

REPUBLICAN VICTOR IN MAINE

John A. Peters Chosen to Fill Vacancy in Third District.

SLUMP IN PROGRESSIVE VOTE

Falls Off About Fifty Per Cent from that Given Roosevelt—Bourbon Attributes the Result to Treachery.

PORTLAND, Me., Sept. 9.—Speaker John A. Peters, republican of Ellsworth, was chosen to fill the vacancy in the third congressional district yesterday by a plurality of 558 over Mayor William A. Pattangall, democrat, of Waterville, and Edward M. Lawrence of Lubec, a poor third in the race.

Returns in this special election from all but a small island plantation gave: Peters, 15,106; Pattangall, 14,533; Lawrence, 6,687.

The vote for president in November was: Wilson, 14,622; Roosevelt, 12,235; Taft, 7,159.

Moore Vote Falls Off.

The progressive vote showed a falling off of about 50 per cent from that given Colonel Roosevelt last November. On the other hand the Peters' vote was 108 per cent greater than the Taft vote, while the Pattangall and Wilson vote showed very little variation.

Mr. Pattangall, the democratic candidate, gave out the following statement:

"From the returns I should judge that Mr. John A. Peters was elected to congress from this district by safe plurality. The result should not be construed as a rebuke to the national administration. It is wholly to be attributed to democratic treachery. Because certain men failed of success in the primaries they deliberately sacrificed the party in this election. The democracy of Maine is loyal to President Wilson and will present a united front in the next four years' campaign."

Gardner Makes Statement.

Halbert P. Gardner, member of the progressive national committee of Maine, said tonight:

"The returns indicate the election of John A. Peters in the Third district. We had no money. Lack of funds hampered the progressive working organization and prevented proper publicity. It is evident that the voters of the Third district are absolutely opposed to the policies of the democratic party."

Democrats Disappointed.

WASHINGTON, Sept. 9.—Returns from the Maine congressional election were awaited here with extraordinary interest by the leaders of all parties. The democrats, who had sent Secretary Bryan, Speaker Champ Clark and other notable names to their man was defeated. President Wilson waited for the returns until late in the night.

Digs Graves in Sand, Then Leaps to Death

CHICAGO, Sept. 9.—Mrs. Walter B. Smith, wife of a wealthy stock broker in Lake Forest, committed suicide in Lake Michigan today by tying a heavy weight around her neck and then jumping from a pier. Just before ending her life, she made two little graves in the sand of the lake shore and decorated each with flowers. Mrs. Smith was one of the leading society women of Lake Forest, a suburb of Chicago. She was a daughter of Hiram McCullough, vice president of the Chicago & Northwestern Railway company.

TRIPLETS ARE BORN TO SHENANDOAH COUPLE

SHENANDOAH, Ia., Sept. 8.—(Special.)—George H. Jones, cement contractor, church and lodge worker, is to receive a testimonial purse of \$50 or more from the Shenandoah Commercial club members the first of the week. Business men are reaching down in their pockets and smilingly giving a dollar each to the fund, for everybody likes Jones and Jones is the father of triplets, born Saturday.

They are the first triplets in town, and when Jones was hastily dispatched down town to purchase clothing for unexpected babies Nos. 2 and 3 he was obliged to hold a reception on the street corner. Business and professional men offered congratulations and then hunted up the committee to contribute their dollar. Jones himself tells the story this way: "I was sitting out on the front porch when the doctor came to the door and handed the nurse a nice fat little boy baby. Then he came back with another little boy, and he grinned and asked me if I wanted another. I said 'sure' and forgot all about it. Thought he was joking me. Presently he came back with a little girl baby, and say—! Yes, there's all healthy and the mother is doing well." Jones has three older children.

WEARER OF X-RAY GOWN FREED BY TUCSON COURT

TUCSON, Ariz., Sept. 8.—Miss Claire Simpson's request for a jury of women was denied today, when she was placed on trial in police court for having worn on the street an X-ray gown, and the magistrate acquitted her because he could not determine whether pink tights worn beneath the gown were immodest. Miss Simpson wore pink tights. Her defense was that they were not as improper as the black tights generally employed by wearers of X-ray gowns, which contrasted sharply with diaphanous draperies. The court ruled that he was not an arbiter of dress.

ROADS TO MAKE DEMAND FOR INCREASE IN RATES

WASHINGTON, Sept. 9.—Proposed advances of 5 per cent in freight rates on all commodities except grain and coal will be submitted to the Interstate Commerce commission about the middle of next month by the fifty-two railroads operating in the east. The proposed changes will be based upon the present first class rate between New York and Chicago, the increase being 5 per cent flat. It is understood no determination has been reached as to new rates on coal and grain.

Sentence of Diggs and Caminetto Will Again Be Postponed

SAN FRANCISCO, Cal., Sept. 9.—Maury I. Diggs and F. Drew Caminetto, convicted under the Mann white slave act, will not be sentenced tomorrow when they appear before Judge William C. Van Fleet for that purpose if the request of Special Assistant Attorney General Theodore Roche is granted. Roche announced today that he would ask for a continuance of both cases until Monday on the ground that the Harris-Diggs case of subornation of perjury comes up this week and he wishes to have all the cases completed before sentence is pronounced on any of the trio.

The government prosecutors will not ask that a charge be pressed against Juror Heister for contempt, for saying at the trial that he did not consider Caminetto guilty and merely voted so to save attorney fees for the culprit's parents. The prosecutors point out that public contempt will be Heister's punishment and that a jury cannot impeach its own verdict, so that the juror's statement will not help the defense to get a new trial.

Large Crowds at South Dakota Fair

HURON, S. D., Sept. 9.—(Special.)—Everything about the opening day of the South Dakota fair indicates unlimited success in every department. Every inch of display room in every department is filled, and by the middle of last week all of the horse, cattle, swine and sheep exhibits were filled up and no more entries were received. The first day attendance is estimated at about 1,000 better than the opening day of 1912, when 12,000 people visited the grounds. The concessions department has let 10 per cent more concessions than at this time last year, and expects to double the number of a year ago before the week ends.

The hot weather of last week has changed and it is clear, breezy and cool, with indications for a continuation of the same kind of weather.

MILITIA PREVENTS CLASH OF RIVAL AMAZONS

CALUMET, Mich., Sept. 9.—National guardsmen and deputies were called on today to prevent a clash between rival bands of women partisans in the copper miners' strike. Belligerent Amazons, many of them armed with clubs and stones and representing on the one hand the non-union workmen and on the other the members of the Western Federation of Miners, crowded the streets of Yellow Jacket, a part of Calumet township, and threatened each other.

Renewed reports that the federation funds were running low were denied by union officials. They stated that the organization was prepared to care for the strikers and that two boat loads of flour and one of coal were on the way to Hancock, consigned to the union.

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture by asking at any drug store for a 99 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
