Boy Wounded Many Times in Battle With Policemen

TERRE HAUTE, Ind., March 24.-After which many shots were exchanged, Ernblood from many wounds. The boy was night at his home. found early today in the gunshop of Edward Tetrel and when called on to surrender, replied by firing at the police.

The police armed themselves with shotguns, while McWilliams climbed into an automobile in the rear of the store and the American charge d'affaires drove by put up a constant fire. All the window panes in the building were broken and the automobile was riddled by bullets from policemens' guns. After being wounded many times, McWilliams, with arms above his head, staggered out of the store. He was sent to a hospital where it was said his condition was serious. Five loaded revolvers were found in the boy's pockets and he had placed a number of loaded rifles and shotkuns in the auto

NEW ALTITUDE RECORD JOHANNISTHAL, Germany, March 24. -Linnekogel, a German aviator, today established a world's altitude record for a flight with one passenger in an aeroplane by attaining a height of 18,050 feet in his monoplane from the Aerodrome here. The previous record for a flight with one passenger was made by the late Edmond Perreyon, a Frenchman, who, on June 3, 1913, rose to a height of 16,270

BRINGS ENORMOUS PRICE

LONDON, March 24 .- A silver sait cellar from the late Lord Ashburnham's collecwas sold for \$38,000 at Christie's dates from the period of Henry VII. is believed to be the earliest standing salt cellar in existence. Its height with the cover is 12% inches, but it weigns only thirty ounces. A pair of Charless H bottles brought at the same same \$14,500.

Caucus at Clay Center. CLAY CENTER, Neb., March M .- (Spe cial.)-A caucus of the citizens' party met last night and made the following nominations: Mayor, J. E. Wheeler; city clerk, R. A. Byrkit; city engineer, R. E. Jessup; councilmen, First ward, J. H. Richert; councilman Second ward, E. W.

The people's party aso held a caucus and nominated the following: Mayor, F. W. Bean; city treasurer, H. A. Swanson; city clerk, W. H. Reed; city treasurer, Hob Tompkins; councilman, First ward, C. D. Palmer; councilman, Second ward, A. S. Kyne.

Much Interest at Aurora AURORA, Neb., March 24.-(Special.) By far the largest caucus ever held in Aurora was held last night to nominate the men for the various city ofices, there being 420 votes cast. The candidates nomnated are as follows: Mayor, Robert Chapman; clerk, J. F. Cole; treasurer, George Wanek; councilman, First ward, W. Stokeabury; councilman, Second ward, Peter Isaac; councilman, Third ward, Iner Peterson. School board, A. W. Hickman and H. E. Allsworth.

New Ticket in Albion. ALBION, Neb., March 24.—(Special Telegram.)—A caucufs presided over by George Williams has met and placed in comination the following city ticket in opposition to the citizens' caucus ticket: W. C. Day, mayor; Harry E. Hallstead, clerk; Robert Larson, treasurer; Bert Watson, city engineer; Jacob Thostensen and Thomas Matthews, councilmen.

Truman to Weeping Water. PONCA, Neb., March 24 - (Special.) - Su-perintendent T. V. Truman of this city, has been elected superintendent of the public schools of Weeping Water, Neb. Mr. Truman had served two years as superintendent and was tendered the position for the ensuing year.

Fort Bodge Moosers Abandon Party. FORT DODGE, la., March 24.-(Special.) -A constantly increasing number of the voters who recently changed their party affiliation and went over to the bull moose ranks, are coming back to the republican party. The story is told in the records of the auditor's office. Failure of a movement to secure a serious split is the republican ranks in Webster county account for the return of the prodigals.

HUERTA IS IN GOOD HEALTH to "drop in."

Cabinet Councils Held at Most Unusual Places and at Irregular Hours-Dines Often in

Public.

MEXICO CITY, March 25.-After a year n office General Huerta appears better health than when he undertook the presidency. The difficulties he has encountered have left no stamp upon his features. Six months ago some of his friends and most of his enemies predicted early physical collapse and there were of the enormous odds.

"Take things as they come." seems to ing has never been one of Huerta's fall- tank on the mountain, securing their first irgs. Nor is he a creature of routine, vantage ground. Regularity does not characterize his

inspection. with his ministers would take place federals back again toward Torreon. whenever he summoned them, and there about that questions of the greatest import are as likely to be discussed in his caught fire and the conquerors were private home as in the National palace forced to abandon it. and not at all infrequently be sends word o his ministers suddenly that he would ike to meet them that very morning in he woods about Chapultepec castle.

