### Gray Hair Becomes Dark, Thick, Glossy

Look years younger! Try Grandma's recipe of Sage and Sulphur and nobody will know.

Umost everyone knows that Sage Tea Sulphur, properly compounded, bank the natural color and lustre to the hair when faded, streaked or gray; ends dandruff, itching scalp and falling hair. Years ago the only to get this mixture was to make it our forefathers. at home, which is musey and trouble

Nowadays we simply ask at any drug store for "Wyeth's flage and Sulphu Hair Remedy," You will get a large bottle for about 30 cents. Everybody see this old, famous recipe, because no can possibly tall that you darkened your half, as it does it so naturally and evenly. You damped a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years

The discerning eye of the clever de signer can see almost instantly the likeness between costumes of the two periods. Even can those who do not enjoy that faculty of observation ree how alike the spring styles are to styles of olden times, But again comes the dissenter who asserts that there is absolutely no similarity. Such is the talk, however, and it is imestble to make many who have seen the style show believe that the trend of fashion is not reverting to the period

### LINCOLN MAN GIVES UP JOB TO JOIN THE NAVY

William H. ## To Accomplish Improvements

that involved the construction of an additional buge building five stories high, including the basement, the arrangement of the older building from foundation to roof, and to do it all without annoyance to customers, is the great task that has been undertaken and finished by the John Beno company,

The work has required a whole year, and has taxed the resources of architects, builders, managers and employes in every department of the great store. For more than a quarter of a century the Beno building has been noted all ove the country as one of the best adapted to be found in any city, where light, comfort, sanitary conditions, and all that conduces to the best interests of customer and employe, have been provided. The work has now been finished, and the means of permitting the expansion demanded by increasing patronage accomplished. We want the public to see what we have done, especially for our Millinery and Readyto-Wear departments. We believe you will appreciate the result of our labors. Many notable features have been added and changes made for the better accommodation and greater convenience of our patrons, which must be seen to be fully appreciated. We invite the people of Council Bluffs, Omaha and vicinity to visit our store during the opening days.

The assortments are complete in each line-

The character of this merchandise will make buying a pleasure—and the fairness of prices a most welcome feature.

In keeping with this high standard of merchandise we shall aim for a store service that is worthy. "Prompt and courteous" will be our watchwords-your smallest and greatest wants to share alike our careful attention. We earnestly believe in our ability to serve you better than ever-to prove that our diligence has resulted in business which merits your patronage.

Now and always we extend to you a warm invitation to make this store your store. Come and go as you please rest awhile ask questions. That's simply ospitality and a point in our service—it carries with it no obligation whatever.

We urge you to come now, especially to see our display intact before the eager buyers have made inroads. A call today equals a treat to the visitor.
