BOWLERS CLOSE THE SEASON

Leagues Are About Through and the Winners Are All Picked.

LIST OF THE TEAMS IN LEAD

Good Progress Being Made on the Metropolitan Tournament and Many Entries Are Looked For.

With only two weeks left in the regular bowling season, the races in most of the leagues have been decided. The Gate City league closed its season last week with the Mickey Gibsons at the head, and Fjenschuh the individual champion. The Omaha, Fairmont Creamery, Standard Oil, Knights of Columbus and Lithographers' leagues will finish next week. The Booster, Commercial and Magic City leagues continue one week longer and the Metropolitan will carry its schedule up until the second week in April. The following is a list of the city's leagues and the winners, both team and individual: Omaha League—Wroth's Cafe, Scipio, Booster League—Clara Belle (probable), Fanton, Commercial League—Jetter's Old Age, Zapp, Magic City League—Martin's Tigers, (probable), doubtless, Fjenschuh, Gate City League—Mickey Gibsons, Fjenschuh, Knights of Columbus League—Brown, King & Co. Thomas, Fairmont Creamery League—Liquid Gold, Holcomb, Omaha City League—Tarabaler, Lithographers' League—Rees, Printing Co., Ohenore, Standard Oil League—Polarine Auto Oil, Cain, Metropolitan League—Drosdas-Kenos, Jacob, Clan Gordon League—Bonnie Doons, Falconer, Sunderland Bros' League—Hansum Briz, Beck.

Some Low Scores.

Several low scores were rolled last week, the cause of which is probably due to the fact that many of the men have lost interest in the games. The Wroth's Cafe crowd, however, stood high above all others with a 3,108 total. The Leary Bros. rolled in mid-season form and took the City City league's record with a 1,699 team score. The Metropolitan tournament is making good headway. During the week practically all of the strong teams of the city announced their intention of entering. The Commercial league will enter four teams, the Omaha league four and the Booster, Gate City and Magic City leagues one each. This will make an eleven-team entry list, which is a good showing for a scratch tournament where a player is only allowed to enter once. The entrance fee has been made high, which in turn will make up a large cash prize list. A large entry list is expected in the singles and doubles. The Standard Oil leaguers will add more interest to the season's end by pulling off a one-man tournament on the Metropolitan alleys. A full 100 per cent handicap system will be used. A large cash prize fund has been hung up to shoot for. The American Bowling Congress tournament has attracted little attention around the local drive, probably because Omaha did not send any teams to the big event this year. The announcement that Peoria, Ill., would get next year's meeting was welcome news to the local men. With the tournament so close, about eight teams would be entered from Omaha. This would be the record entry from this place.

Association Alleys.

Knights of Columbus League—Monday, Bowling, King & Co., against Murphy, D. H., Bourgeois against Puritan Laundry, McCarty's alleys against Hanley-Mace. Booster League—Tuesday, Beacon Press against Field Club, Brandy, Highballs against Chris Lycks, Clara Belle against Mutual Life, Leary's against Ellis' club, Sunderland Bros' League—Wednesday, Regular team matches.

