## Locate Your Factory in Omaha

### The Metropolis of the Missouri Valley

Omaha is the big market of the district, has an immense supply of labor, all the educational advantages of a metropolitan city, excellent railroad facilities and CHEAP ELECTRIC POWER.

When you move to Omaha, the logical place for your plant, bear in mind that Central Station power reduces your plant investment, works overtime without additional expense; is convenient, cleaner, safer and more economical. We will be pleased to assist you in every way should you decide to locate in Omaha.
