hurled to the ground with such force that it was buried in the dirt nearly a foot. Police Surgeon Foltz attended the injuries and Balley went to his home.

EIGHTH GRADE PUPILS TO HAVE PICNIC AT FAIRMONT

Eighth grade pupils of the Howard Kennedy school, are lined up for a great today. Instead of attending shool they will hold their annual pionic in Fairmont park, Council Bluffs. They will journey there in one of the large sum-mer cars and spend the entire day in the park. A picnic dinner will be served at

in size, is now ready for your inspection. Vitalized Rubber Diamond Tires have made good by every known test

Each individual tire is tested time and again in the Diamond factory for weight, air capacity, quality of the Vitalized Rubber, strength and elasticity.

A tire that is not absolutely correct in every way cannot possibly pass the final inspection it must undergo before it is turned over to the shipping department.

That's why Diamond Tires are making good in actual service.

Diamond (No Clinch) Tires

made of Vitalized Rubber

Before a tire leaves our factory, we know by actual tests that it will deliver the "More Mileage" you have demanded.

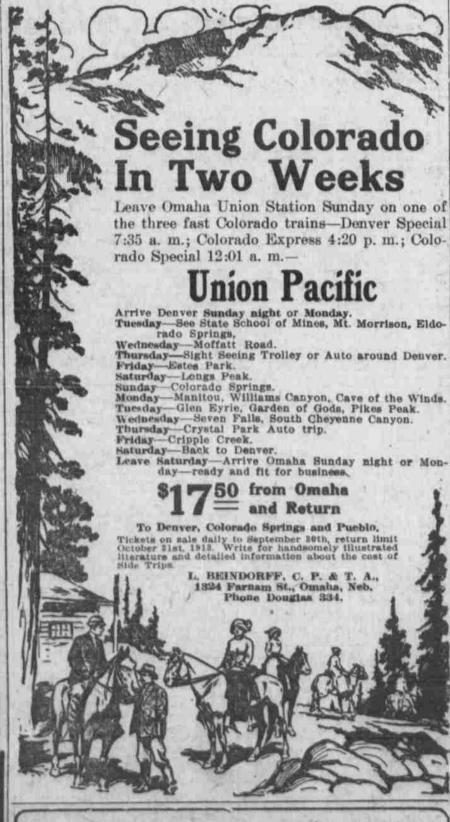

Why continue to pay for "Short Mileage" when Diamond Tires made of Vitalized Rubber cost no more-and in addition you will enjoy the advantages of Perfect 3-Point Rim Contact, also the No-Pinch Safety Flap for inner tube protection.

So this time buy Diamond Vitalized Rubber Tires—you can get them to fit your rims at any of the

25.000 Diamond Dealers always at your Service
