Name 1825 wift 175 Weimer 170 Hetfner 170 Parker Av. 168 Kohansky 167 Hatchen 145 Miller 165 Shepard . 125 169 Miles Bowling Notes. Koch is still "cokey." He could only each 107 on his first game Thursday A. Chase rolled a good one last week. He registered a 570 total on his three games. The Advos received a piece of hard luck last week when they rolled a 1.012 game and then lost it by ninety pins. Sciple and Learn are still high for first money in the Gate City merry-go-rou There is about \$100 in the pot now. Brown won the bacon on the Metropol-tan alleys this week. His 240 score won the Unceda Quick Lunch meal ticket. Denman didn't break any records Fri-day night, but he did have three nice consistent games with 182, 188 and 184. Wiley has been rolling a good game for the Midwest Tailors. Wiley never did feel at bome on a brewery team. Dick Swift has been hitting the pins at a lively rate the last few series. Accord-ing to his name, he sure can go some The Chase brothers, the mainstays of the Midwest Tailors, are having a merry chase with the Stellings for fourth place. Hamlet is anxious to play Dad Hunt-ington in or out of town. Either on the Omaha, Columbus or Des Moines alleys. Nelson was substituted for Stellings last week and fouled six times. He blames his big feet for his misfortunes. Tracy jumped into the big parade last week and did his bost to help the Advos win. He had 190, 245 and 200, a total 142 Win. 140 of 638. 'H. Chase of South Omaha has a po-cullar habit of talking himself out of pins in his endeavors to rattle an op-ponent." store. Will Jay Lefter never stop? He again rolled over the 1/10 mark. The Hinchey Laundry company team is sure proud of this star. this star. The Delicia team in the Fairmont lengue are unable to set started. They have been hugging the bottom position all season. "Fukay" Bland is Joe Bergers best to-bacco customer. Bland always has one plug in his mouth so that he can fill out his face. "Grandma" Martin still gets in the way of the bowlers in South Omaha. Martin does everything except lay across the al-leys and stop the balls. Al-Wartchow just hates alleys six and seven. He managed to roll 664 on them Friday night, having a hand in the Burk-leys high record game. The leagues are not having many ban-guess this year. All the players are howling and don't have time to feed their fate and make speeches. Godenschwager, the Jack Hand of the Omaha bowlers, went home happy Friday hight, because the Jetters won two games. He will survive the shock.

1 averagea:

He will survive the shock. The Stars in the Knights of Columbus league are living up to their name. They are leading the league with a good mur-gin and are still shooting. Jimmy Fitzgerald was a victim of the red raven Thursday night. He managed to get eleven splits in his series, which kept his scare down to 469

was captain for the season just closed. Reifenrath was right tackle on the team 137 last year and played a good game. He played in all but one of them. That one was at Nebraska City, when he had his shoulder dislocated. He is the heaviest man on the team, weighing 175, and knows how to use every ounce of it. He played center on the eleven two years ago and has still another year to go. He is now a junior in the high school department. 157 Arthur Dalley, the popular Omaha boy, who acted as manager during the last season, was re-elected. A FEW POINTS-
