Dodgers Take Lend by Bunching Hits Off Pierce-Evers and Zimmerman Banished for Disputing with Umpire.

CHICAGO, Sept. 11.-Pitcher Reulbach took the mound against his former teammates today and Brooklyn won its second straight from Chicago. The score was 6 to . Reulbach was in fine form and allowed Manager Evers' men but two hits until the seventh inning, when doubles by Good and Archer and a home run by Williams, who batted for Pierce, enabled the locals to tie the count.

The visitors took the lead by bunching hits off Pierce and scored the winning run on Lavender when Fisher singled and scored on Fischer's double.

Manager Evers argued with Umpire Byron about Reulbach's stepping off the rubber and was banished to the clubhouse. Zimmerman followed his manager to the cluhouse for arguing a decision at second base. Score:

Reds Win Butting Bee.

CINCINNATI, Sept. 11.—In an old-time itting bee here today Cincinnati man-ged to nose out Boston by a score of to 11. The two teams divided thirtyill to 11. The two teams divided thirtyfour hits between them and two of the
batters came out with perfect percentages for the game. Maranville faced the
pitchers six times, getting five hits and
a base on balls, while Kling, who faced
them four times, obtained a base on balls,
a single, double and a triple. Dodge also
batted well, getting a single, a triple and
a home run. Ames stopped the tide in
the ninth, when, with one run needed to

Suggs and fanned Connelly. Boston
fielded raggedly and to this their defeat

Foot Ball Practice Starts on Yale Field

NEW HAVEN, Conn., Sept. 11.-The thud of the pigskin was heard on Yale field today. About forty candidates for the Blue's 1913 eleven reported for practice under the direction of Head Coach Howard Jones, Yalo's first salaried resident foot ball instructor. Preliminary training has been held since the first of the month at Sinsconset, Mass., and Newport, R. I.

As Head Coach Jones' assistants there were Captain Spaulding, Douglas Bomeister, an all-American end, and Carl Gallaver, who played in the line in last year's eleven.

Prospects for a string eleven are some what better than usual. There is much seasoned material. The hardest problem is to find a quarterback, a position at which Yale was weak all last year. The team will have two good drop kickers Pumpelly, whose wonderful booting features the Princeton game last year and Guernzy, who showed aptitude as a

Are Selling at Healthy Prices, and Have Lots of Fornge Besides.

Lyman Sholes, division freight and passenger agent of the Omaha road, is just in from a trip of nearly a week spent in northeastern and northern Nebraska, where he went to investigate crop conditions, particularly the condition of corn. Mr. Choles went out in an automobile and went through a dozen counties, stopping and talking with the farmers and going out into their fields, thus making a personal investigation in every instance. He returns in a most optimistic mood and feels confident that the large area of country in Nebraska through which the Omaha road runs will have fully 75 per cent of an average corn crop and he will not be surprised if it is better

Speaking of his trip, Mr. Sholes said: "I wanted to learn just the condition of the corn crop.
