TWO NEW SENATORS ELECTED

Thomas and Shafroth Are Chosen by Legislature of Colorado.

BORAH RE-ELECTED IN IDAHO

Governor Hodges of Kansas Recommends Amendments Providing for Election of Federal Judges by Direct Vote.

DENVER, Jan. 14.—Former Governor Charles E. Thomas and Governor John F. Shafroth, democrats, were elected United States senators from Colorado today. Twelve republicans in the house and three in the senate voted for democratic candidates in compliance with pledges taken prior to the November election to support those receiving the highest primary vote. The vote: short term—Thomas (dem.), 8; Waterman (rep.), 9; Vincent (pro.), 1; Stevens (pro.), 1; absent, 1. Long term—Shafroth (dem.), 8; Dawson (rep.), 1; Catlin (pro.), 1; Hunter (dem.), 1; absent, 1.

Boise, Idaho, Jan. 14.—On the first ballot today Senator W. E. Borah was re-elected United States senator by the legislature. The vote was: Borah, 75; George A. Tannahill, 1; K. I. Perky, 2.

Direct Election of Judges. TOPEKA, Kan., Jan. 14.—Urging the members to prevail upon the Kansas delegation in congress to introduce a resolution favoring an amendment to the federal constitution providing for the election of federal judges by a direct vote of the people, Governor George H. Hodges, democrat, sent his first message to the legislature today. The governor urged that the term of the judges be limited to six years.

Other recommendations favored the initiative, referendum and recall, repeal of the present inheritance law, the adoption of the Massachusetts form of ballot, ratification of an amendment to the federal constitution providing for the election of United States senators by direct vote of the people and suggestions that, in order to save expenses, state and county elections be held quadrennially. "To urge every democratic member to vote for William H. Thompson for United States senator," said the governor in closing.

The legislature will begin balloting to choose a successor to United States Senator Charles Curtis on January 28. It is conceded that Judge Thompson will be elected.

Deadlock Probable in Maine. AUGUSTA, Me., Jan. 14.—Uncertainty as to the progressives in the legislature heightened interest in the United States senatorial election here today. The republicans have five majority in the senate and but two votes to spare over the necessary seventy-six in the house. No early announcement had been made as to whether the progressives would name a candidate.

Former Congressman Edwin C. Burleigh and Senator Oradiah Gardner, the republican and democratic candidates respectively, were selected at a preferential primary last June. The two branches of the legislature met separately and will assemble in joint convention for final action tomorrow. The republicans have seven more than the necessary 51 on joint ballot if members with progressive tendencies vote with them.

Long Term Farm Loans. COLUMBUS, O., Jan. 14.—In his first message to the general assembly, delivered to that body today, Ohio's new governor, James M. Cox, strongly favored, among other things, direct election of United States senators and the establishment of long-term farm loans. Governor Cox's stand on direct election of senators differed from that expressed in the recent message to the legislature of Governor Harmon, who retired yesterday.

William Alden Smith Re-Elected. LANSING, Mich., Jan. 14.—William Alden Smith was this afternoon re-elected United States senator by the Michigan legislature. Only one ballot was taken. Weeks Elected in Massachusetts. BOSTON, Jan. 14.—John W. Weeks

Newton was elected United States senator by the Massachusetts legislature today. He polled the full republican strength.

No Election in New Hampshire. CONCORD, N. H., Jan. 14.—Neither branch of the legislature was able to reach an agreement on the choice of United States senator. In the senate the vote was divided among three democrats and two republicans. The democrats in the lower house nearly all voted for Henry F. Hollis and the progressives for former Governor Robert P. Hann. The republican vote was split up among eleven candidates.

Jack Johnson Taken from Train While on His Way to Canada

BATTLE CREEK, Mich., Jan. 14.—Jack Johnson, the negro fighter, charged with violation of the Mann law, was taken from a Grand Trunk Canada-bound train here today by local officers at the request of federal officials in Chicago. The offense charged against the fighter is not extraditable and it was feared he was trying to avoid trial by "jumping" his bail bond of \$20,000 and leaving the United States.

Johnson was accompanied by his wife and two negro companions. He admitted he was on the way to Toronto. He was held at the home of a negro friend.

CHICAGO, Jan. 14.—Federal officials decided to obtain a bench warrant for Johnson as a fugitive and send deputy marshals to Battle Creek to bring the negro pugilist home. Federal Judge Carpenter, however, declined to issue the bench warrant because Attorney Bachrach, who appeared for Johnson, promised he would produce his client in court tomorrow.

Attorney Bachrach said that Johnson would voluntarily return to Chicago and that an attempt would be made to have him again admitted to bail. At Johnson's home on the south side, members of his family attempted to conceal the fact that he had left the city. Two hours after the negro pugilist had been arrested at Battle Creek, T. J. Johnson, the aged mother of the fighter, said: "Jack is upstairs sleeping, but I can't wake him now. He will get up later and then you can talk with him yourself. If you don't believe he is here I can show you his trunks. His wife is here with him. My boy would never run away."

Westergaard and Cutler Matched

Manager Gillan of the Auditorium company has matched Jess Westergaard, the Iowa giant, with Charles "Kid" Cutler of Chicago for a finish grappling match at the Auditorium on either January 27 or 28, the exact date to be decided as soon as word is received from Oscar Thorson, manager of Westergaard. Westergaard, by virtue of his defeat of Henry Ordeman in Minneapolis last week, claims the championship of America. Frank Goteh, the undefeated champion, having retired from the mats, credits Westergaard with being the next best man. Cutler claims that, having met Ordeman and having secured a match each, he is entitled to a go with Westergaard. The match should be a hummer.

