Reopening the Vaccination Sore. OMAHA, Jan. 31 .- To the Editor of The Circumstances again demand atenterprise for some time, but there is no tention to vaccination. Many people de-Soubt it will be eventually carried out, sire information about it. This city has though it may be the terms will have to a "health department" and a "commissioner of health." Can we look to this commissioner for the needed information? Or is it ours "not to reason why, ours but to do-and die?"

If proper answers are given publicly to the following questions the people will be better informed:

1. What is a "successful vaccination" What are the evidences of "successful vaccination?" 2 How is a person penefited by being vaccinated after he is exposed to smallpox and is infected by it? Does anybody know how many of the hundreds of persons recently vaccinated were "successfully vaccinated?" 5 Has It not been the practice in this city to others immediately, and to make no examination afterward to learn whether the vaccination was "successful" or not? to deny that a large proportion of these vaccinations produced no effect what-

Hastings Tribune: Even Omaha has ever? 7. What is this operation, how is swelling and pain should not the person be treated in the same manner as when one has blood polsoning from a foreign substance accidentally forced into the blood? 9. What is the difference between "successful" vaccination and a clear case

of "blood poisoning?" Of course these are questions that no "layman" should ask, but we are getting in the habit of asking questions, and "Certainly you may have it," replied probably shall not get out of it, if the the owner, whom he happened to ad- doctors don't like it, they will have to

BERIAH F. COCHRAN.

A Call Down From the County. PAPILLION, Neb., Feb. 1 .- To the Ediure of this legislation, as of the previous one, is how the county officials of the you didn't see me saw."-New York various countles in the state are writing and whispering to the legislators asking if their salaries might be raised a few hundred dollars per year. They tell the legislators how they are run down begreat philanthropist, welcomed a visitor cause of overwork and explain how their to his office. The talk turned on the salaries correspond with other officers and how unjust. Then they go back to "It was a great blow to everybody-my their respective counties and warm the father's death," lamented the youth. "By office chairs on a fat salary, while the the way, here's the last portrait painted deputies do the work, blow rings of smoke into the air and tell their friends how He led the visitor to where hung on they entertained some of those country

> fellows down in the legislature. These little political stunts are an expensive extravagance to the taxpayers. The good old farmer is daily plodding his way making his honest dollars and paying his burdensome taxes while the county officials in whom he placed his confidence and helped to elect is drawing a fine salary from the taxpayers and pleading for more. It is not hardly fair to the old farmer who is staying at home and tending to his own business. while the county officials hold their annual conventions and plan almost every two years to ask the legislature for more salary. If our county officials do not wish to serve for the salary they can resign for there are plenty of others will-

> ing to take it for what it pays. It is time our state legislature was giving us a smaller number of public offices and leaving the salary where it is instead of annually increasing our heavy taxes The taxpayers should go to Lincoln and lead their county officers home by the collar. If they do not work at home, put them where they will not work any ONE WHO KNOWS.

Trained and Untrained Defenders. OMAHA, Feb. 1 .- To the Editor of The Bee: Senator Robertson has introduced a bill to abolish the National Guard, with the supposition that the citizens will and such things are stolen so persistently flock to the colors in case we have war team of ten and says that not one of from the Indiana house of representatives or a riot. Do you think they will? I do them falls below 97 in a possible 100 in that a private detective has been put on but it takes more than patriotism at that

How Do You Spend Your Evenings?

During this season of long evenings when the weather tends to keep you within doors it is important that the home surroundings be bright and cheerful. Whether you read, work or play games, you will find that the right kind of light will add greatly to your pleasure and contentment.

The Reflex Light Is the Modern Gas Light

It throws an 80 candle power light downward on your reading, sewing or game and the cost for gas consumed is only about one-third of a cent an hour.

We Are Showing a Fine Display of Portable Gas Lamps

Each of these lamps is fitted with Welsbach light, standard mantle, globe and chimney, which, combined with the beautiful art shade, makes a light which spreads cheer and contentment throughout the room.

OMAHA GAS CO.
