PHILIPPINE VETERANS CONSIDER MERGER PLAN DENVER, Colo., Aug. 19 .- A proposal to merge the Army of the Philippines and the American Veterans of Foreign Service organizations was injected today into the deliberations of the joint convention now in session here. The question was considered informally at a caucus of officers of the Army of the Philippines. It seemed likely that the proposal would not be taken up formally until Wednesday, at which time officers will be chosen. The headquarters of Brigadter General Irving Hale, organizer

Colfax the Friedmann people are seeking

of the Army of the Philippines, and Brigadier General Jacob Smith of California were the centers of interests for the several hundred delegates in attendance from all parts of the United States.
