Our Final Clean-Up Sale of the Season Offers Bargains that Will Bring the Crowds

Every spring and summer garment in the store will be included in this sale at a price low enough to insure its disposal before the doors close Saturday night. The daily arrivals of new Fall Goods make quick clearance necessary. Cost is forgotten-we must have the room. We won't quote former prices, as then it would seem ridiculous to even mention them along side of the selling price quoted today. These values here advertised should bring you here early tomorrow to share in this great distribution of the year's most wonderful values. Remember! It's the last call!

Over 200 Summer Dresses, made of various pretty materials-in scores of clever styles -women's and misses' sizes. Included are a few linen and white dresses, slightly soiled and mussed; also about 25 cloth skirts. While every garment is a rare bargain we suggest that you come early for the best bargains in the lot. Closing out price Saturday...
