

WALSH'S HIT SAVES DAY

White Sox Pitcher's Single Brings in Winning Run in Tenth.

SUPPORT OF TEAM VERY BAD

Bill Carrigan Acts as Manager for World's Champions in Conjunction with Stahl, Who Plays Last Game.

CHICAGO, June 15.—Pitcher Ed Walsh returned to the game today, the first time since June 28, when he was forced out of the game on account of illness, and Chicago won, 2 to 1, after ten hard fought innings.

It was Walsh's single in the tenth which sent Rath, who went to third to run for Bodie, across the plate with the winning run. Bodie had singled and reached third when Mattick sacrificed and Engle threw wild to second, trying to force Bodie. The first run was made by the locals on doubles by Weaver and Berger.

The support behind was anything but perfect, the club being charged with five errors, two of which, coupled with a single, saved the world's champions a shutout. Larry Chappelle, the newly acquired outfielder who was obtained by Comiskey from Milwaukee, wired Manager Callahan today that he could not reach Chicago until late today, but would be on hand to take part in the games tomorrow. Bill Carrigan acted as manager for Boston in conjunction with Manager Jake Stahl, who played his last game today.

Brown Shot Out Yanks.

ST. LOUIS, Mo., July 15.—"Lefty" Hamilton was almost invincible this afternoon, while Keating was wild and ineffective at critical stages. St. Louis won the final game from New York, 3 to 0.

In the first inning Shotton's double, Brief's sacrifice and a wild pitch netted the locals their first run. Another wild pitch in the next inning with a man on third base counted one more for the home team. Pennington, who singled in the fifth inning, the only hit off Hamilton, was the only New Yorker to reach third base.

A triple by Pratt and Williams' sacrifice fly in the eighth inning tallied the locals' last run.

St. Mitchell, a recruit pitcher from the Blue Grass league, reported to Manager Stovall this afternoon. During a practice before the game he hit outfielder Johnston in the back of the head with a pitched ball. Johnston was unconscious for twenty-five minutes. Doctors, who attended him, said that he suffered a slight concussion at the base of the brain, but that he probably would be able to return to the game in a day or two.

EDDIE PLANK UNHITTABLE. DETROIT, July 15.—Veteran Eddie Plank was unhittable when Detroit had men within scoring distance of the home plate and Philadelphia won the final game of the series today, 7 to 4. Of the five games played the Tigers won three. Plank was hit freely and all three Detroit's errors were costly. Zamloch, who pitched the last three innings for the local team, passed the first three men who faced him in both the seventh and ninth innings. He yielded only one hit and that did not figure in the scoring.

Singles by St. Murphy and Daley and Collins sacrifice fly gave the Athletics their first run in the third inning. In the fourth Oldring singled, stole second and tallied on Barry's single. In the fifth in the fifth inning in Murphy, who had singled and stolen second, and Daley, who reached first on Barry's throw. In the sixth inning Oldring hit a two-bagger, Barry granddied to Moriarty and in a nuptial attempt to run down Oldring, Bush made another wild throw. Oldring reaching third and Barry second. Both runners tallied on Plank's long throw which High reached after a hard run, but could not hold. Collins walked in the seventh and when Zamloch's throw caught him off first, he raced all the way home on Galnor's throw toward second, the ball rolling to the outfield.

WRENN GOES TO LONDON TO ATTEND TENNIS MATCH. NEW YORK, July 15.—Robert D. Wrenn, president of the United States National Lawn Tennis association, plans to sail for London today to be present at the challenge match for the Davis cup. The desirability of his presence was decided on late yesterday, when he and other officials of the tennis organization met for consultation.

The conference regarded it as practically certain that the American players—McLoughlin, Williams, Hackett and Johnson—would be the challengers to meet the British cupholders, and if such proved the case, it was thought that Wrenn should be on the courts at Wimbledon as the official representative of the American competitors.

Flying Boat Race to Detroit Abandoned

MUSKEGON, Mich., July 15.—The flying boat cruise from Chicago to Detroit has been called off by mutual agreement of the contestants, according to Glenn H. Martin, who returned to Muskegon early this afternoon from Pontwater. He said the committee in charge of the cruise had withdrawn the prize money.

