# Uni of Omaha Ball Team is Disbanded

No action on the part of the athletic board in recognizing base ball at the University of Omaha has resulted in the disbandment of the team. Some while back project is expected to be a success and a varsity team was organized with Paul that the enthusiasm for base ball in student manager. When it came to sched-uling games with out-of-town schools, the athletic committee would neither apselby as captain and Henry Selcer as prove nor disprove them, saying that as ing of the Panama exposition in 1915. the athletic board had not recognized base ball they could do nothing. As neither have the two clubs, made up of the star the committee nor the board would do players of both leagues, play a few exanything. Manager Selcer thought it best hibition games in the east and south after disband the team. Most of the play- the world's series and then go to Cuba. ers who have given up base ball are The itinerary would then call for a brief coming out for the track team. Andrew visit to Panama, and from there to South Dow has been pushing this form of sport America, playing in the leading cities or along and under his tutelage the men both sides of the continent. The plan is are making good progress .

The committee recommends further that in pursuance of the spirit of the ru boards of athietic control and facul of colleges and universities, banded KEEP UP GAME'S VIRILITY sether to promote a healthy growth and a wise control of student athletics, adopt and enforce the following specific regu-lations: Such Is Ultimatum of Committee on

There shall be no oral coaching from the bench. The so-called "encouragement of the pitcher" from the outfield shall be stopped, or at least minimized, since we believe that the shouting of remarks in endiess iteration is not only disagreeable to the speciators, but is disconcerting rather than helpful to the pitchers. The unpure shall warn any player vio-lating any of these rules, and on a second offense shall exclude him from the game. That in general the attention of stu-dents be called to the importance of courtesy on the part of the home insti-tution to the visiting team, a courtesy which were always bare in a bout. The vet-eran admits that the current champions eran admits that the current champions old-timers in strength and endurance. Mike illustrated his argument with a narrative of one of his battles, which he told timers in strength and endurance. Mike illustrated his battles, which he told with considerable pride. **Fought with Fists.** In the spring of 1878 Donovan met Jim Murray at Erie on the Delaware river. They fought with bare fists just after daybreak. For forty-three rounds the in an open lot. First one would have the advantage, then the other. Finally which will forbid such cheering, singing and chatter as are designed at critical the police interfered and called the bout moments to "rattle" the visiting team. days as a result of Murray's punches

In conclusion the committee says: "A and to this day he carries scars on his base ball game is a splendid contest of face as a souvenir of that gruelling bout. skill between two opposing nines, before Mike received \$1,000 as his end of the an academic throng of spectators; it is purse and Donovan asks where the fighter

Coaching Rules. The strict enforcement of rule is of the official rule book, which defines the coaching rules, at first and third busce, explicitly providing that "the coaches shall be restricted to coaching the baso runners only and shall not address ro-marks except to the base runner and then only in words of assistance and di-rection on running bases. He shall not by words or signs incits or try to incite the spectators to demonstrations and shall not use language which will in any man-ner refer to or reflect upon a player of the opposite club, the umpire or the spec-tator." happens, a fine play by the visiting team of the old bare knuckle days. Donovan is as heartily applauded as a similar play can easily bring to his mind dozens of by the home team. To the end that these bouts that took place in the middle of principles be a real force and not a mere winter when he had to stop in the middle 'brutum fulmen.' we recommend that they of the ring to rub his hands to work cir-

for action."
