CHICAGO, July 7.-President Charles W. Murphy of the Chicago Nationals today wired to President Lynch, protesting the second game of yesterday's doubleheader with St. Louis, which was de-

Not only does Mr. Murphy claim that the game should be awarded to the Cubs, but he also wants Umpires Eason and Brennan reprimanded for giving the game to St. Louis. He does not deny that his players adopted dilatory tactics in an ef-fort to prevent five innings from being played, before 5 o'clock when the game was to have been called by agreement, but he contends that the visiting team offended first in violating the rule by trying to get themselves put cut gatchy after they had obtained a three-run lead.
