### **NOT HAVE PITCHER HAGERMAN**

President Charles W. Murphy of the Chicago Cubs says Casey Hagerman, the Denver pitcher, is an enemy of organized base ball, and couldn't have a job on his club for love or money.

This statement he made to President McGill and Manager Hendricks of Den-ver while they were in Chicago talking "trades," so McGill is quoted as saying. Murphy's first question when the name BROOKLYN, Aug. 13.—Another in- ball chat was: "Is that the Hagerman to is suing the Boston Red Sox for clously here today for the Brooklyns by salary which he claims due him for last

The answer was in the affirmative. "Then," said Murphy, "I wish nothing to do with him. Any man who strikes at organized base ball through the Base Ball Players' fraternity strikes at the men who have done all in their power to build the game up to the present high standard. That a young ball player should attack base ball as he is doing should be sufficient to keep him out of it, and as far as I am concerned he can-not play with my club."

In Straight Heats Wins Renewal of

Chamber of Commerce Stake. RACE IS FEATURE OF THE DAY

Veteran Ed Geers Puts In His First Appearance of the Week Bekind Wonderful Colt, Etawah, in 2:10 Trot.

DETROIT, Mich., Aug. 11.-Frank Bogash, jr., driven by Thomas M. Murphy, today won in straight heats the eighteenth renewal of the Chamber of Commerce stake for 2:13 class pacers. and established a new record for the event-2:00%. The race was the feature of the second day of the grand circuit meet at the state fair grounds. Farrara easily captured the 2:16 trot; Etawah was best in the 2:10 trot, while Eddle Diliard managed to win the 2:06 pace after the hottest sort of contest.

The struggle for the Chamber of Commerce prize always was between Bogash, jr., and Leata J. Each heat was hardfought all the way. In the first Stetbring had led to the three-quarters with Leata J. and Frank Bogash, jr., close up, coming into the stretch. Leata J. and Bogash pulled away in the drive for home. the mare was left a length behind Not until the distance flag was reached in the second heat did Murphy's horse show in front, but again he outlasted the mare. The last half of this heat was covered in 1:00%.

Whipping Finish in Final. In the final round there was a whip ping finish with the son of Frank Bogash a length to the good at the wire. It was in this last heat that Frank Bogash, jr., lowered the stake record of 2:08, set by The Eel in 1908, going the mile in 2:00%.

Farra was not extended to win the 2:16 trot in straight heats. Veteran Ed Geers made his first ap-

pearance of the week behind the wonderful colt Etawah in the 2:10 trot. Pitted against aged campaigners, the youngster won easily.

The 2:06 pace furnished the greatest contests of the day. In some of the closest finishes ever seen, at the local track, Knight Onwardo, Molly Darling and Eddie Dillard each won a heat. Only the heat winners came out for the final heat. Molly Darling and Knight Onwardo raced heads apart around to the stretch with Eddle Dillard right at their wheels. In the last eighth Dillard forced Onwardo into a break and win in a common jog, with Molly Darling a poor second.

Tomorrow's card includes the famous M. & M. \$10,000 stake for 224 trotters; the 2:10 pace and 2:09 pace, \$1,000 each, and the 2:05 pace, \$2,000.
