THE directors of nearly all of the country clubs are facing quite a problem for next season. For some unknown reason patronage at nearly all of the clubs has fallen off perceptibly this year. The young people go to the clubs on dance nights, but very few dinner parties are given.

"We will see what some of the richer men are spending at the club this year," said one of the directors recently. The amount for the entire year was less than \$50, whereas in previous years it was several hundred dollars.

Club members seemed to have become lackadaisical and prefer simply to take long motor trips to the country with, perhaps, a picnic luncheon in the woods or dine at some country hotel noted for its country dinners.

Another reason given is that so many Omahans went to summer resorts this year owing to the continued heat. While Omahans may be economizing on their dinner parties, they continue to take active interest in clothes; one modiste, who brought a number of model costumes with her, sold nearly all of them the first week she was home and had to telegraph for more, even though the prices exceed that of the gowns of last season.

### At the Field Club.

Mrs. George E. Barker and Mrs. Charles Martin entertained at the largest luncheon today at the Field club in honor of Mr. Martin's sister, Mrs. Charles Whitaker of Clinton, Mo. White cloths formed the decoration and covers were placed for forty-eight guests.

Mrs. Charles Goss and Mrs. G. W. Wickersham entertained eighteen guests at luncheon today in honor of Mrs. Arthur E. Rose of Los Angeles, Cal.

Mrs. F. H. Krug entertained twelve guests at luncheon at the club and Mrs. J. M. Guild five.

For the closing night of the club many reservations are being made, among them Mr. J. W. Hughes, who will have four guests; Albert Krug, eighteen; J. B. Purzer, five; A. H. Fetters, twenty-two; Z. H. Howland, eight; M. A. Wallace, ten; R. C. Martin, thirteen; H. O. Conant, eight; J. H. Conrad, six; J. B. Stevens, sixteen; Ernest Sweet, eight; C. D. Sturtevant, four; W. H. Sherraden, eight; J. A. Tancock, four.

Mr. and Mrs. Frank Brodell, sr., celebrated their silver wedding anniversary at their residence Sunday. Those present were:

### At the Country Club.

Entertaining at dinner Wednesday evening will be Mr. Robert D. Connell, who will have six guests, and Mr. Joseph Barker, sixteen.

### At Happy Hollow.

The regular dance tonight with refreshments and no table d'hote dinner closes the season for the club.

### Matinee Party.

Mrs. Arthur C. Parnonast will give a matinee party at the Brandeis Wednesday to see "The Candy Shop," for the local Kappa Alpha Theta fraternity. About fifteen will be present.

Mrs. Love Daniels Pillsbury and daughters, Marion and Ruth, accompanied by their family physician, Dr. Chamberlin, all of Oakland, Cal., passed through Omaha last week enroute to New York, where they sailed September 28 on the Imperator for Paris. They will spend several months traveling abroad. Mrs. Pillsbury's friends in Omaha and Council Bluffs will be glad to know her health is improved. Mrs. J. H. Carse, Mrs. Pillsbury's sister, and son Earle, went with them to the old home in Iowa City.

## Time for Lower Fare Vote is Not Yet Set

Whether the seven-fare-for-a-quarter ordinance initiated by petition may be legally submitted to voters at the next special election in Omaha or must wait until the general election one year from November is a question which Election Commission M. Orhead must decide before he determines the date of the vote on lower fares.

The issue was raised by John L. Webster, attorney for the street railway company, at an informal hearing at the election commissioner's office. The law reads that the city council must pass an ordinance supported by petitions containing the names of 10 per cent of the qualified voters or must submit the issue to the voters "at the next election." It is Attorney Webster's opinion that this means the next general election, and the decision of this point will set a precedent for all other elections under the initiative and referendum.

"It is not yet necessary to decide the point," said Election Commissioner Moorhead, "because the next election, so far as any definite date has been fixed, is the general election. I will not make any statement now of my opinion in the matter."

## OLD FOLKS FIND CROXONE RELIEVES ALL KIDNEY AND BLADDER MISERIES

**Drives Rheumatic Pains Away, Few Doses Relieve Backache and Bladder Disorders**

Sleep disturbing bladder weakness, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life.

Croxone relieves all such disorders because it reaches the very cause of the trouble. It soaks right into the kidneys, through the walls and linings; cleans out the little filtering glands and cells, and gives the kidneys new strength to do their work properly. It neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism; and makes the kidneys filter and sift out the poisonous waste matter from the blood and give it out of the system.

It matters not how old you are or how long you have suffered, Croxone in so prepared that it is practically impossible to take it without results. There is nothing else like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate case.

An original package costs but a trifle and all druggists are authorized to return the purchase price if Croxone should fail in a single case.—Advertisement.
