FINANCIER ADMITS DANGER IS POSSIBLE IN MONEY CONTROL

Confessions Under Examination of Attorney Untermyer.

SAFETY DUE TO MEN AT TOP Concedes Present Concentration Has Gone Far Enough

SUDDEN QUERY OPENS TRAIL

Conditions Not Entirely Comfortable for the Nation.

BAD HANDS MIGHT DO HARM

Witness Declares When Cornered by eastern vice president, Hon. A. J. Knollin. Lawyer that Had Rulers Could Not Retain Control of Money Trust.

WASHINGTON, Jan. 10.-That the prozent concentration of money and examine the books of the secretary and credit "has gone far enough;" that "in bad hands" it would have a bad effect upon the nation; that the "safety of the situation lies in the personnel of the men in control," and that present conditions are "not entirely comfortable for the were a few of the statements nigde today by George F. Baker, muster financier, as the climax of two days' examination before the house money trust sistance in many ways. committee. Mr. Baker declared, however, that "bad hands" could not retain delegates that the federal government

a day of routine examination during wild animals. It is pointed out that the which Mr. Baker reviewed in detail the forest reserves provide excellent breeding operations of himself, his bank, the First places for wolves and coyotes and that National bank of New York, and J. P. Morgan & Co. in the issuance of bonds great areas of timber lands in which stratled the committee, and Mr. Baker's predatory wild animals thrive the governcounsel. Fisher A. Baker and John C. The committee had gone be struction. youd its usual hour of adjournment in order to conclude the examination of Mr. Raker today. Samuel Untermyer, counsel for the committee, was wading through a mass of heavy statistics relating to bond issues handled by Mr. Baker's associates. Suddenly he paused and leaned forward in his chair and shot a queston at the 73-year-old fnancer, who, despite his long examination, was cheerful and confident.

Mr. Baker, I suppose you do not think there is a money trust?" demanded the

Wool Growers Favor a Tariff of Not Less Than Eighteen Cents

CHEYENNE, Wyo., Jan. 16.-The National Wool Growers' association's "un alterable opposition" to any tariff reduction to less than is cents a pound on Baker Surprises Own Lawyers by scoured wool was voiced in a resolution offered by Secretary S. W. McClure and adopted at the forty-ninth annual con vention of the association here today.

The forty-ninth annual convention of the National Wool Growers' association met here in the Elks' hall yesterday. For the last twenty-four hours representative sheepmen from the intermountain states had been gathering at Cheyenne and the meeting is already a successful one. Mayor Gill welcomed the delegates on behalf of the city of Chevenne and Govrnor Cares on behalf of the state. Ex-Governor Gooding of Idaho, the

president of the association, was unable to be present and in his absence Hon. A J Knollin of Chicago presided. The time of the morning session was taken up with listening to the annual address of the and the reports of Treasurer F. D. Miracle and Secretary S. W. McClure. Tho vice president announced the appointment of an auditing committee, consisting of Jos Kinney of Wyoming, T. Boylen of Oregon and E. Erickson of Utah, to

treasurer. In his report Secretary McClure stated that the association bad gained over 200 per cent in membership during the last year. He rehearsed in detail the work accomplished during the last year in getting better freight rates for shippers, etc., and thanked the National Wool Warehouse and Storage company for its as-
