MERCHANTS BEAT ARMOURS

Fast Game Staged at Bluffs Won by Home Team.

TEST COMES IN THE THIRD

Two Scores Made by Merchants Leave Magic City Men Behind, Where They Stay During Remainder of Game.

The Merchants defeated the Armour's of South Omaha yesterday in a fast game, 6 to 3, at Athletic park in the Bluffs.

Kemp essayed to pitch for the Merchants, though he was wild in the first two innings when he could not locate the plate and forced in a run.

Gurness pitched a good game but received poor support, and he was hit at will. He fanned three men to Kemp's team.

The Armour's pulled off three double plays during the game that kept the score down. Rice of the Merchants put the ball over the fence for the home run in the second inning.

Goff, McLean, Swinwood and Minicuss and the fielding of McLean, Wahl, Tuttle and Lanahan featured. Goff scored three runs and batted in another.

Next Sunday the Merchants play the Stars Triumph at Athletic park.

The Merchants won the game in the third, when, with the Armour's one in the lead, Gillipie, the first man up, singled to center.

Goff scored another run in the seventh on a hit and two errors. Goff scored the last run on three successive hits.

Argentine Shooters

Win First Trophy of International Meet

CAMP PERRY, O., Sept. 1.—The Argentine Republic team won today the first trophy of the international tournament, the Argentine-American naval trophy.

The match was held on the 1,000-yard range, the 600-yard and the 300-meter ranges.

The wind today bothered many of the foreign shooters, especially the Brits, who are used to the cool mountain breeze.

The members of the French team shot several strings today and were pleased with the cards which they turned in.

The Argentine team shot better marks in their tripod and will take part in all of the international events.

At the running deer targets today, Captain J. G. Dellin of the Sixth Pennsylvania had the high score with forty-two out of a possible fifty; Lieutenant C. H. Cobb of the navy was next with forty-one and Alfred F. Lane of the New York Athletic club third with forty.

This match will not be concluded till the last day of the tournament.

Corporal Michael Pennesser, who was accidentally shot today while acting as a scorer in the seventy-five-yard miniature match, is in a critical condition tonight.

Five sharpshooters of the Italian Shooting society of New York City arrived today to take part in the individual matches.

HASTINGS BELIEVES SPIKING INTENTIONAL.

HASTINGS, Neb., Sept. 1.—(Special Telegram)—Outfielder Jacob Gettman, recently returned from Indianapolis, has been signed to play the remainder of the season with Hastings, the employment of another player being necessary on account of the spiking of Richardson and Firestone in the Sunday game at Columbus.

According to reports received by the Hastings management today, Richardson was standing three feet from the plate when a Columbus player slid into him, cutting a six-inch gash in one leg and making a smaller wound in the other.

People here are indignant over the injury of the two players, believing from the reports that it was unnecessary. The matter has been reported to President Felt.

Ottumwa Wins the Pennant in Central Association Race

BURLINGTON, Ia., Sept. 1.—Ottumwa won today the pennant in the Central association after a close and exciting fight, Muscatine being second by a narrow margin. It was possible for Muscatine to win the pennant if Ottumwa lost both games today. Ottumwa won both. Had Keokuk won both games from Monmouth, it would have taken third place.

Kewanee would have had fifth position by winning one game from Burlington. Muscatine lost both games, allowing Ottumwa the pennant. Monmouth and Keokuk split even, the former getting third position, and Burlington won both games from Kewanee and slipped up into fifth place.

The final standing: Ottumwa, 72 54; Muscatine, 61 52; Monmouth, 61 52; Keokuk, 61 52; Burlington, 59 59; Kewanee, 59 59; Cedar Rapids, 59 59; Waterloo, 53 71.

OAKLAND, Cal., Sept. 1.—Joe Arvedo fought his way to a decision over Ad Wolgast, former lightweight champion, today in their ten-round bout here.

The going was fast and the younger fighter clearly earned the verdict. In the seventh round Arvedo knocked Wolgast down. Wolgast fought almost entirely with his left hand, his right apparently being in no condition to inflict punishment.

The Sacramento lightweight was affected by stage fright in the opening round, but this wore off and in the second round he took the aggressive, forcing the fighting.

In the seventh round Arvedo hit Wolgast with a left swing to the neck. Wolgast was up in a second and clinched. He tried to rough it in the clinch and the crowd booed while Referee Griffin admonished him to be careful.

In round nine Arvedo staggered the former champion with a stiff right to the jaw. The tenth was easily Arvedo's. Wolgast landed several rights to the face, but they lacked steam.

There is probably no other remedy so well known as S. S. S. for the blood. It is remarkably effective in that it cures skin diseases known as pruritis, or itching itching. The action of S. S. S. is rapid. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of the most essential nutrient. And the radical elements of this priceless blood purifier are just as essential to well-balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food.

These facts are brought out in a highly interesting book on skin diseases, compiled by the medical department of the Swift Specific Co., 114 Swift Bldg., Atlanta, Ga. It is mailed free, together with a special letter of advice, to all who are struggling with a blood disease.

Get a bottle of S. S. S. to-day of your druggist. It will surprise you with its wonderful action in the blood.

Don't accept something offered you as "just as good." The only reason why anyone should not try to sell you a cheap imitation is because it is made on something cheaper than crude drugs. Beware of any attempt to persuade you to buy something in place of S. S. S.
