

MID SUMMER Clearance Sales

THE STANDARD DICTIONARY defines clearing as "The act or process of making or becoming clear. That which is cleared; the state of being cleared." Now that's exactly what we are doing here in this big SUMMER COMFORT STORE, beginning Monday morning. Clearing our decks of all warm weather merchandise. Everyone can readily understand that a store of this size avoids "carrying over" a past season's merchandise. We go one better than that and rid ourselves of these desirable ends of lines, odd pieces, short lengths and odds and ends while the season is still at its height, giving patrons the benefit of the sharply reduced prices at a time when the goods are still seasonable and you'll have several months in which to get the good of them. Every section of this "progressive store," catering to warm weather needs, has entered such goods for leave taking in this Clearance Sale, that begins Monday. It's your bargain Harvest time. Will you come and benefit by it? Sale starts promptly at 8:00 o'clock.
