Have You a Piano In Your Home?

IF NOT. WHY NOT?

There is scarcely one good reason why you should not have that piano corner filled while there are scores of reasons why you should.

JUST THINK IT OVER

Take stock of your objections, if any; then

set over against them the reasons why you should. Then go farther; come in here and we can add to your list many reasons why you should buy a piano, and show you Piano Values that will convince you that you should buy now, and at Hayden's.

We have only a few pianos left from the great stock that we placed on sale two weeks ago-but every one of these are worth fully 25% to 50% more than the prices we're asking

you.		4
Smith & Barnes \$150 1 Hardman, at \$180	1 Steinway, at \$275	1 Steinmetz, at\$100 1 New England, at\$100 1 Steiger, at\$ 75
Vose & Sons, at \$125	1 Hoffman Bros., at \$140	1 Story & Camp, at \$ 65

We have twenty some odd makes of pianolas on our floor for your close comparison and selection and are always glad to have you compare values here with any offered elsewhere; the closer the comparison the better we are pleased-it means you'll be all the better satisfied with any purchase you make here.

Payments arranged to suit your own convenience.

Catalogues and any other information mailed you on application.
