ROOSEVELT LAUDS HIS PARTY

Colonel Says Progressives Have Made Remarkable Record.

ADDRESS IN THE CHICAGO CLUB

Merger is Possible, He Says, If Other Parties Will Adopt Progressive Platform as a Unit.

CHICAGO, Aug. 25.—Colonel Roosevelt, turned almost as red as the desert in Kansas, among whom he has been sojourning, arrived here today. He spent less than two hours in the city before taking the Pennsylvania special for Oyster Bay.

In the course of his talk with Mrs. Trout, who told him she was the mother of four sons, he said that he knew of no man who was so much entitled to a vote as the mother of sons and daughters.

As the luncheon was informal, the colonel wore the same gray suit and soft shirt that he wore on the train. He passed at a book store and bought some books, including one about a prize fighter, another an Indian story and a third one on his game.

Late Mountain News. In speaking of his outing in Arizona, Colonel Roosevelt said he spent the first fortnight hunting and that the party killed three mountain lions.

He made a five-minute speech at the Progressive club, in which he addressed the guests as "friends, ladies and gentlemen, voters all."

There would be no woman suffrage in Illinois today if it had not been for the work done by the progressive party last year. Never in the history of the country has a political party accomplished what the progressive party has in its brief history.

"In regard to woman suffrage, I always had insisted that woman's duty as a voter would not interfere with her domestic duties any more than it does with a man's business. There are some fool men who neglect their business for politics, and I suppose there will be some feminine fools of the same kind. God made woman a fool to match the men. The average man and woman's first duty is to their home. Politics comes second."

Merger is Improbable. "There has been a great deal of talk about political parties getting together. They can get together any time they wish by joining us. But they must adopt all of our principles, even the judicial plank in its platform. It has been said that I have condemned judges. I never made anything like the language which Abraham Lincoln used in criticizing the United States supreme court. I believe judges are a high class of public servants, but I don't believe in the right of any public servant to become a public master."

"If an executive does not do what the people want him to do he should be recalled even if he is a judge. If we don't get the laws we want we should have the initiative and referendum to give us the desired relief. We intend to do injustice to no man."

"We are the only party that has adopted a rational plan for handling both big and little business."

"We favor a policy that will compel business to serve the public, not handle it. Our wish is to apply the principles of Abraham Lincoln to the issues of the present day."

HYMENEAL. Woodstock-Coleman. Miss Myrtle E. Coleman and Bert L. Houghton, both of Omaha, were married Saturday evening at 7 o'clock by Rev. Charles W. Savage at his residence.

GOVERNORS VISIT BIG DAM

State Executives Open Five Days' Program at Keokuk.

ADDRESS BY GOVERNOR DUNNE

Formal Dedication Exercises Will Be Held Tuesday Afternoon—Governor Clark of Iowa Will Speak.

KEOKUK, Ia., Aug. 25.—The four-day celebration in connection with the opening of the water power plant in this city was opened today with "Governors day" as the first set program. An immense crowd is in the city, although it is largely a day of preparation. Governor Edward F. Dunne and staff of Illinois arrived at Hamilton, Ill., the Illinois end of the dam, at 10 o'clock and was escorted to a park, where he delivered an address, in which he referred to the economic importance of the water power development to this immediate part of the Mississippi valley.

Justice C. B. Ferris of the Missouri supreme court and B. F. Rutherford, assistant attorney general, representing Governor Major of Missouri, were escorted from Keokuk to the junction of the power house and the dam, where Governor Dunne and his staff were met. After a brief ceremony and a trip over the dam in observation cars the latter boarded the naval reserve steamer, Illinois, for Fort Madison to take a train for Colorado Springs, where the governors' conference will be held Tuesday.

Formal Exercises Tuesday. The formal dedication exercises will be held at Hand park here tomorrow afternoon. Governor George Clark will deliver the address in behalf of the state of Iowa and will be followed by Lieutenant Governor W. L. Harding of Iowa. Former Congressman W. P. Hepburn will also speak. Judge William Logan of Keokuk will present a historical description of the water power project which covers a period of twenty years. The remainder of today was devoted to amusements.

The annual regatta of the Mississippi Valley Motor Boat association on Lake Cooper opens Tuesday afternoon.

CORN CROP BELOW AVERAGE

(Continued from Page One.)

From Omaha to Sioux City, through the north portion of the state, up to the Elkhorn valley and up through Schuyler and northwest, corn is said to be standing the drought well and continues in very fair condition.

On the Lincoln division, the condition of corn at this time is placed at B; Wyoming, at C; Missouri, at D per cent of a crop. Everywhere, says the report, the corn is being out for fodder and is being put away into silos for winter feed for the cattle and hogs. The greatest damage done by the dry and hot weather has been to prevent pollination. Buds that are fairly good stand, when opened, are found not to have any kernels on the cob.

The Northwestern's weekly crop report, issued yesterday and covering conditions at the close of last week, indicates fairly good prospects along the Missouri river and Elkhorn lines, but south and toward Lincoln, Superior and Hastings, most of the corn is badly burned and will make little feed aside from the fodder that will be secured by cutting it and placing it in shocks, or silos.

The bad conditions of corn has had a somewhat depressing effect upon the Omaha Grain exchange and has resulted in the material cutting down of receipts. There it is said that farmers, realizing that their corn crop is practically destroyed, are holding their wheat for food, or in anticipation of much higher prices before another harvest.

Wheat Feed to Hogs. Out in many sections of this state, over in Iowa and Kansas, farmers are feeding wheat to their hogs. Wheat alone is not regarded as a good ration for putting on fat, but it is said that when mixed in the proportions of one portion of wheat and two corn it is equally as good if not better than corn alone.

In many localities the lack of rain is causing farmers considerable alarm. The ground is so dry and hard that they cannot plow, and should the drought continue, they fear that they will be unable to put in their fall wheat for next year's crop.

According to railroad reports, the potato crop will be very light, so far as Nebraska, Iowa and Kansas are concerned. In these states it is said that pastures are practically dried up and that except on the low lands there is little grass for stock.

Woods Will Umpire in Western League. LINCOLN, Aug. 25.—Edward Woods of Lincoln today signed a contract as umpire in the Western league during the remainder of the season. He will report at Sioux City tomorrow.

GIANTS WIN WITH A RALLY

Take Opener by Force Playing in Ninth Frame, Two to One.

AMES IN FORM TILL THE FINAL

Weakens in Last Inning, When McGraw Wins Battle of Wits Against Tinker—Two Great Catches by Burns.

NEW YORK, Aug. 25.—A fierce ninth inning rally enabled New York to win the first game of the season's last series with the Giants, the score being 2 to 1. Ames, the Giant's discarded pitcher, pitched great ball for eight innings, but weakened in the ninth, when McGraw won a battle of wits against Tinker. Herzog hit an infield single and went to third when Doyle, batting for Merkle, singled. Murray's sacrifice fly scored Herzog with the tying run. Snodgrass and Myers were then purposely passed, but Crandall won the game with a single.

Both Demaree and Crandall pitched well for New York, the former giving way to a pinch hitter in the seventh inning. Cincinnati scored its only run in the third inning when Ames singled with two out, reaching second on Fletcher's error on Becher and scored on a single by Bates. Burns made two great catches, both depriving Tinker of extra base hits. Score: New York, 2; Cincinnati, 1.
