SUFFRAGISTS TELL HOWARD WANT VOTES MOST OF ALL

A suffrage mass meeting of the Fourth ward was held Tuesday evening in the new Hamilton cafe. Among the speakers of the evening was Jerry Howard, who offered a preamble and resolution calling on the legislature to pass a minimum wage law and demanding a legislative inquiry into conditions in Omaha. Mrs. Draper Smith, president of the Nebraska Suffrage association, who was presiding at the meeting, stood for a moment waiting for some member of the association to second this motion. There was no second forthcoming, but soon another motion was made that the women wait till they have the vote before they vent their opinions on other things. This motion did not find a second either, and then still another motion was made to table the Howard resolution, which received a hearty second and the vote was unanimous.

Mrs. Smith explained that she knew Mr. Howard had the support of the women, but she did not think that they were ready to take such steps as yet. Rev. T. J. Mackay was another speaker on the program and expressed himself as being very much in favor of woman's suffrage and hoped and knew that it was coming to all women. He said he felt as if he had awakened from a dream and found himself on the women's side of the question.

"If I thought that it would make you less womanly, less motherly, I would not be in favor of it, but I think it will make you better women, as well as better citizens," said Rev. Mr. Mackay in closing his talk. The meeting was well attended by interested people from the Fourth ward.

PEORIA DETECTIVE LANDS MAN WANTED FOR FORGERY

Shrewdness on the part of Michael Clifford, a Peoria, Ill., detective, and the Bertillon system of identification resulted in the arrest at Blair of Charles Smith, a clever forger, wanted in Illinois, several days ago. Smith operated on an extensive scale in Peoria and vicinity last December and the forged checks were turned over to Clifford. He recognized a trace of professionalism in the work and also a marked similarity in the signatures. A careful study of the Bertillon bureau at Peoria marked Smith as the man who passed the paper, and a search was made for him. Last week he was located at Waboo, but when an effort was made to take him he fled to Blair, where he was arrested several days ago. Yesterday Clifford secured requisition papers from Governor Morehead and also credentials from Governor Dineen in order to take the man back to Illinois. Smith was lodged in the Omaha jail last night for safe keeping and the Peoria detective will leave today. "I guess when Governor Dineen signed the credentials to be presented to the Nebraska authorities it was his last official act, for while I was waiting in his office the inaugural parade for Governor-elect Burke was in progress, and I think after talking with me, prepared to take me to the carnival," Clifford said last night.

"WIZARD OF THE NILE" TO BE GREAT OPERA

From its appearance in the embryo, "The Wizard of the Nile" will be the greatest musical show the Knights of Ak-Sar-Ben or Ak-Sar-Ben Operatic society ever staged. Another rehearsal at the city hall last night showed the principals to have their parts fully mastered and the work of the entire chorus was strikingly harmonious. The principal roles and those who will take them in the show to be staged February 28 and 27 at the Brandeis theater are as follows: Ptolemy, king of Egypt, W. H. Dunn; Kibosh, a Persian magician, Oscar Lieben; Abydos, his apprentice, Mrs. Clifford H. Boyle; Simeona, Ptolemy's second wife, Mrs. Will O'Donnell; Cleopatra, Miss Inez Lacey; Pharmigan, Cleopatra's music teacher, M. Swartz; Cheops, the royal weather bureau, S. N. Hamilton; Obeliska, captain of Amazons, A. J. Alford; Mera, first maid of honor to Cleopatra, Miss Georgia Gideon; Netra, a page, Miss Dorrett Arndt; special guards, R. E. Johnson, B. E. Johnson, Bert Minor and L. H. Hart; executioner, Ed Bierman and O. F. Drefold; policemen, Douglas Melcher and S. P. Conover.

PIONEER IS LAID TO REST

Masonic Lodges in Charge of the Funeral of H. T. Clarke, Sr.

BURIAL IS AT FOREST LAWN

Numerous Organizations of Which Mr. Clarke Was a Member Are Represented at Funeral—Floral Tributes Many.

Funeral services for the late Henry T. Clarke were held at the Masonic temple yesterday, Rev. Stephen Phelps, pastor of the First Presbyterian church of Bellevue, officiating. A baritone solo was sung by Walter B. Graham, E. D. Bolts at the organ. Otherwise the funeral was Masonic in every particular, and was attended by a large number of Masons from Nebraska lodge No. 1, of which deceased had been a member since September, 1877. Burial was in the family lot in Forest Lawn cemetery beside the body of Mrs. Clarke and the two sons, who died some years ago. At the grave members of Nebraska lodge No. 1 had charge of the exercises.

