COMES FOR MAN IN KEITH

Member of Connecticut State Police Appears with Requisition.

MANY ASK ABOUT STATE LAW

County Attorneys Desire Interpretation of Act that Regulates Chiropractic—New Omaha Insurance Firm Incorporates.

(From a Staff Correspondent.) LINCOLN, Neb., Jan. 10.—(Special.)—T. P. Dunning, a member of the state police force of Connecticut, was at the office of Governor Morehead this morning for the purpose of securing a requisition for the return of London C. Dickinson, wanted at New London in that state for theft in the sum of \$200. Dickinson is now in the hands of Sheriff Deal of Keith county.

Mr. Dunning is a member of the state police, an organization which watches the small towns of the state and gives them the same police protection as the large towns. He says that the system has proved very effective in Connecticut in running down criminals and preventing crime and has been adopted by Massachusetts and a few other eastern states.

Ask About State Law. The attorney general's office is in receipt of several letters from different county attorneys of the state asking for information as to the prosecution of people engaged in chiropractic. The latest one refers to a case in Broken Bow and the questioner desires to know if there is any law which covers the case. There is a law covering the practice of medicine, but the information given says that no medicine is used, but that those who practice the art call it "adjusting."

New Insurance Firm. Garvin Bros. & Ballard are a new firm in Omaha filing articles of incorporation with the secretary of state. They will deal in general insurance and are incorporated for \$10,000. The incorporators are E. C. Garvin, F. E. Ballard and Frank H. Garvin.

VETERAN OF MEXICAN WAR DIES IN DODGE COUNTY

FREMONT, Neb., Jan. 10.—(Special.)—Ernest Schmidt, a resident of this county since 1859, died at his home southeast of this city Tuesday night, at the age of 85. He was one of the few surviving soldiers of the Mexican war and never drew a pension. He was born in Germany. Shortly after his arrival in America he enlisted in the regulars and served during the Mexican war. At one time he was sick with yellow fever and given up for dead and so marked on the rolls as dead. On his recovery he rejoined the regiment. After his discharge from the army he went to California and Colorado and spent several years in various mining camps with not very satisfactory results. In 1859 he came to Fremont, his sole possessions being an old saddle pony. He worked for \$7.00 per month that season and next year bought the farm where he afterwards lived for \$5.00 per acre on time. It is now one of the most valuable farms in the county. The price of his farm and stock and equipment he made by freighting across the plains.

He was always an active member of the German Evangelical church and one of the founders and liberal contributors to the local church of that denomination here. His wife to whom he was married more than fifty years ago, two sons and five daughters survive. The funeral was held this afternoon from the German Evangelical church on Fourth street. Rev. A. Strauss officiated.

SUIT FILED TO OUST NORFOLK POLICE JUDGE

MADISON, Neb., Jan. 10.—(Special.)—Thomas V. Norvell has filed a petition in the district court of Madison county, Nebraska, to oust Charles F. Eiseley, police judge of the city of Norfolk. He represents and alleges in his petition that at the general election in November, 1912, he and Eiseley were rival candidates for the office of police magistrate and that he received 64 votes and Eiseley 56, and that County Clerk McFarland issued him a certificate of election and that he duly and legally qualified as such police magistrate elect. He further recites that County Attorney Koelgenstein refuses to bring this action; that he is a citizen of the United States and a citizen and elector of Norfolk and is qualified by law to hold the office; that notwithstanding this the respondent Eiseley has, since January 4, 1913, without right or authority unlawfully exercised the office of police magistrate in place of himself. He therefore asks the court to oust Eiseley therefrom and install him therein.

