CORN CONTINUES TO COME IN

Receipts for January Exceed Shipments by Two Million-Corn for This Month Continues to Pour In.

January was the biggest mouth in the history of the Gmaha Grain exchange. The receipts were approximately 7,000,000 and the shipments 5,000,000 bushels of grain, including wheat, corn, oats and

In the matter of corn, it is anticipated that February is going to be a better month than January. Owing to a good deal of the corn not having thoroughly dried out, the receipts and shipments were not beays. Now the cereal is in prime condition and the Whipments are coming at a lively rate. Most of the corn is going south, large quantities being for sport and still larger quantities for the plantations and for milling.
