Krug was safe on an infield The Sloux disliked the decision and hopped in to argue the matter with Umps McCafferty. Clarke, being a manager and acting accordingly, became bolsterous in his protests. This incurred the wrath of the umps, who ordered him to depart. Clarke refused and the umpire called on his mate, Barr, for assistance. Clarke paid as little attention to Barr. who called for aid from the police force. Two officers marched across the field an descorted the obstreperous boss from the park, midst vociferous applause. The police returned to their stations, Clarke emerged from the clubhouse, whence he had been deposited, and the game proceeded with the afore mntioned result. The same teams play today and result. Merriam is as cheerless at Huerta in the meeting Thursday and made arrangements to play all Sunday games at Wy, more this season.

Pollowing is the list of games acheduled with Beatrice at Wymore on Sundays:

Kearney, May 17: Hastings, June 7: Columbus June 18: Columbu firsts, but from the way things look he will not even be in a track suit tomorrow. He hasn't worked out since the Missouri meet.

Ames has Kalser to fall back on in the short dashes, but Kaiser hasn't struck his stride and is not depended on to snatch firsts from Nebraska. Dickinson, Kaiser's running mate is the dasher on last year's all-lows team, is trotting around the track for the first time he has been off crutches, but he positively will not be ready for a race with Ne braska. He is merely getting his wind, little by little and is running with his poisoned foot in bandages.
