STATE MAY HAVE BUILDING

Nebraska Officers Name Committee for Panama Exposition Exhibit.

SITE IS ALREADY SELECTED

Co-operation of Commercial Clubs Assured and Active Campaign Will Be Begun to Prepare.

(From a Staff Correspondent.) LINCOLN, March 21.—(Special.)—Feeling that Nebraska should be represented at the Panama-Pacific exposition next year state officers held a meeting in the office of Governor Morehead this morning, talked the matter over and finally decided to appoint a committee, one from each congressional district, to make a campaign for funds.

The site for the Nebraska building was selected by Peter Jensen just after the adjournment of the last legislature, who refused to vote anything toward a Nebraska exhibit, and was the eighth site selected. Mr. Jensen went to the coast at his own expense and selected the location, feeling confident that as soon as the people of the state realized the importance of having the state represented that the funds would be forthcoming from some source.

From many sections of the state there seems to be a demand for participation at San Francisco. The exposition is a western enterprise binding into closer union the western states. It celebrates an American achievement, and is itself an American undertaking.

It is fitting, therefore, that Nebraska should consider participation in this celebration. Thousands of our people will visit the exposition and a home and place they may all their own will be appreciated. The same thousands of people will visit the exposition and a home and place they may all their own will be appreciated.

Through our full-page notice we feel that we are charged with a responsibility for the leadership of the state in a matter wherein the honor and credit of Nebraska may be at stake. After full consideration, therefore, we have determined unanimously to submit to the people a method for participation at the Panama-Pacific exposition through popular subscription and through the administration of a commission to be selected by the people themselves.

And to organize this work we hereby appoint a temporary Panama-Pacific International Exposition commission as follows:

- Mrs. F. M. Hall, from the First congressional district.
John L. McCague, from the Second congressional district.
George F. ... from the Third congressional district.
Peter Jensen, from the Fourth congressional district.
A. M. ... from the Fifth congressional district.
W. R. Mellor, from the Sixth congressional district.

This commission is called to a conference at Lincoln, in the office of the governor, on Wednesday, March 25, at 8 P. M. to advise ways and means of financing participation in the exposition and of enlisting the enthusiastic aid of business men and our commercial organizations.

- JOHN H. MOREHEAD, Governor.
WALTER A. GEORGE, Treasurer.
W. B. HOWARD, Auditor.
ADDISON WAIT, Secretary of State.
W. R. MELLOR, Secretary Nebraska State Board of Agriculture.
GRANT MARTIN, Attorney General.
FRED BECKMAN, Land Commissioner.
JAMES ... Superintendent of Public Institutions.

State University Will Use New Style Spelling in Papers

LINCOLN, Neb., March 21.—A uniform system of simplified spelling is to be used in all university publications at the University of Nebraska. A style book will be drafted by a committee of professors, to be used next fall for the first time. Faculty members desiring more radical changes than those adopted were given permission to do so in departmental work.

BROKEN BOW MAYOR WILL BE RE-ELECTED

BROKEN BOW, Neb., March 21.—(Special.)—The citizens' caucus held here Thursday night of this week for the purpose of placing in nomination a municipal ticket was one of the largest attended in years. The resolutions adopted this year call for a vote at the spring election on the pool hall and bowling alley question and, as usual, there will be no question on the main issue, the town having passed up that question for several years. The annual report read by Mayor E. E. Squires was one of the clearest and most concise ever submitted here to a city caucus. Immediately following the report Mayor Squires was re-nominated. As there is no opposition ticket, nomination virtually means election. Municipal nominations follow: City clerk, Roy Thompson; treasurer, Ray Kuns; engineer, A. J. Van Antwerp; councilman, First ward, A. E. Anderson; Second ward, Ed McClure; Third ward, Harry Kimball; Fourth ward, Samuel Tooley.

Wahoo Citizens Caucus

WAHOO, Neb., March 21.—(Special.)—The citizens' caucus was held last night at the city hall, where the following were nominated for city officials without opposition: James Kearney, mayor; George Loder, city clerk; Ed Bredenberg, Elmer Johnson and B. Torrel, councilmen; Dr. Miller and C. P. Hultin, members of Board of Education; Ernest Hanson, treasurer; Joe Smith, engineer. This is equivalent to an election, as it is the only ticket in the field.
