MODEL 1912

20 GAUGE

Light Weight

Hammerless Repeating Shotgun

This new Winchester is the lightest, strongest and handsom-

est repeating shotgun made. It weighs only about 5% pounds,

yet it has surpassing strength, as all the metal parts are made

of Nickel Steel, having about 50,000 pounds more tensile

strength to the square inch than ordinary steel. The re-

ceiver is free from screws and unsightly pins to collect rust and dirt and work loose, and its solid breech, closed at the rear, makes it extremely safe. It operates and works with an ease and smoothness not found in similar guns of other

makes. It is simple to load and unload, easy to take down, being separated into two parts quickly without tools. For pattern and penetration, it is fully up to the established Win-

chester standard of shooting quality, which has no superior.

Ask your dealer to show you one, or send to Winchester Repeat-

ing Arms Co., New Haren, Conn., for illustrated circular.

CHICAGO. Sept. 15.—New York defeated Chicago today, 4 to 3, after a hard-fought battle, which went thirteen innings. The winning run was scored by Fletcher. He opened the thirteenth for New York with a single and Burns beat out a bunt. Archer then tried to catch Fletcher napping off second base and his bad throw enabled Fletcher to reach third. He scored a minute later on Shafer's sacrifice fly.

The league leaders had taken a two-run lead on singles by Snodgrass and Doyle, a sacrifice hit by Fletcher, a sacrifice fly by Burns and Shafer's single. The game seemed won until the ninth inning, when the locals rallied. Schulte was hit by a pitched ball, but was forced by Phelan. Saler bit the first ball pitched to him for a home run, scuring Phelan ahead of him and tieling the score. In the twelfth inning New York again took the lead on Merkle's double and a single by Snodgrass, but Manager Evers' men tied it again on Saler's double. Goods out and Archer's single.

Leach argued with Umpire Klem on the calling of a third strike and was banlahed to the club house. Score:

SEAGIRT, N. J., Sept. 15.—Captain W. H. Going Back.

If ever there were two ball players who only a year ago were considered among the stars of the game, and who are slated to spend but few more days in fast company, they are Lord and Chase of the White Sox. Unless this is just an off year and they will recover their form by next spring, neither of these players is apt to spend much more of his time in fast company. Both seem to have gone back greatly and appear to be on the down grade both in batting and fielding.

It transpires that Jake McBrids of Mil-waukee is the authority for the recent statement that his brother, George, of the Benators, is to be manager of the Red Sox next year: He says that every time that Washington plays in Boston McBride stays at McAleer's home. Mc-Aleer's chief argument to prove that Mc-Bride will not manage the Red Sox next year is an agreement with Bill Carrigan for the latter to do the work.

The locals could do nothing with Russell when hits meant runs.

Shaw, a recruit from York, Pa., relieved Groom with none out in the fourth, and held Chleago to one hit in five innings. Not a ball was batted to the outfield while he was on the mound. Love, from Atlanta, Ga., pitched the final inning for Washington and held Chicago score-

Tigers Win See-Saw Game.

NEW YORK, Sept. 15.—Detroit by winning from New York today, 7 to 5 evened up the series here and prevented Chance's men from moving into seventh place. It was a seesaw contest. Detroit won in the ninth when Willett doubled with two out and drove in Gibson and Loudan. Gibson had singled and Louden had walked. In five times up Louden got four bases on balls and was hit by Warhop. Fisher was ordered out of the game in the third for protesting a called ball and Warhop, who relieved him, was ineffective. Both catchers, Sweeney and McKee, were injured and had to retire. Manager Chance put two more recruits on his lineup today, Outfielder Whitman and Catcher Reynolds, both of Houston. Outside of the battery Chance did not have a man in the lineup who was on the club at the opening of the season. Score: Tigers Win See-Saw Game.

## Chance Says Dark Days Are. Over

NEW YORK, Sept. 15 .- The dark days for the New York Americans are a thing of the past, in the opinion of Manager Frank Chance. The Yankee pilot declares that he feels much encouraged over the recent work of the team. "Of course, I will be glad if we get out

of last place this week," said Chance yesterday, "but the feat isn't of vital importance. I am more deeply interested in the new players to be tried out with the idea of laying the foundations for next year. I am much encouraged over the work of the team just now and I feel pretty sure that the dark days have gone forever. "When I took hold of the team I had

very little first-class material to work with. The Bermuda trip was harmful too, and the crippled condition of the pitchers, particularly Ford and Caldwell, was a big handicup, but we have made progress in weeding out undesirable timber to make room for new men who will have a thorough trial this fall and again in the spring."

Would Not Walve Yerkes.

A few weeks ago the Boston club asked for waivers on Steve Yerkes, the young second baseman, and the Athletics refused to waive on him. Waivers were then withdrawn and Boston kept him. It is rumored now that waivers have been asked again, with the same result as before, all clubs passing him up except the Athletic club, and the Boston management is said to be pondering the question of letting him go. They had intended to make a trade with him to a minor league club. Would Not Waive Yerkes.

Increases His Value. Phtcher Edgar Willett of the Tigers has perfected an under arm delivery that is said to be almost identically the sort used in the olden days when pitchers were forbidden to get their hand over the shoulder. It has worked like a charm, too, and Hughey Jennings says the veteran has increased his value 20 per cent with the new about. with the new eboot.

# Writer and Base Ball Magnate, is Dead

PHILADELPHIA, Sept. 15.—Frank La Hough, sporting editor of the Philadel-phia Inquirer, died at his home here today after a long iliness. He was 55 years old. Mr. Hough, as a sporting editor, a was known from coast to coast. At various times he had a financial interest in both boxing and base ball. When the American league expanded to the east in 1901, Mr. Hough was instrumental in placing it on a firm foundation in this city and had much to do with bringing players from the National league over to the rival organization. He held an interest in the Philadelphia Athletics until last fall, when he sold his stock to
