Naps and Free Hitting by Senators Give Walter Victory.

CLEVELAND, Aug. 19 .- Walter Johnson pitched his thirteenth straight victory for Washington here today, downing

Cleveland in a contest that went ten nnings. The score was 5 to 1. For nine innings the game was a

pitchers' battle, in which neither Johnson nor Falkenberg, who pitched for Cleveland, excelled. But in the tenth slow fielding on the part of the locals and free hitting by the visitors, gave Johnson the margin

Cleveland's only run was scored in the first inning. Chapman singled, took second on Jackson's out, went to third when Lajois was safe on McBride's low throw and accored on a passed ball by Alnsmith, which was another wild pitch.

Washington tied the score in the fifth inning on McBride's single and stolen base and Johnson's triple. Their other runs were scored in the tenth when Ainsmith walked, Johnson's bunt took a hop past Falkenberg for a single, Foster singled, Gandil got a sun double and Morgan and Shanks singled and Johnston made an error.

Falkenberg struck out ten men. Score: CLEVELAND. AB.H.O.A.E. bold, cl. b 0 1 0 0 WASHINGTON. AB.H.O.A.M. ellen rt. 5 0 1 0 0

These prophecies of evil have not been fuifilied. The craving for cold drinks 3. in hot weather has proved not only to be entirely natural, but also quite wholesome.

Physicians have come around, and at Mackines Defeat Tigers. DETROIT Aug. 19. -Detroit presented Philadelphia with a 4 to 3 victory fodsy. Wild throwing, indifferent throwing, loose fielding and an error at a critical mo-ment enabled the visitors to come up from behind, score three runs in the sixth inning and, win the game. Neither team did a great deal of hitting, but Philadel-phila used three pitchers and Detroit used two. ing hot temperatures is likely to do good At- rather than harm.

It is another case of instinct and the taste for things proving to be correct in spite of prejudice and the declaration of those who thought they knew better from reasoning to the contrary. Even the use of ice cream at the end of a meal is now recognized to b ea help rather than a hindrance to digestion. It cools off the stomach for a moment, but the reaction that, follows immediately octually brings more blood to that

than a nervous tone to the mucous me ... brane and its glands that causes them to digest better.

During very hot weather there is a relaxation of the circulation affecting the stomach as well as the exterior of the body and just the same healthy reaction caused by cold water on the outside takes place on the mucous membranes on the inside when they are bathed with cold water. In very delicate individuals the reaction may not take place, but the effect is usually beneficial in all those who care for cold things .- New York Independent.