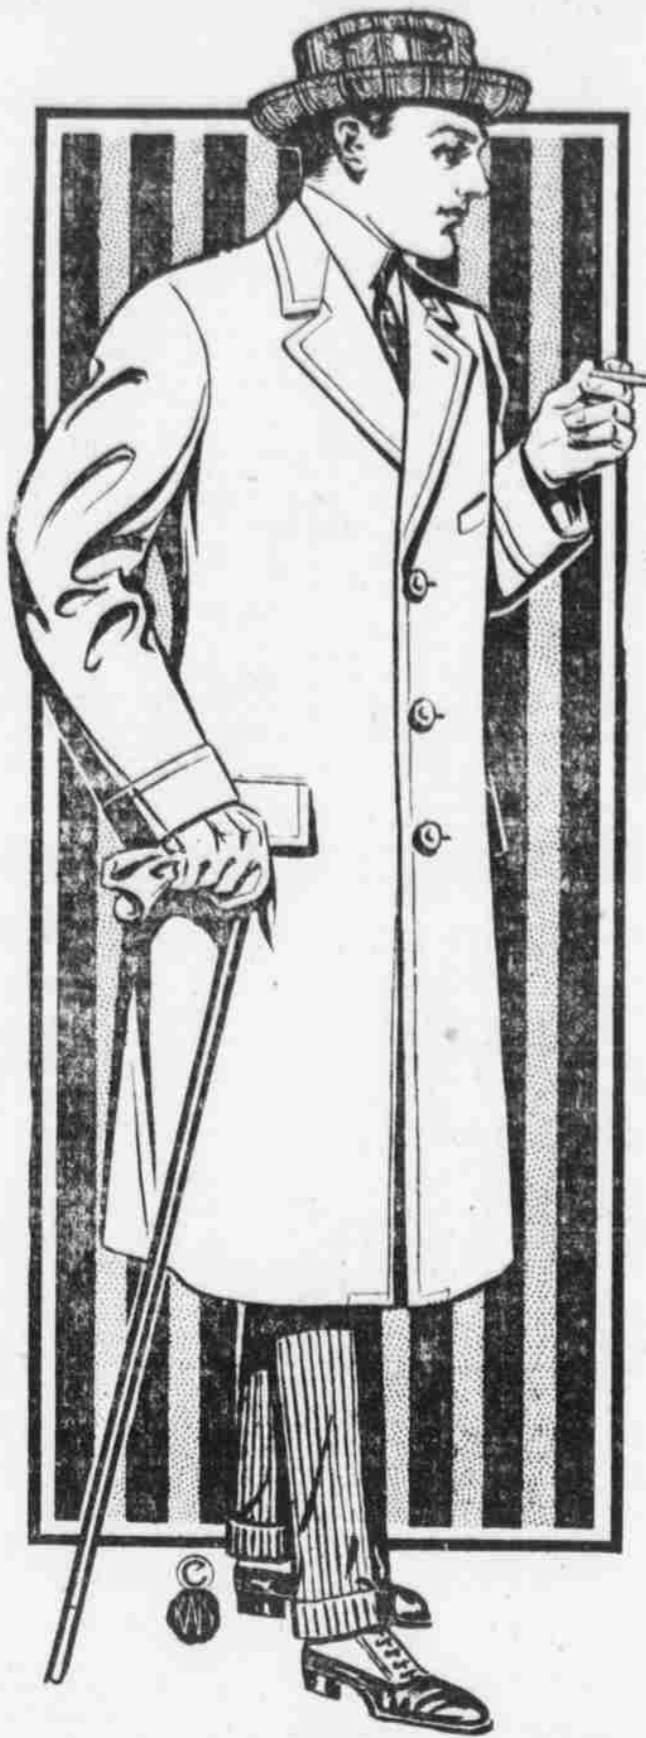

M'SHANE'S CASE HEARD BY THE SUPREME COURT

(From a Staff Correspondent.) LINCOLN, Jan. 10.—(Special.)—A hearing was had in supreme court this morning in an appeal from the district court of Douglas county by Felix McShane, sheriff of that county, in which he sought to collect the sum of fifty cents per day for the board of a prisoner for four days. He was allowed 19 cents per day, amounting to 76 cents. The amount due, according to the claim of the sheriff was \$4, a difference of \$3.24.

A law passed by the legislature provides that in counties of over 100,000 the sheriff shall receive 25 cents per day until January 1, 1908, and thereafter the board of county commissioners shall advertise for bids for furnishing meals for the prisoners. A contract was let by the commissioners of Douglas county for feeding the prisoners for 19 cents per prisoner per day. Sheriff McShane denies the legality of this contract and appealed to the supreme court.

FAMILY DRIVEN FROM HOME BY FIRE NEARLY FROZEN

SILVER CREEK, Neb., Jan. 10.—(Special.)—A can of kerosene setting too close to a hot stove caused a fire in a shack placed on wheels. The shack was occupied by Frank Riley, wife and 6-year-old daughter. There was but one door into the structure and the fire was between that and the occupants. Kelly threw his child through the fire and then he and his wife ran through the fire. All were clad only in their nightclothing and part of that was burned from their bodies. Kelly and wife were badly burned, but the girl escaped with little injuries. With snow on the ground and weather below zero they made their way to the home of Ed Potter half a mile away, naked and barefooted. Kelly's feet were frozen. Medical aid was summoned and they are on the road to recovery. The Kellys were camping out on the farm of John Lundgren, where Kelly was engaged in cutting wood.

CEDAR COMMISSIONER FIGHT TAKEN TO COURT

HARTINGTON, Neb., Jan. 10.—(Special.)—The new county board of Cedar county organized Wednesday and C. F. Furley, who was defeated for re-election in November, retained his seat and was elected chairman by the other two members of the board, C. E. Carroll of Randolph, who defeated Furley in the election, then appeared and instituted quo warranto proceedings against the new chairman. Thus the question of the length of a commissioner's term of office in Nebraska will be fairly tested in this county. Mr. Furley has been strongly advised by his attorneys to retain his seat on the assumption that the term is four years and the contest will be watched with interest.