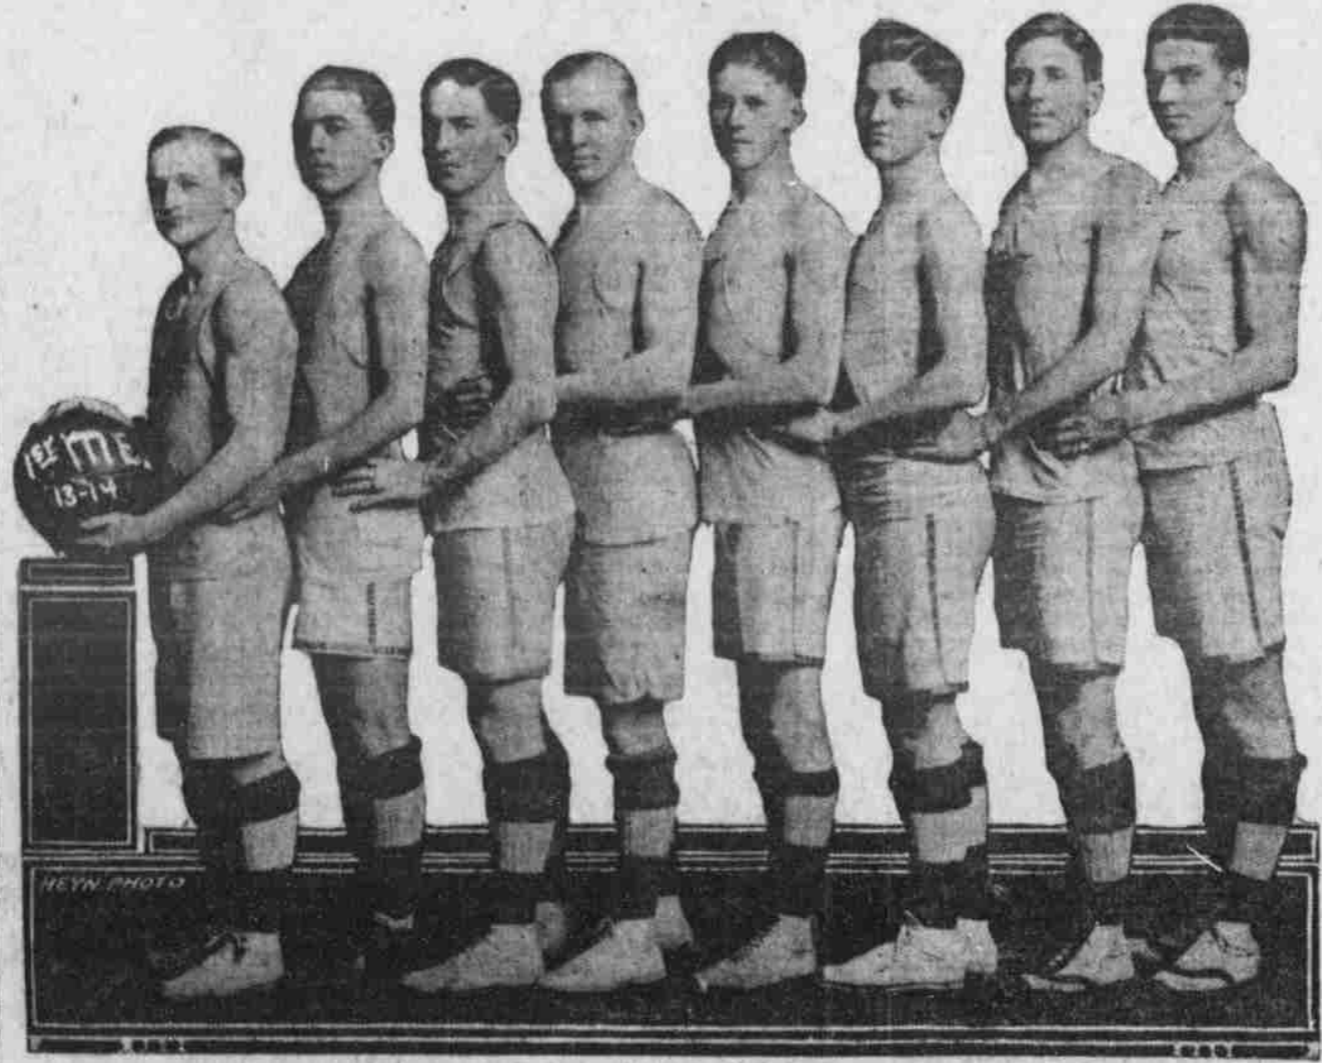

Hawaiian Swimmer Said to Be Jinxed

SAN FRANCISCO, March 21.—Hawaiian in California believe that Duke Kahanamoku's defeat by Robert Small in the swimming race at Honolulu recently spells the beginning of the end for the island swimmer. Though the event was in world's record time, they think that Kahanamoku will believe that he is "kahuna"—Hawaiian for "jinxed"—and let it prey on his mind. A "kahuna" is a sort of Hawaiian medicine man who can "put the jinx" on his enemies. Islanders here say Kahanamoku may fret himself out of condition over his defeat. A close survey of his performance during the last year, however, leads local swimming experts to the belief that the Duke is simply slipping.