The body of the late Mr. Clarke lay in state in the large hall on the third floor of Masonic temple from 10 o'clock in the morning until the hour for the funeral in the afternoon and during the time not only Masons, but many citizens of Omaha, both old and young, called to pay the last respects to one who had been active in the affairs of city, county and state for more than fifty years.

Upon and about the casket there was a profusion of flowers. One of the most beautiful was a large pillow of pure white carnations, Mr. Clarke's favorite flower. This was from members of the family. Among other beautiful offerings was a huge bunch of purple violets from the State Railway commission and a floral wreath and compass, this having been sent by Nebraska lodge No. 1, Masons.

Organizations Represented. Among those in attendance at the funeral were not only Masons, but members of the board of trustees of Bellevue college, representatives of the Douglas County Pioneers' association, the Nebraska Territorial Pioneers' society and the Nebraska Historical association. The deceased was a member of these organizations.

Active—George A. Wilcox, A. W. Jafferis, John Butler, T. W. Allen, D. T. Gregg, Dr. G. R. Young, Honor—Harry Deuel, John L. Webster, J. C. Dahlman, John L. Kennedy, C. M. Walden, C. F. McGrew, G. W. Walden, A. L. Sutton, Dr. Stookley, Martin Dunham, Joseph Redman. The active pallbearers were all members of the Masonic lodge, with which Mr. Clarke had been connected for so many years. Extra street cars conveyed a large number of people from the Masonic temple to the cemetery.

All Commissioners Want to Be on Duty When Women Meet

For the first time since the seven commissioners came into office there was a squabble over equal suffrage when the members convened yesterday as a board of equalization. When the report was circulated that suffragists were to hold a meeting in the council chamber in the afternoon all the commissioners applied for the afternoon "watch." Only one commissioner is supposed to stand picket during the day, the whole council convening late in the day to hear his report on protests.

"I have no objections to keeping watch this afternoon," said Withnell, carelessly. "I haven't got a thing to do all afternoon," Hummel declared. "I'd just as soon stick around, myself," Ryder said. The mayor suggested that he would be a proper afternoon watchman. Councilman McDevore made no public statement but he went to each commissioner in turn and when he had whispered softly in each official's ear it was announced that he would keep watch. Now their constituents are trying to figure out if all the councilmen are planning an open, strenuous campaign for suffrage, or whether they just wanted to show off before the ladies, or whether or not they were just obdurate.

UNCLE DAVE ANDERSON HAS SUFFERED RELAPSE

David Anderson, whose condition was thought to be improving, is growing weaker according to nurses and near relatives. "Uncle Dave" has been ill for some time. After a serious crisis about a week ago he rallied and it was thought for some time that he would recover. Yesterday, however, he seemed to be gradually sinking and growing weaker. He is not conscious except at intervals and two nurses are with him at night.

Bowels Sluggish, Stomach Sour, Gassy, Upset? Cascarets Great

That awful sourness, belching of acids and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means your stomach is full of sour bile—your liver is torpid—your bowels constipated. It isn't your stomach's fault—it isn't indigestion—it's biliousness and constipation.

Try Cascarets; they immediately sweeten the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter from the bowels. Then your stomach trouble is ended. A Cascaret tonight straightens you out by morning.

10 Cents. Never gripe or sicken. "CASCARETS WORK WHILE YOU SLEEP."

MAGNEY FILES COMPLAINT

Charges Three South Omaha Men with Aiding Delinquency.

INVESTIGATING MORE CASES

Hearings of the Newly Developed Cases Will Be Had Saturday or Sooner—Charged with Incurability.

Complaints charging aiding and abetting juvenile delinquency against Louis Humpal, Edward Humpal and one Peter Cavanaugh, all of South Omaha, by County Attorney George A. Magney were filed in county court as a result of investigations of the cases of gross immorality among children uncovered by the juvenile authorities recently. Warrants for arrests of the Humpals and Cavanaugh were issued.

Petitions for inquiries in the cases of two more girls and one more boy were filed in the juvenile division of the district court by juvenile officer aty Bernstein. The young people are charged with incurability, and with knowingly associating with vicious and immoral persons. These petitions also are results of investigations of the cases recently unearthed by the juvenile court officers. The young people will be given hearings Saturday or sooner.

The three South Omaha young men charged with aiding and abetting are over 18 years of age. They were named by one of the six little girls whose confessions in juvenile court shocked the community last week. The girl said the offenses she named were committed three and four years ago when she was in South Omaha living at the home of a woman who once had been her father's housekeeper.
