mory: large corner lot with natural forest ahade trees; on a boulevard in one of the best neighborhoods in the city. See se at once if you want something defirable and cheap.

\$3,000

oak finish and oak floors in first

Brand New Lots Bungolow Cathedral District \$200, \$225, \$250 and \$300 Six rooms and sleeping porch; modern; finished in oak, birch and pine. Pannelled walls in ding room; oak floors throughout; unusually large rooms. Full lot 51x19. One block to Farnam car line. Price. \$4,000. Tarms if desired.

Only 16 lots left out of 56; 40 sold the first six weeks of sale; none over one block from paved road and car line. The best values offered for a long time. These lots are located in Florence along the Forest Lawn car line, 5 blocks weat of Main St. A number of nice new homes are being built adjoining this new addition. The prices of Glendale lots are only about one-half the prices asked for lots in other suburbs so close to car and paved street. The terms are very easy: Armstrong-Walsh Co. Don't Miss This See It Today \$5 Down

A beautiful 6-r., new, modern cottage home located at 1818 Laird 8t. This property is complete in every detail, having screens, storm windows, shades and decorated throughout with the best paper and sanitas in bath room and kitchen. Hall, parlor, den and dining room are finished in oak. We are prepared to sell you this property at less money than you could buy the lot and build the house yourself. This statement we can back up by actual figures. The house is thoroughly constructed of first-class materials, having the best plumbing and heating plant. Come out today and see it. Price, \$3,60; a few hundred dollars down will handle the deal. Balance monthly.

Payne & Slater Company
516 Omaha Nat. Bank Bldg. Buying two or more lots together.

HASTINGS & HEYDEN, 1814 Harney St. 6 Rooms, New \$3,250.00 2513 Pierce Street A splendid new 8-room house, modern and complete in every way, with beautiful oak finish and floors, electric lights and gas. The very best of modern plumbing, full cemented basement, guaranteed furnace. On the first floor there is living room, dining room, den, kitchen and bathroom. On the second floor two bedrooms, with large closets; fine yard, with shade trees, cement walks. This house is in the very finest condition and is a bargain at the price asked, for home or investment, as it will rent for \$300 per year. It is within walking distance and one block from car. About \$800 cash will handle this. You will miss an opportunity if you don't see this property.

WHAT THE JOBS COST THEM

Some of Uncle Sam's High Offices Leave the Holders Out of Pocket.

How would you like to spend more money than your salary just to hold your not necessary. President Wilson has pointed out lately that the great cost of some of our diplomatic posts closes them to all but 'Fur the rich. You would be diving down stery. into your private treasure chest quite often if you happened to be holding any live in rooms as high up as possible. one of numerous high government post- Personally, I am comfortable on the tions under our government. From the ground floor. But more important than president down to some of our consule the floor is the arrangement of the winat the more important posts the expense dows. They need be raised only a few involved in maintaining the position al-inches, top and bottom, to secure venways equals and frequently surpasses the tilation. emolument accruing.

tions of honor and trust are the chief mer. ambassadorships. The post at St. James' foreign representatives are put. They is the important question.

must entertain on a scale in harmony "I have no hesitation in saying that with the ways of royalty. Certain it is any person who does not use tobacco that when the late Whitelaw Reid held or offend in his cating or drinking, will ambassador had a private fortune en- and enjoy hot weather. as he did.

The expense is mentioned as the reason sun and be as frisky as a colt. that deterred William M. McCombs from of \$40,000 to \$50,000 is necessary to do jus- in Siberia. tice to the diplomatic posts at London. known that some of the consuls at large quantity of his food. cities are in a similar predicament with

seems a salary sufficiently large to cover any man s expense and enable him to carded. put by a molety for future reference and yet no president has ever left the office substantially richer than when he entered it. It is said that President Taft left the White House with an income of \$8,000 a year, but it must be remembered that he held public offices consecutively for nearly all his previous life. His income from property seems very small, possessed had he been carning the same with water. salary in an humbler capacity-says, as a lawyer. The chief executive's mode of living in accordance with the dignity of freely. We should take so much water his office, and his position as leader of as is needed-no more. Too much water the cosmopolitan society of the capital, will be as bad as too little. put any great saving out of the question. An even break is about all a president

The vice president has not the obligations of the president, but then he must be hard put to it to manage on \$12,000 a year. Although most of our vice presidents came to the position from other public offices and had but little time to accumulate personal fortunes, there is no record of any of them having left with much more than they had when they

dors Roosevelt came into office independently rich, but the present incumbent will have to go slowly to make ends meet on his annual \$12,000.