GREIGHTON FOOT BALL DOPE

(Continued From Page One.) played with Morningside last season following an unusually rough game at Sioux City the previous year. The Morningside management wished to schedule a game for this year, however, and if the two managements can agree on a date the same will be played in Omaha. Omaha and Bellevue may be played in addition to the other eight games. If these latter colleges are taken on, however, it will be in September, as a game in mid-season is not regarded with any great favor by the Greighton management. An attempt to land a game with Ames for next season failed, but it is likely that both Ames and Denver will be on the bill a year hence.

Winners of the Omaha Church League Ball Championship

CLOTHIERS QUIT THE LEAGUE Detroit Team This Year is Youngest to Go Down South

Decision of Game with Bankers Forces Them Out of It. POST SEASON BASKET BALL Omaha High School and Nebraska Telephone Company Will Clash in Postseason Game on Tuesday Night. Standing of Commercial Basket Ball League teams: Benson's Pirates 12 20 2 532, Magee & Deemer 11 9 2 769, Omaha High School 10 7 3 789, Bellevue College 12 7 3 881, Nebraska Tel. Co. 11 6 4 548, Omaha Nat. Bank 11 2 9 512, Ben Publishing Co. 11 0 11 500. Followers of the Commercial Basket Ball league will not have a chance to see which is the strongest team in the organization, as the Magee & Deemer, one of the best fives of the league, has suddenly withdrawn. Some time ago the clothiers played a rough game against the Omaha National bank, and as a result two of their best men were put out of the game by the referee. As the Magee & Deemers had no substitutes on hand to take the places of the deposed players the game had to stop. In the meantime the referee left the floor without awarding the game to either side. Both teams entered protest with the officials of the league. The Magee & Deemers claimed that as the referee had not given a decision on the floor the game should be played over again, while the bankers claimed that they should be given the game, as they were on the floor and ready to continue it. The matter was decided last Wednesday at the Young Men's Christian association, the officials of the league declaring that the game should be continued from the place where it was left off, and that the Magee & Deemers could not play those players who had been put out of the game. As this would give the clothiers but a part of their team to play the game Manager Hascall thought it best to withdraw from the organization.

GIANT RECRUIT WHO HOPS TO BROOKLYN FEES.

NEW YORK, March 21.—The campaign now in progress at Ann Arbor for an athletic stadium is gathering force and the promoters of the idea believe that if affairs go as they have been going a part, at least, of the concrete structure can be built in time for the Pennsylvania game. Unless the track men at Yale prevail, the bowl at New Haven will be available only for foot ball, there being room for neither base ball nor one of the most important of track events, the 225-yard straightaway. Base ball cannot be played in Cambridge at the stadium, but it is ideal for track and field games. Syracuse's stadium is not sufficiently large to admit of a 225-yard course in the open; part of it runs through a sort of chute, a fact, it is believed, which militates against the selection of the Salt City arena for the intercollegiate.

Colleges Try for Athletic Stadium

Vinton Street Merchants against Victors, Riverview park. Brotherhood of American Yeoman against Brown Park Pharmacy, Elmwood park. Sullivan Discusses New Track Scoring NEW YORK, March 21.—Commenting on the new system of point scoring of track and field sports which was recently adopted by the Intercollegiate Association of Amateur Athletes of America, James E. Sullivan, secretary of the Amateur Athletic union, expresses the opinion that the winner should receive six points instead of five. He believes that a victory in worth two points more than being the runner-up. When asked if he did not think that the new method takes in too many men, Mr. Sullivan said: "I don't think so. It is a very good idea. The athletes will be able to score more points, and so will the schools. It will make competition better, as the athletes will have more chances to get places. If a man falls to get a prize he gets an opportunity at least to do something for this school. "I am going to recommend at the next annual meeting of the Amateur Athletic union that our scoring be extended to five places. Instead, however, of giving the victor five points, I will suggest that it be raised an ace higher. A winner should receive two points more than the runner-up." In the future at all college games points will be distributed to the first five, as follows: Five for first, four for second, three for third, two for fourth and one for fifth. Al Marquard Signs. Al Marquard, a pitcher, and a cousin of Bob Marquard of the New York Giants, has been signed by the Muscatine club of the Central association. Control Cages. Manager Rieky makes his pitchers throw the ball through a set of strings, which he calls "control cages," for the purpose of acquiring control.