Suit for Profits of Sporting News

ST. LOUIS, Jan. 14.—Al H. Spink filed suit here today for accounting against his brother, Charles C. Spink and the Sporting News Publishing company, for charges that in August, 1905, he turned over to Charles all his interest in the publishing company, Charles to manage the property for fifteen years, then turn over to Al one-half the profits of the company. He says Charles and his son, J. G. Taylor Spink, have made a fortune out of the Sporting News Publishing company, their profits exceeding \$50,000 a year.

CHARLOTTEVILLE, Va., Jan. 14.—Clark Griffith, manager of the Washington Americans, it was announced today, has completed arrangements whereby his team will engage in their early spring practice here. The deal was made possible by the Delta Chi fraternity of the University of Virginia giving up its fraternity house to the Washington players for one month. Griffith will have thirty-six men in his squad, the batteries reporting March 1, the others a week later. The team trained here last year.

KILBANE REFUSES TO MEET WHITE ON ACCOUNT OF SIZE

Johnny Kilbane will not fight Charlie White in Omaha. Arrangements have been under way to match the two men before the Flambeau club. The fight was to have been held on February 7. Manager Krause received a message from Kilbane yesterday stating that White was too big for him and he would not enter a match with him before the club.

NOVEL JIM CROW CAR CASE BEFORE SUPREME COURT

WASHINGTON, Jan. 14.—Probably the most novel "Jim Crow car" case ever before the supreme court of the United States reached it today when the Alabama & Vicksburg Railroad company filed an appeal from the verdict of the Mississippi court, which awarded Miss Pearl Morris \$15,000 for distress of mind and body caused by being required to occupy a berth in a Pullman car in which three negro men occupied berths. The supreme court of Mississippi reduced the damages to \$2,000. So considered by the supreme court. The case is attracting particular attention because the Mississippi courts have interpreted the "Jim Crow" law of that state as applicable to interstate commerce as well as to intrastate travel.

NEW RANGE LAW IS NEEDED

President Jastro Opens Convention of Stockmen. ASKS FOR FEDERAL REGULATION. Unsatisfactory Conditions Caused by Nomadic Stockmen Who Want Public Lands Turned Over to States.

PHOENIX, Ariz., Jan. 14.—The need of stringent federal laws safeguarding the rights of stockmen and extending their privileges was advocated by N. A. Jastro, president of the American National Live Stock association, at the opening session of its annual convention today. Mr. Jastro attributed the fact that the United States has less live stock per capita than ever before to the unsatisfactory range conditions, "arising out of indiscriminate grazing and the scramble to secure what is left of the already depleted ranges. Federal regulation, he asserted, offered the only solution of the problem. Mr. Jastro advocated the appointment of a committee to urge before a congressional committee a bill, first formulated in 1908, for the leasing of semi-arid, unappropriated public grazing lands, protecting the rights of the homesteader. "The great difficulty in securing this much-needed legislation lies in the fact that the west is divided on the question."

WINKFIELD STEALS LETTERS

Messenger Tells of Taking Records from Archbold's Office.

TWO OTHER BOYS IN THE PLOT

Two Letters and Telegram Sold for Three Thousand Dollars and Copybook is Loaned for Five Hundred.

WASHINGTON, Jan. 14.—William W. Winkfield of Chicago, formerly employed by the Standard Oil company as a messenger, today told the senate campaign fund investigating committee how he and another employe named Stump took two letters from the desk of John D. Archbold of the Standard Oil company and disposed of them for \$3,000 each. He also told of selling a copy of a telegram for \$1,000 and lending two copy books of letters for which \$500 was paid. Of the amounts received Winkfield said he received one-third.

Could Not Recall Contents. Winkfield could not recall the contents of the two letters or the telegrams, to whom they were addressed or the signatures attached. He said that the letters were taken in the fall of 1904 and published by the New York American. He did not know what letters had been taken from the copy books.

Printed in New York American. Winkfield testified that in 1904 he was employed by the Standard Oil company in New York as a messenger, and Stump, he said, was employed as a file clerk. Winkfield said that in the autumn of 1904, after reading in the New York American regarding certain telegrams sent to Stump and another office boy, named Frank Morrill, employed in Mr. Archbold's office.

Morrill said he knew of a telegram and he said he would see it, said Winkfield. "A couple of days later he showed it to us. I made a copy of it and put it in the hands of Stump and he disposed of it. It came out in the paper on a holiday."

It is predicted that her executors will have a difficult problem settling her estate as she kept no books, carrying most of her business in her head. The value of her estate will probably exceed \$100,000. No will has been found, although it is asserted that she executed one some time ago.

JURY UNABLE TO AGREE ON PENALTY FOR MURDER

ABERDEEN, S. D., Jan. 14.—The jury in the case of Ole Knutson, accused of killing Charles Gorton of Britton, disagreed today, although all the members stood for conviction, nine favoring a verdict of murder in the first degree and three favoring a manslaughter verdict. The result is considered remarkable as a manslaughter verdict—penalty twenty years in prison—would have practically meant life, Knutson being 55 years of age.

SAYS HIS BRIDE TRIED TO CHOKE AND SHOOT HIM

ABERDEEN, S. D., Jan. 14.—(Special.)—Six weeks of married life was sufficient to prove to J. W. Oldham of Meadow Perkins county, that wedded life isn't always "one grand sweet song." Oldham visited Blon, the county seat, six weeks and one day from his wedding day and started proceeding for a divorce from his bride, formerly Mrs.

Sadie O. Reidell. He claims Sadie has an inflammable temper and one evening grabbed him by the throat and hair and attempted to throttle him. He escaped from her and she took after him with a knife. He claims he took the knife away from her and she seized a hammer, which he also took away. But when Sadie grabbed a rifle and threatened to shoot him it proved too much for John W., and he sought a lawyer's advice, after sitting up all night to see that his traitor spouse made no further attacks upon him.
