Slays Ex-Judge He Creary struck out nine and McGuire Believed Influenced Wife to Get Divorce

ASTORIA, Ore., Sept. 15 - Former Cirouit Judge Frank J. Taylor was shot dead here today when about to take a train for his summer home. C. C. Hansel, who believed Mr. Taylor had influenced Mrs. Hansel to get a divorce, was arrested. No words accompanied the murder. Hansel approached the former jurist as he stood in the railway station and began shooting. When his revolver was empty he threw it into the Columbia river. He

did not try to get away. Taylor was well known in Oregon and was a former member of the legislature. He is survived by a wife and two daughters.

It is annoying to stand at the telephone after one has given the number to the operator and wait an unreasonable length of time for the called party to answer.

The Lost Call

When there is delay in answering the telephone bell often the calling party concludes you are not there and "hangs up."

Then when you finally answer you wonder why your bell rang, and you charge the instance to poor service.

All the operator can do is to ring the bell. She cannot make the called party answer promptly.
