#### **BILL ROURKE'S MEN IN ACTION**

Go Nine Innings, with a Final Score of Nine to Three.

FANS GET WORTH OF MONEY

Men in Good Form and Do Work Such as Would Be Expected of Them Along Late in the Reason.

The first ball game of the season was played at Bourke park Wednesday afternoon, Johnnie Gonding's Regulars defeating Hill Schipke's Yanigans, 2 to 2. The Vanigana were handleapped by the absence of Schloke, who might have awang the tide of battle in their favor. Without Bill the Vantgans floundered hopelessly before the well-mistained onslaughts of the slugging Regulars and came out of the fray badly the worse for wear. But attempted Tuesday to stop the ball with his eye and the ball took exception, the

result being Mr. Schipke's incapacitation Jon Ward, late of Memphis, was the star performer in the hitting line, although a youth named Mesker did almost as well. Ward hit four out of five safely while Mecker hit three out of four. Per haps if he had been given another opportunity he could have duplicated the feat of Ward. Each was accredited with a wo-base kit, while the rest were singles Errors were frequent, but the fielding was snappy and fast considering it was the first game the athletes had played. Bix pitchers were used and all pitched very good ball. Brady did the best, as he didn't allow a hit during his three in nings for the Yanigans. In addition, King hesitated on occasions to dispense with a little of his comedy. It got himinto trouble once because he made an error while endeavoring to talk one of the athletes out of making the first sack on an infield att

Stavenson and Alexander started the conflict. The Regulars secured a very nice lead off of Alexander, but it was not his fault. A little loose fielding on the allippery diamond did the work, assisted by a two-bagger by Joe Ward. Hicks and Cheon Closman next took up the martle and the Regulars added a few more off Hicks. Then King Brady appeared on the scene and the Regulars were equelched for the remainder of the game. Art Closman didn't allow any runs by the Vanistane, so the percentage re-

mained in favor of the Regulars.
The full nine innings were played be cause Johnste Gonding feared he would never got another chance to play nine. Johnnie is afraid of some wandering snows and is taking no chances when the weather is warm. If weather permits p shorter game will be played at the park this afternoon. The lineup yesterday:

#### Hunters Think it Right to Shoot at Ducks in Spring

Helleving that the recent federal ruling does not prohibit spring shooting in Ne branks, except along the Missouri river. a party of eight hunters from Chloage came in over the Milwaukee and immediately left for North Platte over the Union Pacific, where they go to try a hand at duck and goose shooting.

The Chicago sportsmen were equipped with outfits that would be the envy of hunters anywhere. Each man had at least two automatic guns, waterproof clothing, and about everything that would go to make hunting a pleasure.