CHARLEVOIX, Mich., July 15.—Reck with Havens, who leads the contestants in the Chicago to Detroit air boat race, left this port this forenoon with J. B. Verplanck, owner of the boat as passenger for Machinac Island. He hoped today to establish a long distance flight record and will endeavor to finish the cruise on schedule time, Havens made a pretty start and his machine seemed to be working perfectly.

"When I reached Pontwater yesterday," said Martin, "I talked over the situation with Havens. Verplanck and Francis, and we all agreed that as the committee in charge of the cruise had called off the prize money, we would not continue the race.

"As many of us came to Chicago from a great distance at our own expense," continued Martin, "we don't feel able to continue an expensive cruise with no money in sight, and that was our reply to the committee now at Charlevoix when they telegraphed us to come on there."

Martin says he will remain here for exhibition flights.

Sheriff McShane Must Pay Rent for County's Kitchen

Sheriff Felix J. McShane will have to pay the county \$50 per month rental for the use of the jail kitchen and utensils in the preparation of meals, for which he gets 50 cents a day per prisoner. This was the decision made by Judge Day in the district court yesterday afternoon in the case in which the county commissioners were seeking to collect rent from the sheriff for the kitchen equipment, since the supreme court has said that the sheriff is to have the 50 cents per day for the feeding.

The Board of County Commissioners will file a motion for a new trial in the McShane prisoner-feeding contract since the decision of Judge Day made yesterday allows Sheriff McShane \$1,500 for feeding the prisoners for twenty-two days at 50 cents per day per prisoner. The decision called for the payment by McShane of \$50 to the county for the use of the kitchen and utensils in preparing the meals. The county commissioners are not satisfied, and are seeking to prove that the old law leaving the amount to be paid for feeding the prisoners largely to the discretion of the board is still in effect instead of the later law, which specifically fixes the price at 50 cents per prisoner.

STAHL LEAVES BOSTON SOX

McAleer and Other Stockholders Demand a "Playing Manager."

RELEASE IS UNCONDITIONAL

Catcher William Carrigan Will Assume Charge of Team Today—Stories of Internal Strife Among Champions.

CHICAGO, July 15.—"Jake" Garland Stahl was ousted as manager of the Boston Americans today by James McAleer, president of the club. Though differences amounting to a serious "misunderstanding" with McAleer were rumored causing Stahl's release, both manager and president insisted that the demand of the latter and other stockholders for a "playing manager" was the motive. Stahl's leadership technically included today's game, tomorrow Catcher William Carrigan will assume charge of the team. Stahl's release was unconditional and he will give up base ball as a business, although retaining his Red Sox stock, devoting his time in the future to his banking business in Chicago.

Played Few Games. He has played few games this season, an injured foot keeping him off the field, though he has managed the team from the bench. He was grieved apparently at McAleer's decision to release him and declared he had done his best to sustain the team's reputation as world's champions. To all-around bad luck, including his own inability to take part in more than a few games, Stahl attributes the comparatively poor showing of the team this year.

In connection with the news of Stahl's release, stories of internal strife among the Red Sox were retold today. Factional differences, dating from the world's series of last year, were among the causes hinted at in discussion by the manager's release.

Carrigan Akin to Stahl. It is noteworthy that Carrigan, the new manager, was among the leaders of the faction which, rumor says, was against Stahl. Hints of differences reached Chicago with the arrival of the Boston team a few days ago, but were earnestly denied by both McAleer and the manager. Stahl, one of the most famous of modern ball players, was induced by McAleer to rejoin the Boston team and took up the management at the beginning of the 1912 season, soon after McAleer assumed the presidency. Under Stahl's leadership and aided materially by his own prowess on the field, the team captured the highest honors of the national game.

Forced to Be Cigar Clerk, Kills Herself

DENVER, Colo., July 14.—Depressed because she was forced to clerk in a cigar stand, Bertha Wilcox, 23, committed suicide yesterday, near Golden, a suburb of Denver, by shooting herself twice through the head. She was a daughter of A. B. Wilcox, once a prominent musician of Chicago, who died three years ago.

Miss Wilcox was a deep student of philosophy, old and new, and ardent in her support of the theory of transmigration of the soul. In a note book, found lying by her body, was written the thought that she was working an injustice upon humanity by permitting her brilliant mind to be embodied in the personality which, through chance, prevented her from giving her best to the world, and expressing the belief that her mind and soul, transmigrated to another and more sturdy body, would be of vaster benefit to her fellow beings.