A great deal of expense is attached to the cabinet positions, that of secretary of state in particular, owing to that officer's close contact with foreign diplomass. Of late the men who have held this pivotal cabinet office-Root, Knox and Bryan-have been financially independent of the emoluments of the office. Root and Knox, in giving up their great incomes from the practice of the law, made proportionately great sacrifices in accepting the \$12,000 a year job. Although supreme court justices get

\$14,600 a year, none of them ever accumulates any money. Justice Harian died practically penniless after long years of service. Nor is the \$13,500 a year which an admiral receives or the \$8,000 of the first nine year admirals large enough to permit of any saving when it is considered that entertaining in foreign ports is fust as costly as it sounds.—New York

Brevities of a Burelster, In the practice of law some men do well; others do good.

Contempt of court is often the expres-

sion with profaulty of what may be said with politeness.

Truth is the witness whom the sub-poens seldom reaches.

Eloquence in court is often a discrest

slience.

Prejudice often gives a bad reputation
to a lawyer of good character.

Character is really a lawyer's only license to practice; slander is his disbarment.—The Docket.

TIPS ON SUMMER COMFORT How to Be Happy and Prisky as a Colt in Hot Weather.

Health Culture opens its summer campaign for comfort and happiness with a leader by Dr. Elmer Lee, member of the American Medical association and expert on physiology and diet. Starting are an expensive fuxury, yielding less beneficial results than the home, the doctor tells about the essentials to summer comfort:

'During the summer the office, and the come or room in which anyone lives should be made as bare as possible. "Take up the carpets or rugs. Take down the pictures and hangings. Bemove every article of furniture that is

"Bare rooms will be favorable for clean liness and ventilation. "Furniture should be without uphol-

"Some persons say that it is better to

"Every window should be open and Conspicuous among unprofitable post- every door ajar, night and day, in sum-

"What you eat is the important quesis a particular luxury. The salary is only tion. Heat prostration is due not only \$17,500. This might seem ample for an to exterior, but to the interior bedily ambassador's needs, at first thought. But condition, and to what a person will eat onsider the obligations under which our and drink. What you eat and drink

the post in London the annual stipend be safe from any bad effect of sumwas not big enough to be taken into con- mer heat. More than that, he will be sideration. Only the fact that the late comfortable. He will perspire but little,

and vegetables, will enjoy the summer

"It is a mistake to try to eat less in hot accepting the offer of the corresponding weather. Eating promotes health and Paris post. It would have meant a big activity. A locomotive will consume the financial sacrifice. According to Henry same amount of fuel in the summer as White, for many years first secretary of in the winter. A locomotive in the legation and embassy at London, a salary Sahara will require as much coal as one

"Food should be agreeable and abundant Paris, Berlin and St. Petersburg. The re-sult of this condition of affairs has been the quantity of food, he lives over-much that only rich men can be considered for on his nerves. What he should do is to the honors. But it is not so generally improve the quality and increase the

"The ideal hot weather diet, to my mind the ideal all the year round diet, con-Seventy-five thousand dollars a year sists of cereal, vegetables, fruit and water. Meat of any sort should be dis-

"Meat cannot be obtained clean and fresh, and its consumption burdens the body with excess in acid and purin-forming material. In short, it is a disease creator. The same objection applies to milk and eggs. "The more fruit and vegetables a person

will eat, the better for him; also half a

dozen meals a day if he works enough to require them. Another advantage of nothing compared to what he could have such a diet is that it supplies the body "It will be unnecessary to drink much water if fruit and vegetables are used

> "Tea, coffee, tobacco and alcholic atim ulants are to be avoided; likewise the iced drinks so popular in summer. They irritate the nerves of the mouth and stomach and produce artificial thirst. Plain water will be best, and in modera-

"If a person eats fruit and vegetables the more work he does the better for him. Most persons work too little and worry too much, particularly in hot weather.

"Imagination has a great deal to do with person's comfort. If he is interested in the completion of his task, he has no time to wonder what the thermometer reads.

"Gradually we are getting more sensible ideas about clothes. For instance, the unlined coat is fashionable in summer for men; also it is permissible to wear shirt sleeves at home and in the

"Woman's summer clothing, mostly, is thin as lacework; it will be more comfortable as well as fashionable to wear is

"As for material, a lightweight, wooler garment is comfortable. Wool for the ster wear and cotton for indoor wear. "The thick weaves are to be avoided in choosing summer clothing. The regulation linen cellar for men is not as unomfortable as some women think.

"It will add to the comfort of everyone if they will take a rub with a damp towel daily, better twice daily. This is preferable to either hot or cold shower or tub baths. A person should try to give the mind a bath in placidity and cheerfulness.

"Worry and chronic exasperation will in themselves make people hot; also much embition tends to exhaust muscles and injure nerves."
