Beautiful Bellevue

One of the most charming trips about Omaha at this season is to Beautiful Bellevue, with its magnificent landscape, hills, valley and plateau; its woods with their beautiful autumnal colorings; the Indian summer lights and shadows, and the sense of homelike comfort that pervades this famous old village. Go and see for yourself and pick out the site you would like to have for your future home.

Beautiful building lots with walks, water, electric light and all the comforts and conveniences of this charming suburb, with its famous schools, fine street atmosphere and low cost of living, can be had for \$200 to \$300.

I can offer a charming little home with two lots for \$2,000. The house is a modern house, with conveniences, three fine lots, \$1,700. Another with a rooey house, barn, over three acres of ground, most of which is tillable and very productive; fruit, fine trees and an unsurpassed view, for \$3,500.

Wanted—Someone to build half dozen houses of Beautiful Bellevue for rent and sale. Only one vacant home in town, and that is engaged.

Business Property

On 24th St. in South Omaha, within a half block of the very best retail district, we offer a large piece of ground with good brick building covering about half of the ground. It now pays 6 per cent on the price it can be bought for, but heirs must sell and divide. This is a good investment with most of the value in land that is near the center of the retail district and will grow. We can arrange to carry a large part of the price (\$45,000) in a loan on the property. This is a class of property that cannot often be bought on a 6 per cent basis. In five or ten years this will seem ridiculously cheap.

Regardless of the certainty of growth, the property must be divided among heirs, and the only way to do that is to sell it. A very low offer might take it. Act quickly.
