UNION GIANTS MEET THE STORZ TEAM SATURDAY

The exhibition at Rourke park Saturday and Sunday between the Storz Triumphs and Chicago's crack colored team, the Union Giants, gives promise of being the best attraction that has been booked by Manager Bradford this season.

The Giants have the remarkable record of winning the last eighteen games played, meeting the best semi-professional teams in Iowa, Alexander, their star twirler, is classed by many as being the peer of the mighty Donelson of the Ali Nations, although his every movement is on the same lines as Mendez, the Cuban marvel.

"Pick" Baughman, a graduate of Omaha's amateur ranks, is covering third base and has developed into one of the greatest colored players in the game today. The lineup: STORZ TRIUMPHS, UNION GIANTS.

Every customer of the Gas Company has been mailed a copy of the proposed rate-compromise franchise.

Such methods have been abandoned by genuine students of utility problems, who recognize that gas rates are based upon production costs and QUALITY OF PRODUCT, and that these conditions vary widely in different parts of the country.

It is well-known, for example, that coke and oil are the materials from which gas is made in Omaha. The last report of the census on the manufacture of gas shows that, with the exception of Texas, the cost of coke for gas-making purposes was higher in Nebraska than elsewhere in the Union.

Since these figures were gathered, in 1909, the price of coke paid by the Omaha Gas Company has advanced. At times the price has been lower than in the year mentioned. The government statistics for 1909 follow:

Table showing gas rates by state: State, Coke per Ton. Texas \$7.18, Nebraska \$6.80, Minnesota \$6.64, Iowa \$6.56, Missouri \$6.40, Michigan \$6.26, Wisconsin \$5.55, Illinois \$4.82, Ohio \$4.42, Indiana \$4.33, Massachusetts \$3.94, Pennsylvania \$3.67, New York \$3.03, All Other States \$5.06.

A SAVING OF NEARLY THREE-QUARTERS OF A MILLION DOLLARS WILL BE GAINED BY THE GAS CONSUMERS OF OMAHA DURING THE NEXT FIVE AND ONE-THIRD YEARS IF THE PROPOSED FRANCHISE IS APPROVED AUGUST 19TH—THIS WITH A CONTINUANCE OF GAS SERVICE SECOND TO NONE IN THE COUNTRY.