Imprompts Council in Park. To the famous and ancient park in which the castle is located he drives in his automobile. His ministers, also arriving in their cars, wonder in just what part the president is going to see them. Their chauffeurs or aides sight the presidential car ahead on one of the many drives and there begins a chase which may come to an end beneath one of the great shade trees, or beside the lake, Ministers and president alight, sit on the secting footpaths and there talk of affairs which perhaps are of international importance. Back of all is the president's revolver fight with the police, during whim. He may be late. The ministers wait. He may have altered his mind reest McWilliams, aged 15, surrendered garding affairs of state and the ministers after his clothing had been soaked with are told to meet him later in the day or

Nelson O'Shaughnessy lately was the time. They were walking with the president in the Chapultepec grounds when remembering that there was something that he wanted to talk to the American representative about, signaled him to O'Shaughnessy alighted, joined the official group and was preparing to continue his drive when the president asked him to get into his car with him. The two drove off together, leaving Ministers. Blanquet, Alcocer and other counsellors of the president staring after the car. Half an hour later Huerta set O'Shaughnessy down near his own car and re-It is not uncommon for the president to summon his ministers to a meeting during the middle of the night, and cabinet meetings, or what would pass for

cabinet meetings, have taken place in

cafes. Astronomy is His Recreation. Huerta does not indulge in physical exercises as a means of recreation. He derives his recreation in talking astronomy with anyone who can interest him in the subject-and the man who does must be an expert-or in dining and visiting with his intimate friends. The time he redoes his arising in the morning. Usually present school year. Dean Henry W. he thinks of anything to do, and then year. Dean Analey came here from the auction rooms today. The treasure, which almost every morning a walk up and University of Nebraska and was at the fael. After that more breakfast and then a lot of work. He may go to the Chapultopec woods or to the National palace. but it is just as likely he will do hi morning's work at his home, summoning to him there all who may have business with him. Without much routine, and with executive mastery, shoving all he can onto his subordinates, he ploughs through the day's work until 7 or 8 o'clock, when he is ready for dinner.

> Dines Where He Pleases. Dinner may be in his own home or i that of one of his friends-Huerta's ideas of democracy do not prevent him from dining where he pleases-very likely in one of the public restaurants. There is one central restaurant that has received the greatest part of his patropuge. Here the entrance of the president accompanied by one or two of his aides, perhaps a personal friend or two and possibly a member of his family, has long of Porfirlo Diaz the visiting of a public dining place was something of a state His coming and his going was carefully staged and those privileged to witness it were reckoned among the fortunate. To the music of the national hymn he entered and retired while : il others stood. A restaurant Pesper would have felt himself justified in raising the

PE-RU-NA

"I was taken with a severe headache and cold, which finally brought on constipation and bowel trouble. Physics of all kinds were used, and we were obliged to resort to the fountain syringe for help. I could drink castor oil like water, but it did no good. Salts were of no use. The doc-tors were puzzled. After using three bottles of Peruna I consider myself entirely well." Mr. John B. Capers, No. 610 Pecan St., Fort Worth, Texas. Those who shicet to Liquid Medicine will find Peruna Tab-lets a desirable remedy for CATARHEAL CONDITIONS.

PE-RU-NA

But Huerta is conducting a democratic egime. He likes to dine in public and he does not like formalities. He marches in with no apparent concern, selects a table and orders his dinner. The orchestra does not interrupt the piece it is playing merely because the president is intering and the other diners, grown no customed to being co-patrons with the president, do little more than crave their ecks to see who it is dining tonight with

Do Men Folks Care for Style?

not-and It's a fact that few of them care for the styles produced by mediocre designers - but for the styles originated by Sam'l W. Peck and Stein-Bloch — well that's different. Men fo'ks do care for them, else the best dressing men of this town would not come here season after season, looking for the new things they have produced. Men want style but they want it refined and dignified and more of them are learning every day where to get it.

BEER and BREAD

The making of BEER bears a striking similarity to the making of bread, the chief difference being in the amount of grain employed and the amount of water added. Bread is baked, but BEER is boiled-one is a solid food, the other a liquid refreshment.

STARS & STRIPES BOTTLED BEER is a splendid example of the high degree of perfection reached by the modern Brewery.
