The NEAL TREATMENT Offers a New Chance in Life for Liquor and Drug Addicts.

The men who have been raised from the depths by the Neal Treatment; who have been reinstated in the ranks of clean, industrious, sober-minded citizen, represent a host sufficient to populate a city three times the size of Omaha.

These thousands of liquor and drug addicts were a constant grief and shame to their relatives and friends, until as a last resort the Neal Treatment, which provides **A REST FOR DAZED, OVER-STIMULATED NERVES**—**A GENUINE TUNING UP OF TIRED BODY TISSUE—A NEW PERSPECTIVE—**

was tried, and the result was new-born energy and vitality; a destroyed appetite for artificial stimulation, and a vigorous mind and body. The men who have been cured by the Neal Treatment will gladly testify to its efficiency. They will tell you that the Neal Treatment and methods are based on scientific certainties which eliminate from the treatment the slightest illness. Our institute is situated in a big modern infirmary building where privacy for those who wish it is assured—where an air of refinement prevails.

We solicit the closest investigation and will appreciate the opportunity of Neal Treatment in detail. Write for booklet.
