MOTHERS' BENEFIT ACT BECOMES EFFECTIVE

LONDON, Jan. 14 .- Begining today every child born in the United Kingdom to parents insured under the new national insurance act will bring the parents a bounty of thirty shillings, or about \$7.50. Under the new act the mother is also entitled to sickness benefit during the period of her illness.

There are about 1,250,000 births annually in the United Kingdom and it is estimated that fully 1,000,000 of these will be entitled to the insurance benefit. One effect of the scheme is expected to be an improvement in the national physique which is said to have suffered consider-
